## FIRST ENGROSSMENT

Sixty-fourth Legislative Assembly of North Dakota

#### **ENGROSSED HOUSE BILL NO. 1089**

Introduced by

Representatives Owens, Sanford, Streyle, Nathe

Senators Laffen, Campbell

- 1 A BILL for an Act to create and enact a new section to chapter 57-39.2 of the North Dakota
- 2 Century Code, relating to a sales tax exemption for enterprise information technology
- 3 equipment and computer software purchased for use in a qualified data center; to provide for a
- 4 retroactive effective date; and to provide an expiration date.

### 5 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

6 **SECTION 1.** A new section to chapter 57-39.2 of the North Dakota Century Code is created 7 and enacted as follows:

# 8 Sales and use tax exemption for enterprise information technology equipment and

### 9 computer software used in a qualified data center.

- 10 <u>1.</u> <u>Gross receipts from sales of enterprise information technology equipment and</u>
- 11 <u>computer software purchased for use by a qualifying business in a qualified data</u>
- 12 <u>center are exempt from the tax imposed by this chapter. To qualify for the exemption,</u>
- 13 the enterprise information technology equipment or computer software must be
- 14 incorporated into or physically located within the qualified data center. Purchases of
- upgraded or replacement enterprise information technology equipment and computer
  software for use in a qualified data center are also exempt.
- 17 2. The future owner of a proposed data center must apply to the tax commissioner to be
  18 certified as a qualified data center. The exemption provided in this section is limited to
- 19 the first four facilities approved by the tax commissioner as qualified data centers.
- 20 <u>Applications must be processed in the order received by the tax commissioner. An</u>
- 21 applicant must respond to a request for additional information from the tax
- 22 <u>commissioner within thirty days of the request or the application may no longer be</u>
  23 considered.

Sixty-fourth Legislative Assembly

1	<u>3.</u>	To receive the exemption at the time of purchase, the qualified business must receive							
2		fror	n the	tax commissioner a certificate that the enterprise information technology					
3		<u>equ</u>	iipme	nt or computer software which the qualified business intends to purchase					
4		qualifies for the exemption. If a certificate is not received before the purchase, the							
5		<u>qua</u>	lified	business must pay the applicable tax imposed by this chapter and apply to					
6		<u>the</u>	tax c	ommissioner for a refund.					
7	<u>4.</u>	If the enterprise information technology equipment is purchased or installed by a							
8		contractor subject to the tax imposed by this chapter, the qualified business may							
9		for a refund of the difference between the amount remitted by the contractor and the							
10		<u>exe</u>	exemption imposed or allowed by this section. Application for a refund must be made						
11		at the times and in the manner directed by the tax commissioner and must include							
12		sufficient information to permit the tax commissioner to verify the sales and use taxes							
13		paid and the exempt status of the sale or use.							
14	<u>5.</u>	For purposes of this section:							
15		<u>a.</u>	<u>"Co</u>	mputer software" includes software used or loaded at a qualified data center,					
16			<u>soft</u>	ware maintenance, software licensing, and software customization.					
17		<u>b.</u>	<u>"En</u>	terprise information technology equipment" includes:					
18			<u>(1)</u>	Computer hardware, servers, routers, cooling systems, and cooling towers.					
19			<u>(2)</u>	Temperature control infrastructure and power infrastructure used for					
20				transformation, distribution, or management of electricity used for the					
21				maintenance and operation of a qualified data center.					
22			<u>(3)</u>	Exterior dedicated business-owned substations, backup power generation					
23				systems, battery systems, or other related infrastructure.					
24			<u>(4)</u>	Racking systems, raised flooring, cabling, or trays necessary for the					
25				maintenance and operation of a qualified data center.					
26		<u>C.</u>	<u>"Qu</u>	alified business" means the owner, operator, or tenants of a qualified data					
27			<u>cen</u>	ter.					
28		<u>d.</u>	d. "Qualified data center" means a newly constructed or substantially refurbished						
29		facility located in this state:							
30			<u>(1)</u>	Comprised of one or more buildings consisting of an aggregate amount of					
31				sixteen thousand square feet [1486 square meters] or more;					

1			<u>(2)</u>	Loca	ted on a single parcel or on contiguous parcels;				
2			<u>(3)</u>	<u>On v</u>	which construction is completed or which is substantially refurbished				
3				<u>after</u>	December 31, 2014;				
4			<u>(4)</u>	<u>Havi</u>	ng the following attributes:				
5				<u>(a)</u>	Uninterrupted power supplies, generator backup, or both;				
6				<u>(b)</u>	Sophisticated fire suppression and prevention systems; and				
7				<u>(c)</u>	Enhanced security with security features including permanent security				
8					guards; video camera surveillance; an electronic system requiring				
9					pass codes, key cards, or biometric scans such as hand scans or				
10					retinal or fingerprint recognition to restrict access to selected				
11					personnel; or other similar security features; and				
12			<u>(5)</u>	<u>Certi</u>	fied by the tax commissioner as a qualified data center.				
13		<u>e.</u>	<u>"Su</u>	<u>bstant</u>	ially refurbished" means a data center used to house enterprise				
14			<u>info</u>	rmatio	n technology equipment in which sixteen thousand square feet [1486				
15			<u>squ</u>	are m	eters] or more has been rebuilt, modified, or improved through methods				
16			inclu	uding	energy efficiency improvements, building improvements, and the				
17			inst	allatio	n of enterprise information technology equipment, environmental				
18			<u>con</u>	trols, a	and computer software.				
19	<u>6.</u>	<u>In c</u>	n determining the total square footage of a qualified data center, the square footage						
20		<u>of c</u>	office	space.	meeting space, mechanical space, and other support facility spaces				
21		<u>sha</u>	<u>all be i</u>	include	ed if those spaces are used to support the operation of enterprise				
22		info	ormati	<u>on tec</u>	hnology equipment.				
23	<u>7.</u>	<u>Qu</u>	Qualified data center owners who intend to collocate operators or tenants within the						
24		<u>cer</u>	iter sh	nall pro	ovide the operators or tenants with documentation from the tax				
25		commissioner that the center meets the definition of a qualified data center under this							
26		sec	tion. (	<u>Opera</u>	tors or tenants shall obtain and submit a copy of the documentation with				
27		<u>all a</u>	all applications for sales tax exemption on information technology equipment and						
28		<u>cor</u>	npute	r softw	vare purchased for use in the qualified data center.				
29	SEC	стю	N 2. E	EFFEC	TIVE DATE - RETROACTIVE APPLICATION. This Act is retroactively				
30	30 effective, and applies to taxable events occurring after December 31, 2014.								

Sixty-fourth Legislative Assembly

# 1 SECTION 3. EXPIRATION DATE. This Act is effective through December 31, 2020, and

2 after that date is ineffective.
