"SECTION 1. Section 57-02-08.9 of the North Dakota Century Code is created and enacted as follows:

57-02-08.9. Residential property tax credit - Certification - Distribution.

1. An individual is entitled to receive a reduction of one thousand one hundred twenty-five dollars or fifty percent, whichever is less, of the taxable valuation of the individual's primary residence as provided in this section. A reduction under this section applies regardless of whether the individual is the head of a family. If an individual is entitled to a reduction in taxable valuation under this section and section 57-02-08.1 or 57-02-08.8, any reduction under this section must be applied first and then any reduction under sections 57-02-08.1 and 57-02-08.8 must be applied. The reduction under this section, alone or in combination with any other reduction allowed by law, may not exceed the taxable valuation of the primary residence.
2. An estate, trust, corporation, or passthrough entity that owns residential property used as part of a farming or ranching operation is entitled to a reduction as provided in subsection 1 if that residential property is occupied as a primary residence, as of the assessment date of the taxable year, by an individual who is a beneficiary of the estate or trust or who holds an ownership interest in the corporation or passthrough entity. Either the occupant or the entity that owns the residence may be the applicant for purposes of this subsection. An estate, trust, corporation, or passthrough entity may not claim a reduction for more than one property under this section.

3. The reduction under this section continues to apply if the individual does not reside in the primary residence if the individual's absence is due to confinement in a nursing home, hospital, or other care facility, for as long as that confinement lasts and the portion of the primary residence previously occupied by the individual is not rented to another individual.
4. Individuals residing together, as spouses or when one or more is a dependent of another, are entitled to only one reduction between or among them under this section. Individuals residing together, who are not spouses or dependents, who are coowners of the property are each entitled to a percentage of a full reduction under this section equal to their ownership interests in the property.
5. To claim the reduction under this section, an applicant must sign and file with the assessor, by March first of the year for which a reduction is claimed, a claim form containing a verified statement of facts establishing the applicant's eligibility as of February first of that year.
6. The assessor shall attach the statement filed under subsection 5 to the assessment sheet and shall show the reduction on the assessment sheet.
7. All forms necessary to effectuate this section must be prescribed, designed, and made available by the tax commissioner. Claim forms must include the full name, address, and social security or taxpayer identification number of the applicant, and any other information prescribed by the tax commissioner. The tax commissioner shall include on claim forms a statement to the effect that the applicant, by signing, declares the application to be true, correct, and complete and subject to the penalties under section 12.1-11-02 for making a false statement in a governmental matter. The county director of tax equalization shall make these forms available to applicants upon request.
8. A social security or taxpayer identification number contained in any form under this section is confidential and may be disclosed only to county officers, the tax commissioner, or a court and only for purposes of administering this section. A county officer, the tax commissioner, or a court in possession of a form or other document under this section shall delete or obscure any social security or taxpayer identification number on any copy of the form or other document released to the public.
9. A reduction under this section terminates at the end of the taxable year for which the application was approved. A reduction under this section is effective for the entire taxable year for which the application was approved, without regard to any change of ownership of the residence which occurs after the assessment date.
10. If any applicant is found to have claimed a reduction under this section for more than one primary residence for the same taxable year, all reductions under this section for that applicant for that taxable year and the ensuing two taxable years must be canceled. If an applicant received a reduction that is canceled under this section, the auditor of the county in which such property is located shall enter the amount of the canceled reduction as omitted property on the assessment roll of property that has escaped taxation.
11. Determinations concerning eligibility for a reduction under this section may be appealed through the informal equalization process and formal abatement process.
12. This section does not reduce the liability of any individual for special assessments levied upon any property.
13. For the purposes of this section:

- a. "Dependent" has the same meaning it has for federal income tax purposes.
 - b. "Owned" means the applicant holds a present ownership interest, including ownership in fee simple, holding a present life estate or other terminable present ownership interest, or being a purchaser under a contract for deed, but does not include a mere right of occupancy or a tenancy under a lease.
 - c. "Primary residence", for purposes of a residential property taxable valuation reduction under this section, means a dwelling in this state owned and occupied by the applicant as that applicant's primary residence as of the assessment date of the taxable year and which is not exempt from property taxes as a farm residence.
14. Before April first of each year, the county auditor of each county shall certify to the tax commissioner, on forms prescribed by the tax commissioner, the full name, address, and social security or taxpayer identification number of each individual or entity for whom the reduction under this section was allowed for the preceding year, the legal description of the property, the taxable value of the property, the dollar amount of each reduction in taxable value allowed, and the total of the tax mill rates for the preceding year of all taxing districts in which the property was contained, exclusive of any state mill rates, and any other information prescribed by the tax commissioner.
 15. By June first of each year, the tax commissioner shall review the certifications under subsection 14, make any required corrections, and certify to the state treasurer for payment to each county the sum of the amounts computed by multiplying the reduction allowed for each qualifying primary residence in the county for the preceding year by the total of the tax mill rates for the preceding year of all taxing districts in which the property was contained. In reviewing certifications, the tax commissioner may refer to any income tax return information or other information available to the tax commissioner.
 16. Upon receipt of the payment from the state treasurer, the county treasurer shall apportion and distribute it without delay to the county and to the taxing districts of the county on the same basis the general real estate tax for the preceding year is apportioned and distributed.
 17. The tax commissioner shall certify annually to the state treasurer for deposit in the state medical center fund the amount computed by multiplying one mill times the reduction allowed under this section for the preceding year for all primary residences in the state.
 18. Supplemental certifications by the county auditor and the tax commissioner and supplemental payments by the state treasurer may be made after the dates prescribed in this section to make any corrections necessary because of errors or approval of any application for equalization or abatement filed by an individual or entity because all or part of the reduction under this section was not allowed."

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

State policy - Discrimination based on sexual orientation.

It is the policy of the state of North Dakota that this state does not condone discrimination on the basis of sexual orientation. Sexual orientation means actual heterosexuality, bisexuality, or homosexuality. This section does not:

1. Create a right to a cause of action for damages for a claim of discrimination on the basis of sexual orientation;
2. Create any rights or protections with respect to discrimination on the basis of sexual orientation; or
3. Amend or change state personnel policies, contracting policies, or other law or policy related to state action.

1. "Age" insofar as it refers to any prohibited unfair employment or other practice means at least ~~forty~~forty-five years of age.

SECTION 3. AMENDMENT. Section 14-02.4-20 of the North Dakota Century Code is amended and reenacted as follows:

14-02.4-20. Relief.

If the department, as the result of an administrative hearing, or the court determines that the respondent has engaged in or is engaging in a discriminatory practice, the department or the court may enjoin the respondent from engaging in the unlawful practice and order temporary or permanent injunctions, equitable relief, and backpay limited to no more than ~~two years~~one year from the date a minimally sufficient complaint was filed with the department or the court. Neither the department nor an administrative hearing officer may order compensatory or punitive damages under this chapter. Interim earnings or amounts earnable with reasonable diligence by the person discriminated against reduce the backpay otherwise allowable. In any action or proceeding under this chapter, the court may grant the prevailing party a reasonable attorney's fee as part of the costs. If the court finds that the complainant's allegation of a discriminatory practice is false and not made in good faith, the court shall order the complainant to pay court costs and reasonable attorney's fees incurred by the respondent in responding to the allegation."

Notwithstanding any authority granted under this chapter, all property must be assessed in a uniform manner as prescribed by the state board of equalization and the state supervisor of assessments and all taxable property must be taxed by the county at the same rate unless otherwise provided by law. A charter or ordinance or act of a governing body of a home rule county may not supersede any state law that determines what property or acts are subject to, or exempt from, ad valorem taxes. A charter or ordinance or act of the governing body of a home rule county may not supersede section 11-11-55.1 relating to the sixty percent petition requirement for improvements and of section 40-22-18 relating to the barring proceeding for improvement projects. After ~~December 31, 2005~~ June 30, 2013, sales and use taxes, farm machinery gross receipts taxes, and alcoholic beverage gross receipts taxes levied under this chapter:

- a. Must conform in all respects with regard to the taxable or exempt status of items under chapters 57-39.2, 57-39.5, 57-39.6, and 57-40.2 and may not be imposed at multiple rates with the exception of sales of fuel used to power motor vehicles, aircraft, locomotives, or watercraft, or to electricity, piped natural or artificial gas, or other fuels delivered by the seller or the retail sale or transfer of motor vehicles, aircraft, watercraft, modular homes, manufactured homes, or mobile homes.
- b. May not be newly imposed or changed except to be effective on the first day of a calendar quarterly period after a minimum of ninety days' notice to the tax commissioner or, for purchases from printed catalogs, on the first day of a calendar quarter after a minimum of one hundred twenty days' notice to the seller.
- c. May not be limited to apply to less than the full value of the transaction or item as determined for state sales and use tax, except for farm machinery gross receipts tax purposes.
- d. Must be subject to collection by the tax commissioner under an agreement under section 57-01-02.1 and must be administered by the tax commissioner in accordance with the relevant provisions of chapter 57-39.2, including reporting and paying requirements, correction of errors, payment of refunds, and application of penalty and interest.
- e. May not be placed on the ballot for approval of a tax to be imposed after June 30, 2013, at a rate that, in combination with the rate of tax to be imposed by a city, would make the consolidated rate of county and city taxes more than two percent in any part of the county.

After December 31, 2005, any portion of a charter or any portion of an ordinance or act of a governing body of a home rule county passed pursuant to a charter which does not conform to the requirements of this subsection is invalid to the extent that it does not conform. The invalidity of a portion of a charter or ordinance or act of a governing body of a home rule county because it does not conform to this subsection does not affect the validity of any other portion of the charter or ordinance or act of a governing body of a home rule county or the eligibility for a refund under section 57-01-02.1. Any taxes imposed under this chapter on farm machinery, farm irrigation equipment, and farm machinery repair parts used exclusively for agricultural purposes, or on alcoholic beverages,

which were in effect on December 31, 2005, become gross receipts taxes after December 31, 2005.
