ZERO TOLERANCE POLICY

Absolutely **NO STREET SHOES** allowed in this facility. If you bring dirt and mud into the locker rooms and/or onto our gym area floors and equipment and we catch you, your membership will be terminated immediately without a refund! **NO EXCEPTIONS.** It is unacceptable the amount of dirt and mud we had to clean up today, including on our brand new equipment. You would not track dirt and mud into your own home, so don't bring it into our facility!

Management

IF you have a
Complaint?

PLEASE TAKE ONE!
☺

A collection of forms and documents inside a cardboard box. One form has a blue logo with the letters 'OS'. Another form has a grid structure, possibly for data collection or tracking.

North Dakota – An Economic Disaster

- **Cecile Krimm, editor of the Crosby Journal, wrote that the economic crisis facing the area is “a societal disease characterized by skyrocketing rents, an inadequate labor pool and the complete overwhelming of existing public infrastructure.”**

Issues

- **Roads**
- **Sewer and Water**
- **Oil Field Water Usage**
- **Power Consumption / Electrical Grid**
- **School Classrooms and Teachers**
- **Housing**
- **Community involvement from the “outside”**
- **Sustainable Growth**

Results

- **More regulations and government oversight**
- **More difficulty with land owners**
- **More difficulty with local business**
- **More difficulty with government**
- **Higher costs**
- **More difficult to attract and retain employees**
- **Bad reputation for the business – or your business**

Solutions

- **North Dakota Petroleum Council**
- **Vendor relationships – make them be responsible**
- **Involvement by you and your company in the communities**
- **Be accountable and make your people be accountable**
- **Public relations – real not lip service**
