SECTION 11. AMENDMENT. Section 39-20-01 of the North Dakota Century Code is amended and reenacted as follows:

39-20-01. Implied consent to determine alcohol concentration and presence of drugs.

1. Any individual who operates a motor vehicle on a highway or on public or private areas to which the public has a right of access for vehicular use in this state is deemed to have given consent, and shall consent, subject to the provisions of this chapter, to a chemical test, or tests, of the blood, breath, or urine for the purpose of determining the alcohol concentration or presence of other drugs, or combination thereof, in the individual's blood, breath, or urine. As used in this chapter, the word "drug" means any drug or substance or combination of drugs or substances which renders an individual incapable of safely driving, and the words "chemical test" or "chemical analysis" mean any test to determine the alcohol concentration or presence of other drugs, or combination thereof, in the individual's blood, breath, or urine, approved by the director of the state crime laboratory or the director's designee under this chapter.
2. The test or tests must be administered at the direction of a law enforcement officer only after placing the individual, except individuals mentioned in section 39-20-03, under arrest and informing that individual that the individual is or will be charged with the offense of driving or being in actual physical control of a vehicle upon the public highways while under the influence of intoxicating liquor, drugs, or a combination thereof. The law enforcement officer shall mail a notice to the parent or legal guardian of the minor within ten days after the test results are received or within ten days after the minor is taken into custody if the minor refuses to submit to testing. The notice must contain a statement of the test performed and the results of that test; or if the minor refuses to submit to the testing, a statement notifying of that fact. The attempt to contact or the contacting or notification of a parent or legal guardian is not a precondition to the admissibility of chemical test results or the finding of a consent to, or refusal of, chemical testing by the individual in custody.

SECTION 12. AMENDMENT. Section 39-20-01.1 of the North Dakota Century Code is amended and reenacted as follows:

3. If the driver refuses to submit to a chemical test or tests of the driver's blood, breath, or urine and exigent circumstances are not present, the law enforcement officer shall request a search warrant to compel the driver to submit to a chemical test or tests of the driver's blood, breath, or urine to determine the alcohol concentration or the presence of other drugs or substances, or both.
4. The approved methods of the director of the state crime laboratory or the director's designee must be followed in collecting and preserving a sample of the driver's blood, breath, or urine and conducting a chemical test or tests to determine the alcohol concentration or the presence of other drugs, or substances, or both.

SECTION 13. AMENDMENT. Section 39-20-03.1 of the North Dakota Century Code is amended and reenacted as follows:

39-20-03.1. Action following test result for a resident operator.

If a person submits to a test under section 39-20-01, 39-20-02, or 39-20-03 and the test shows that person to have an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to a person under

twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight at the time of the performance of a chemical test within two hours after the driving or being in actual physical control of a vehicle, the following procedures apply:

1. The law enforcement officer shall immediately issue to that person a temporary operator's permit if the person then has valid operating privileges, extending driving privileges for the next twenty-five days, or until earlier terminated by the decision of a hearing officer under section 39-20-05. The law enforcement officer shall sign and note the date on the temporary operator's permit. The temporary operator's permit serves as the director's official notification to the person of the director's intent to revoke, suspend, or deny driving privileges in this state.
2. If a test administered under section 39-20-01 or 39-20-03 was by urine sample or by drawing blood as provided in section 39-20-02 and the individual tested is not a resident of an area in which the law enforcement officer has jurisdiction, the law enforcement officer shall, on receiving the analysis of the urine or blood from the director of the state crime laboratory or the director's designee and if the analysis shows that individual had an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to an individual under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight, either proceed in accordance with subsection 1 during that individual's reappearance within the officer's jurisdiction, proceed in accordance with subsection 3, or notify a law enforcement agency having jurisdiction where the individual lives. On that notification, that law enforcement agency shall, within twenty-four hours, forward a copy of the temporary operator's permit to the law enforcement agency making the arrest or to the director. The law enforcement agency shall issue to that individual a temporary operator's permit as provided in this section, and shall sign and date the permit as provided in subsection 1.
3. If the test results indicate an alcohol concentration at or above the legal limit, the law enforcement agency making the arrest may mail a temporary operator's permit to the individual who submitted to the blood or urine test, whether or not the individual is a resident of the area in which the law enforcement officer has jurisdiction. The third day after the mailing of the temporary operator's permit is considered the date of issuance. Actual notice of the opportunity for a hearing under this section is deemed to have occurred seventy-two hours after the notice is mailed by regular mail to the address submitted by the individual to the law enforcement officer. The temporary operator's permit serves as the director's official notification to the individual of the director's intent to revoke, suspend, or deny driving privileges in this state.
4. The law enforcement officer, within five days of the issuance of the temporary operator's permit, shall forward to the director a certified written report in the form required by the director. If the individual was issued a temporary operator's permit because of the results of a test, the report must show that the officer had reasonable grounds to believe the individual had been driving or was in actual physical control of a motor vehicle while in violation of section 39-08-01, or equivalent ordinance, that the individual was lawfully arrested, that the individual was tested for alcohol concentration under this chapter, and that the results of the test show that the individual had an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to an individual under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight. In addition to the operator's license and report, the law enforcement officer shall forward to the director a certified copy of the operational checklist and test records of a breath test and a copy of the certified copy of the analytical report for a blood or urine test for all tests administered at the direction of the officer.

5. An individual charged with a violation of section 39-08-01 or equivalent ordinance may elect to participate in the twenty-four seven sobriety program under chapter 54-12 in lieu of the administrative hearing under this chapter if the individual's driver's license is not subject to an unrelated suspension or revocation. Notwithstanding any other provision of law, an individual may not receive a temporary restricted operator's license until after fourteen days after the administrative hearing on the offense under this chapter has been waived or held, or after fourteen days of the final appeal, whichever is longer. The director shall issue a temporary restricted driver's license with the restriction the individual participate in the twenty-four seven sobriety program upon application by the individual with submission of proof of financial responsibility and proof of participation in the twenty-four seven sobriety program under chapter 54-12.

SECTION 14. AMENDMENT. Section 39-20-04 of the North Dakota Century Code is amended and reenacted as follows:

39-20-04. Revocation of privilege to drive motor vehicle upon refusal to submit to testing.

1. If a person refuses to submit to testing under section 39-20-01 or 39-20-14, none may be given, but the law enforcement officer shall immediately take possession of the person's operator's license if it is then available and shall immediately issue to that person a temporary operator's permit, if the person then has valid operating privileges, extending driving privileges for the next twenty-five days or until earlier terminated by a decision of a hearing officer under section 39-20-05. The law enforcement officer shall sign and note the date on the temporary operator's permit. The temporary operator's permit serves as the director's official notification to the person of the director's intent to revoke driving privileges in this state and of the hearing procedures under this chapter. The director, upon the receipt of that person's operator's license and a certified written report of the law enforcement officer in the form required by the director, forwarded by the officer within five days after issuing the temporary operator's permit, showing that the officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while in violation of section 39-08-01 or equivalent ordinance or, for purposes of section 39-20-14, had reason to believe that the person committed a moving traffic violation or was involved in a traffic accident as a driver, and in conjunction with the violation or accident the officer has, through the officer's observations, formulated an opinion that the person's body contains alcohol, that the person was lawfully arrested if applicable, and that the person had refused to submit to the test or tests under section 39-20-01 or 39-20-14, shall revoke that person's license or permit to drive and any nonresident operating privilege for the appropriate period under this section, or if the person is a resident without a license or a permit to operate a motor vehicle in this state, the director shall deny to the person the issuance of a license or permit for the appropriate period under this section after the date of the alleged violation, subject to the opportunity for a pre revocation hearing and post revocation review as provided in this chapter. In the revocation of the person's operator's license the director shall give credit for time in which the person was without an operator's license after the day of the person's refusal to submit to the test except that the director may not give credit for time in which the person retained driving privileges through a temporary operator's permit issued under this section or section 39-20-03.2. The period of revocation or denial of issuance of a license or permit under this section is:
 - a. One year~~hundred eighty days~~ if the person's driving record shows that within the ~~five~~seven years preceding the most recent violation of this section, the person's operator's license has not previously been

- suspended, revoked, or issuance denied for a violation of this chapter or section 39-08-01 or equivalent ordinance.
- b. ~~Three~~Two years if the person's driving record shows that within the ~~five~~seven years preceding the most recent violation of this section, the person's operator's license has been once previously suspended, revoked, or issuance denied for a violation of this chapter or section 39-08-01 or equivalent ordinance.
 - c. ~~Four~~Three years if the person's driving record shows that within the ~~five~~seven years preceding the most recent violation of this section, the person's operator's license has at least twice previously been suspended, revoked, or issuance denied under this chapter, or for a violation of section 39-08-01 or equivalent ordinance, or any combination of the same, and the suspensions, revocations, or denials resulted from at least two separate arrests.
2. A person's driving privileges are not subject to revocation under subdivision a of subsection 1 if all of the following criteria are met:
 - a. An administrative hearing is not held under section 39-20-05;
 - b. The person mails an affidavit to the director within twenty-five days after the temporary operator's permit is issued. The affidavit must state that the person:

 - (2) Agrees that the person's driving privileges must be suspended as provided under section 39-06.1-10;
 - (3) Acknowledges the right to a section 39-20-05 administrative hearing and section 39-20-06 judicial review and voluntarily and knowingly waives these rights; and
 - (4) Agrees that the person's driving privileges must be revoked as provided under this section without an administrative hearing or judicial review, if the person does not plead guilty within twenty-five days after the temporary operator's permit is issued, or the court does not accept the guilty plea, or the guilty plea is withdrawn;
 - c. The person pleads guilty to violating section 39-08-01 or equivalent ordinance within twenty-five days after the temporary operator's permit is issued;
 - d. The court accepts the person's guilty plea and a notice of that fact is mailed to the director within twenty-five days after the temporary operator's permit is issued; and

39-20-04.1. Administrative sanction for driving or being in physical control of a vehicle while having certain alcohol concentration.

1. After the receipt of the certified report of a law enforcement officer and if no written request for hearing has been received from the arrested person under section 39-20-05, or if that hearing is requested and the findings, conclusion, and decision from the hearing confirm that the law enforcement officer had reasonable grounds to arrest the person and test results show that the arrested person was driving or in physical control of a vehicle while having an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to a person under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight at the time of the performance of a test within two hours after driving or being in physical control of a motor vehicle, the director shall suspend the person's driving privileges as follows:
 - a. For ninety-one days if the person's driving record shows that, within the ~~five~~seven years preceding the date of the arrest, the person has not previously violated section 39-08-01 or equivalent ordinance or the person's operator's license has not previously been suspended or revoked under this chapter and the violation was for an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to a person under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight, and under eighteen one-hundredths of one percent by weight.
 - b. For one hundred eighty days if the operator's record shows the person has not violated section 39-08-01 or equivalent ordinance within ~~five~~the seven years preceding the last violation and the last violation was for an alcohol concentration of at least eighteen one-hundredths of one percent by weight.
 - c. For three hundred sixty-five days if the person's driving record shows that, within the ~~five~~seven years preceding the date of the arrest, the person has once previously violated section 39-08-01 or equivalent ordinance or the person's operator's license has once previously been suspended or revoked under this chapter with the last violation or suspension for an alcohol concentration under eighteen one-hundredths of one percent by weight.
 - d. For two years if the person's driving record shows that within the ~~five~~seven years preceding the date of the arrest, the person's operator's license has once been suspended, revoked, or issuance denied under this chapter, or for a violation of section 39-08-01 or equivalent ordinance, with the last violation or suspension for an alcohol concentration of at least eighteen one-hundredths of one percent by weight or if the person's driving record shows that within the ~~five~~seven years preceding the date of arrest, the person's operator's license has at least twice previously been suspended, revoked, or issuance denied under this chapter, or for a violation of section 39-08-01 or equivalent ordinance, or any combination thereof, and the suspensions, revocations, or denials resulted from at least two separate arrests with the last violation or suspension for an alcohol concentration of under eighteen one-hundredths of one percent by weight.
 - e. For three years if the operator's record shows that within ~~five~~the seven years preceding the date of the arrest, the person's operator's license has at least twice previously been suspended, revoked, or issuance denied under this chapter, or for a violation of section

39-08-01 or equivalent ordinance, or any combination thereof, and the suspensions, revocations, or denials resulted from at least two separate arrests and the last violation or suspension was for an alcohol concentration of at least eighteen one-hundredths of one percent by weight.

2. In the suspension of the person's operator's license the director shall give credit for the time the person was without an operator's license after the day of the offense, except that the director may not give credit for the time the person retained driving privileges through a temporary operator's permit issued under section 39-20-03.1 or 39-20-03.2.

SECTION 16. AMENDMENT. Section 39-20-05 of the North Dakota Century Code is amended and reenacted as follows:

39-20-05. Administrative hearing on request - Election to participate in the twenty-four seven sobriety program.

1. Before issuing an order of suspension, revocation, or denial under section 39-20-04 or 39-20-04.1, the director shall afford that person an opportunity for a hearing if the person mails or communicates by other means authorized by the director a request for the hearing to the director within ten days after the date of issuance of the temporary operator's permit. Upon completion of the hearing, an individual may elect to participate in the twenty-four seven sobriety program under chapter 54-12. The hearing must be held within thirty days after the date of issuance of the temporary operator's permit. If no hearing is requested within the time limits in this section, and no affidavit is submitted within the time limits under subsection 2 of section 39-20-04, and if the individual has not provided the director with written notice of election to participate in the twenty-four seven sobriety program under chapter 54-12, the expiration of the temporary operator's permit serves as the director's official notification to the person of the revocation, suspension, or denial of driving privileges in this state.
2. If the issue to be determined by the hearing concerns license suspension for operating a motor vehicle while having an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to an individual under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight, the hearing must be before a hearing officer assigned by the director and at a time and place designated by the director. The hearing must be recorded and its scope may cover only the issues of whether the arresting officer had reasonable grounds to believe the individual had been driving or was in actual physical control of a vehicle in violation of section 39-08-01 or equivalent ordinance or, with respect to an individual under twenty-one years of age, the individual had been driving or was in actual physical control of a vehicle while having an alcohol concentration of at least two one-hundredths of one percent by weight; whether the individual was placed under arrest, unless the individual was under twenty-one years of age and the alcohol concentration was less than eight one-hundredths of one percent by weight, then arrest is not required and is not an issue under any provision of this chapter; whether the individual was tested in accordance with section 39-20-01 or 39-20-03 and, if applicable, section 39-20-02; and whether the test results show the individual had an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to an individual under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight. For purposes of this section, a copy of a certified copy of an analytical report of a blood or urine sample from the director of the state crime laboratory or the director's designee, or electronically posted by the director of the state crime laboratory or the director's designee on the crime laboratory information management system and certified by a law enforcement officer or individual who has authorized access to the crime laboratory management system through the criminal justice data

- information sharing system or a certified copy of the checklist and test records from a certified breath test operator, and a copy of a certified copy of a certificate of the director of the state crime laboratory designating the director's designees. establish prima facie the alcohol concentration or the presence of drugs, or a combination thereof, shown therein. Whether the individual was informed that the privilege to drive might be suspended based on the results of the test is not an issue.
3. If the issue to be determined by the hearing concerns license revocation for refusing to submit to a test under section 39-20-01 or 39-20-14, the hearing must be before a hearing officer assigned by the director at a time and place designated by the director. The hearing must be recorded. The scope of a hearing for refusing to submit to a test under section 39-20-01 may cover only the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a vehicle in violation of section 39-08-01 or equivalent ordinance or, with respect to a person under twenty-one years of age, the person had been driving or was in actual physical control of a vehicle while having an alcohol concentration of at least two one-hundredths of one percent by weight; whether the person was placed under arrest; and whether that person refused to submit to the test or tests. The scope of a hearing for refusing to submit to a test under section 39-20-14 may cover only the issues of whether the law enforcement officer had reason to believe the person committed a moving traffic violation or was involved in a traffic accident as a driver, whether in conjunction with the violation or the accident the officer has, through the officer's observations, formulated an opinion that the person's body contains alcohol and, whether the person refused to submit to the onsite screening test. Whether the person was informed that the privilege to drive would be revoked or denied for refusal to submit to the test or tests is not an issue.
 4. At a hearing under this section, the regularly kept records of the director and state crime laboratory may be introduced. Those records establish prima facie their contents without further foundation. For purposes of this chapter, the following are deemed regularly kept records of the director and state crime laboratory:
 - a. Any copy of a certified copy of an analytical report of a blood or urine sample received by the director from the director of the state crime laboratory or the director's designee or electronically posted by the director of the state crime laboratory or the director's designee on the crime laboratory information management system and certified by, and received from, a law enforcement officer or an individual who has authorized access to the crime laboratory management system through the criminal justice data information sharing system, or a certified copy of the checklist and test records received by the director from a certified breath test operator; and
 - b. Any copy of a certified copy of a certificate of the director of the state crime laboratory or the director's designee relating to approved methods, devices, operators, materials, and checklists used for testing for alcohol concentration or the presence of drugs received by the director from the director of the state crime laboratory or the director's designee, or that have been electronically posted with the state crime laboratory division of the attorney general at the attorney general website; and
 - c. Any copy of a certified copy of a certificate of the director of the state crime laboratory designating the director's designees.
 5. At the close of the hearing, the hearing officer shall notify the person of the hearing officer's findings of fact, conclusions of law, and decision based on the findings and conclusions and shall immediately deliver to the person a copy of the decision. If the hearing officer does not find in

favor of the person, the copy of the decision serves as the director's official notification to the person of the revocation, suspension, or denial of driving privileges in this state. If the hearing officer finds, based on a preponderance of the evidence, that the person refused a test under section 39-20-01 or 39-20-14 or that the person had an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to a person under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight, the hearing officer shall immediately take possession of the person's temporary operator's permit issued under this chapter. If the hearing officer does not find against the person, the hearing officer shall sign, date, and mark on the person's permit an extension of driving privileges for the next twenty days and shall return the permit to the person. The hearing officer shall report the findings, conclusions, and decisions to the director within ten days of the conclusion of the hearing. If the hearing officer has determined in favor of the person, the director shall return the person's operator's license by regular mail to the address on file with the director under section 39-06-20.

- (1) The numerator is the federal adjusted gross income allocable and apportionable to this state; and

The adjustment provided by this subdivision is allowed only to the extent the net long-term capital gain is allocated to this state.
- (2) ~~The qualified dividend income that is taxed at the same rate as long-term capital gain for federal income tax purposes under Internal Revenue Code provisions in effect on December 31, 2008. Qualified dividends as defined under Internal Revenue Code section 1(h)(11), added by section 302(a) of the Jobs and Growth Tax Relief Reconciliation Act of 2003 [Pub. L. 108-27; 117 Stat. 752; 2 U.S.C. 963 et seq.], but only if taxed at a federal income tax rate that is lower than the regular federal income tax rates applicable to ordinary income. If, for any taxable year, qualified dividends are taxed at the regular federal income tax rates applicable to ordinary income, the reduction allowed under this subdivision is equal to twenty percent of all dividends included in federal taxable income. The adjustment provided by this subdivision is allowed only to the extent the qualified dividend income is allocated to this state.~~
