

**FIRST ENGROSSMENT
with Conference Committee Amendments**

ENGROSSED SENATE BILL NO. 2023

Introduced by

Appropriations Committee

(At the request of the Governor)

1 A BILL for an Act to provide an appropriation for capital projects of various state departments;
2 to provide an appropriation for state facility energy improvement capital projects of various state
3 departments and institutions; to authorize the industrial commission to issue and sell evidences
4 of indebtedness for capital projects; to provide a statement of legislative intent; to provide for a
5 legislative council study; to provide an appropriation; to amend and reenact section 48-01.1-09
6 of the North Dakota Century Code, relating to the use of a construction manager; and to
7 declare an emergency.

8 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

9 **SECTION 1. PROJECT AUTHORIZATIONS.** The industrial commission, acting as the
10 North Dakota building authority, shall arrange for the funding of the projects authorized in this
11 section, declared to be in the public interest, through the issuance of evidences of
12 indebtedness under chapter 54-17.2, beginning with the effective date of this Act and ending
13 June 30, 2007. The industrial commission shall issue evidences of indebtedness under this
14 section with the condition that lease rental payments need not begin until July 1, 2007. The
15 authority of the industrial commission to issue evidences of indebtedness under this section
16 ends June 30, 2007, but the industrial commission may continue to exercise all other powers
17 granted to it under chapter 54-17.2 and this Act and comply with any covenants entered into
18 before that date. The proceeds of the evidences of indebtedness and other available funds are
19 appropriated to the agencies listed in this section, beginning with the effective date of this Act
20 and ending June 30, 2007, for the following projects:

14 the construction of the administrative office building at Turtle River state park. There is
15 appropriated to the department of parks and recreation the sum of \$350,000, or so much of the
16 sum as may be necessary, from any federal or other funds that may become available for this
17 project for the biennium beginning the effective date of this Act and ending June 30, 2007.

18 Grand total special funds appropriation \$36,228,248

19 **SECTION 2. BOND ISSUANCE REPAYMENT RESPONSIBILITY.** Of the total
20 amount of evidences of indebtedness issued under the provisions of section 1 of this Act, a
21 total of \$300,000 must be available from non-general fund sources to assist in the retirement of
22 the evidences of indebtedness issued for the project costs associated with the construction of
23 the projects authorized by this Act:

24 Historical society \$300,000

25 **SECTION 3. STATE FACILITY ENERGY IMPROVEMENT PROJECT**

26 **AUTHORIZATIONS.** The industrial commission, acting as the North Dakota building authority,
27 shall arrange for the funding of the projects authorized in this section, which are described in a
28 report dated November 3, 2004, filed with the governor by the division of community services of
29 the department of commerce, and which are declared to be in the public interest, through the
30 issuance of evidences of indebtedness under chapter 54-17.2 and section 54-44.5-08,
31 beginning with the effective date of this Act and ending June 30, 2007. The authority of the

1 industrial commission to issue evidences of indebtedness under this section ends June 30,
2 2007, but the industrial commission may continue to exercise all other powers granted to it
3 under chapter 54-17.2, section 54-44.5-08, and this Act and comply with any covenants
4 entered into prior to that date. The proceeds of the evidences of indebtedness and other
5 available funds are appropriated to the agencies and institutions listed in this section, beginning
6 with the effective date of this Act and ending June 30, 2007, for the following projects:

7 University of North Dakota sundry projects	<u>\$2,331,554</u>
8 Total special funds appropriation	\$2,331,554

9 **SECTION 4. LEGISLATIVE INTENT - OLD MAIN RENOVATION.** It is the intent of the
10 fifty-ninth legislative assembly that no state funding be used for any renovation projects of old
11 main at Minot state university - Bottineau.

12 **SECTION 5. LEGISLATIVE COUNCIL STUDY - DEFERRED MAINTENANCE -**
13 **INFRASTRUCTURE.** The legislative council shall consider studying, during the 2005-06
14 interim, deferred maintenance and infrastructure for all state agencies and institutions and
15 compile a list of all the deferred maintenance and long-term infrastructure needs. The
16 legislative council shall report its findings and recommendations, together with any legislation
17 required to implement the recommendations, to the sixtieth legislative assembly.

18 **SECTION 6. APPROPRIATION - HERITAGE CENTER STUDY.** There is appropriated
19 out of any moneys in the general fund in the state treasury, not otherwise appropriated, the
20 sum of \$150,000, or so much of the sum as may be necessary, to the office of management
21 and budget for the purpose of conducting a study regarding an expanded heritage center,
22 including archive storage, exhibit area, and all other such spaces necessary to complete the
23 facility as outlined in the North Dakota state capitol complex master plan dated December 14,
24 2000. The study also must examine an alternate location for a comparable replacement facility
25 on the capitol grounds taking into account the cost to retrofit the existing heritage center and
26 long-range plans for the capitol grounds. The office of management and budget shall present
27 the results of the study to the sixtieth legislative assembly.

28 **SECTION 7. AMENDMENT.** Section 48-01.1-09 of the North Dakota Century Code is
29 amended and reenacted as follows:

30 **48-01.1-09. Use of construction manager.** If a governing body uses a construction
31 manager on a public improvement, the construction manager must be a licensed contractor.

1 The architect awarded the design contract and the construction manager awarded the
2 construction management contract for a public improvement shall carry out their contractual
3 duties as agents to the public improvement entity. The architect and construction manager
4 may not construct any portion of the public improvement and may not contract with any
5 contractor or subcontractor to construct any portion of the work. The construction manager
6 awarded the contract for ~~construction~~ of a public improvement shall bond the entire cost of the
7 project through a single bond; or through bonds provided by all bid packages and the
8 construction manager's bond for the full amount of the construction manager's services. If the
9 total of the bonds is less than the total project bid, the construction manager shall bond the
10 difference between the total of the bonds and the total project bid.

11 **SECTION 8. EMERGENCY.** This Act is declared to be an emergency measure.
