Sixty-second Legislative Assembly of North Dakota

SENATE BILL NO. 2215

Introduced by

Senators Sitte, Berry, Kilzer

Representatives Delmore, Devlin, Rohr

1 A BILL for an Act to provide for umbilical cord blood donation information.

2 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

^	SECTION 1	
≺ .	SE(*11/1K) 1	

- 4 <u>Umbilical cord blood Patient information Definition.</u>
- 5 <u>1. If a health care professional is providing prenatal care to a patient, the health care</u>
- 6 professional may inform the patient of the following options relating to stem cells that
- 7 are contained in the umbilical cord blood after the delivery of her child:
- 8 <u>a.</u> <u>Discard the stem cells.</u>
- 9 <u>b.</u> <u>Donate the stem cells to a public umbilical cord blood bank.</u>
- 10 <u>c.</u> <u>Store the stem cells in a family umbilical cord blood bank for use by the</u>
- 11 <u>immediate and extended family members.</u>
- 12 <u>d. Store the stem cells for family use through a family or sibling donor banking</u>
- program that provides free collection, processing, and storage where there is a
- 14 <u>medical need.</u>
- 15 2. The method a health care professional uses to provide the information under
- subsection 1 may include verbally or in writing or by providing the patient with a
- publication prepared by the state department of health under section 2 of this Act.
- 18 <u>3. This section does not impose an obligation on a health care professional to inform a</u>
- pregnant patient regarding the option of umbilical cord blood collection.
- 20 4. A health care professional who acts in good faith under this section is not subject to
- 21 <u>civil or criminal liability or professional discipline for those acts.</u>
- 5. For purposes of this section, "umbilical cord blood" means the blood that remains in
- the umbilical cord and placenta after the birth of a newborn child.
- 24 **SECTION 2.**

1	1 <u>Umbilical cord blood - Information pamphlet - Distribution.</u>		
2	<u>1.</u>	By January 1, 2012, the state department of health shall prepare a pamphlet that	
3		includes information regarding the following:	
4		<u>a.</u>	The medical processes involved in the collection of umbilical cord blood.
5		<u>b.</u>	The medical risks of umbilical cord blood collection to the mother and her
6			newborn child.
7		<u>C.</u>	The current and potential future medical uses, risks, and benefits of umbilical
8			cord blood collection to a mother, her newborn child, and the mother's biological
9			family.
10		<u>d.</u>	The current and potential future medical uses, risks, and benefits of umbilical
11			cord blood collection to individuals who are not biologically related to a mother or
12			her newborn child.
13		<u>e.</u>	Any costs that may be incurred by a patient who chooses to make an umbilical
14			cord blood donation.
15		<u>f.</u>	Options for ownership and future use of the donated material.
16		<u>g.</u>	The average cost of public and private umbilical cord blood banking.
17	<u>2.</u>	As necessary, the department shall update the pamphlet prepared under this section.	
18	<u>3.</u>	The department shall make the pamphlet available on the department's website and	
19		<u>upo</u>	n request, the department shall distribute the pamphlet at no charge.
20	<u>4.</u>	A ho	ospital that treats a patient during the delivery of her child shall permit her to
21		arra	inge for an umbilical cord blood donation as provided under section 23-16-15.
22	<u>5.</u>	For purposes of this section, "umbilical cord blood" means the blood that remains in	
23		the	umbilical cord and placenta after the birth of a newborn child.
