2A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

Extends "flexibility with accountability" legislation for an additional two years through June 30, 2011, including campus retention of local funds, block grant appropriations, and carryover authority. Includes continuation of interim higher education study and new accountability measures.

**B. Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

Section 4 permits the carryover of unspent general funds from the 07-09 to 09-11 biennium. Section 7 creates additional reporting requirements which at this time it is difficult to determine the potential fiscal impact; however, they would likely be minimal.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

Estimated general fund carryover at the end of the 07-09 biennium, excluding capital assets, is \$1.567 million. This amount would be carried over and spent in the 09-11 biennium. However, the designated use of \$1.3 million of the total carryover is included in Sections 20 and 21 of Reengrossed SB2003.

C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation is also included in the executive budget or relates to a continuing appropriation.*
