24 board may completely self-administer a self-insurance plan under the uniform group insurance
25 program, if it is determined by the board that an administrative services only or third party

28 benefits. ~~Upon establishing a self insurance plan, the board shall solicit bids for an~~

30 ~~the board is authorized to renegotiate an existing administrative services only or third party~~
31 ~~administrator contract during the interim.~~ In addition, individual Individual stop-loss coverage

1 insured by a carrier authorized to do business in this state must be made part of any
2 self-insured plan. ~~All bids under this section are due no later than January first, and must be~~
3 ~~awarded no later than March first, preceding the end of each biennium. All bids under this~~
4 ~~section must be opened at a public meeting of the board. If the board implements a~~
5 self-administered, self-insurance program, there is appropriated to the board on a continuing
6 basis the total amount of all premiums received for purposes of paying claims and
7 administrative expenses of this section, and the board may employ whatever full-time
8 equivalent staff is necessary to properly and efficiently implement and administer the program.
9 Regardless of whether the board chooses to self-insure under one of these options, the board
10 may develop a provider network by negotiating and contracting with health care providers and
11 associations. A provider network developed under this section may only be used by the board
12 or an insurance company contracting with the board to provide health insurance coverage
13 pursuant to this chapter.
