¹Funding is added due to a calculation error in the executive compensation package.

²Funding of \$620 million for road construction and maintenance funding is removed. Senate Bill No. 2176, as previously passed by the Legislative Assembly in 2013, contains \$620 million of road construction and maintenance funding. Section 6 of the bill, which transfers \$620 million from the general fund to the highway fund during the 2011-13 biennium, is also removed.

³Funding from the highway-rail grade crossing safety fund is appropriated to continue projects for which funding was obligated prior to January 1, 2013. A section is also added to provide guidelines for the use of the funds.

⁴Funding is provided for contingent transfers from the general fund to the public transportation fund. The transfers are contingent upon deposits from the highway tax distribution fund into the public transportation fund being \$5 million or less during state fiscal years 2013 and 2014.

⁵Funding of \$6.2 million from the general fund is added to defray the expenses of a general license plate issue. An exemption is provided for the funding to allow the department to use any unexpended 2013-15 biennium appropriations related to the license plate issue in the 2015-17 biennium. A section is also added to amend Section 39-04-09 to require the Director of the Department of Transportation to make a general license plate issue during the 2013-15 and 2015-17 bienniums.

⁶Funding of \$27 million from the strategic investment and improvements fund is appropriated to the department for a county and township bridge reconstruction program. A section is also added to provide guidelines for the program.

This amendment also:

- Adjusts subsection 8 of Section 4 regarding the county and township road reconstruction program in areas affected by energy development to allow funds to be used on construction costs incurred as of January 1, 2013.
- Adds a section to amend Section 39-02-03 regarding fees charged by Department of Transportation motor vehicle branch offices.
- Adds a section to continue unexpended 2011-13 biennium appropriations from the state disaster relief fund into the 2013-15 biennium for Devils Lake road grade raising projects.
