Amendment to: SB 2114

**1A. State fiscal effect:** *Identify the state fiscal effect and the fiscal effect on agency appropriations compared to funding levels and appropriations anticipated under current law.*

	2003-2005 Biennium		2005-2007 Biennium		2007-2009 Biennium

Counties	Cities	School Districts	Counties	Cities	School Districts	Counties	Cities	School Districts
\$0	\$0	\$0	\$0	\$0	\$0	\$0	\$0	\$0

**2. Narrative:** *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

Section 2 of the bill adds a reinspection fee of \$75 for each farm facility inspection conducted beyond the normal inspections for Grade A and Manufacturing Grade facilities. Such reinspections result from adverse actions such as a farm permit suspension, the downgrade from Grade A to Manufacturing Grade , or unsanitary conditions that require correction within a specified period of time.

**3. State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

**A. Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

We estimate that about 100 such reinspections are conducted per biennium. The seventy-five dollar fee would increase general fund revenues \$7,500 per biennium.

**B. Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

No additional expenditures are projected because we are currently conducting these reinspections.

**C. Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.*

No additional appropriation is required.
