- 2 relating to setbacks for oil and gas wells.

3 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

4 **SECTION 1. AMENDMENT.** Section 38-08-05 of the North Dakota Century Code is amended and reenacted as follows:

38-08-05. Drilling permit required.

- 1. It is unlawful to A person may not commence operations for the drilling of a well for oil or gas without first obtaining a permit from the industrial commission under such rules as may be prescribed adopted by the commission and paying to the commission a fee for each such well in an amount to be prescribed determined by the commission. The applicant shall provide notice to the owner of any permanently occupied dwelling located within one-quarter mileone thousand three hundred twenty feet [402.34 meters] of the proposed oil or gas well.
- 2. Unless waived by the owner or if the commission determines that the well location is reasonably necessary to prevent waste or to protect correlative rights, the commission may not issue a drilling permit for an oil or gas well that will be located within five hundred feet [152.4 meters] of an occupied dwelling. If the commission issues a drilling permit for a location within five hundredone thousand feet [152.4300.48 meters] of an occupied dwelling, the commission may impose such conditions on the permit as:
 - a. For wells permitted on new pads built after July 31, 2013, the conditions imposed under this subdivision may include, upon request of the landowner owner of the permanently occupied dwelling, requiring that the location of all flares, tanks, and treaters utilized in connection with the permitted well be located at a greater
