PROPOSED AMENDMENTS TO SENATE BILL NO. 2250

Page 1, line 1, after "A BILL" replace the remainder of the bill with "for an Act to create and enact a new section to chapter 23-12 of the North Dakota Century Code, relating to participation in the health information organization.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. A new section to chapter 23-12 of the North Dakota Century Code is created and enacted as follows:

<u>Voluntary participation in the health information organization - Prohibition</u> <u>on withholding care or benefits.</u>

- <u>1.</u> <u>As used in this section:</u>
 - a. <u>"Health information organization" means the health information</u> exchange created under chapter 54-59.
 - b. <u>"Individually identifiable health information" has the meaning set forth</u> in title 45, Code of Federal Regulations, section 160.103.
- 2. An individual may opt-out of participating in the health information organization by providing notice to the organization. If an individual chooses to opt-out of participating in the health information organization, the individual's individually identifiable health information may not be accessed by search by a health insurer, government health plan, or health care provider other than the provider who originally created or ordered the creation of the individually identifiable health information.
- 3. In opting out of participating in the health information organization under this section, the individual must have the option of:
 - <u>a.</u> Opting out of participating; or
 - b. Conditionally opting out, in which case the accessibility of the individual's individually identifiable health information is limited to access by a health care provider who determines access is required by a medical emergency.
- <u>4.</u> <u>An individual's decision to opt-out of participating in the health information</u> <u>organization:</u>
 - a. <u>May be changed at any time by the individual by providing written</u> notice to the health information organization.
 - b. Does not prohibit use or disclosure of individually identifiable health information which is required by law.

5. A health care provider, health insurer, or government health plan may not withhold coverage or care from an individual nor may a health insurer deny an individual a health insurance benefit plan based solely on that individual's choice to participate or to opt-out of the health information organization."
