2A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

The Bill allows as a deduction from income, the real estate taxes for property located in the state, for the purposes of determining medical assistance eligibility.

B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

The Department does not expect a fiscal impact for individuals receiving nursing care services in an institution as federal regulations do not allow a property tax deduction. If the Bill is intended for non-institutionalized individuals who receive nursing care services in the community, federal regulations require that the deduction be allowed for all aged and disabled individuals living in the community. This expansion would have a fiscal impact; however, the department does not have property tax data to allow for calculation of a fiscal impact.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation is also included in the executive budget or relates to a continuing appropriation.*
