13 care agent must make health care decisions for me based on the instructions I provide in this
14 document (Part II), if any, the wishes I have made known to him or her, or my agent must act in
15 my best interest if I have not made my health care wishes known.

16 AND/OR

17 PART II: Give health care instructions to guide others making health care decisions for me.
18 If I have named a health care agent, these instructions are to be used by the agent. These
19 instructions may also be used by my health care providers, others assisting with my health care
20 and my family, in the event I cannot make and communicate decisions for myself.

21 AND/OR

22 PART III: Allows me to make an organ and tissue donation upon my death by signing a
23 document of anatomical gift.

24 PART I: APPOINTMENT OF HEALTH CARE AGENT

3 HEALTH CARE DECISIONS FOR MYSELF

4 (I know I can change my agent or alternate agent at any time
5 and I know I do not have to appoint an agent or an alternate agent)

6 NOTE: If you appoint an agent, you should discuss this health care directive with your agent
7 and give your agent a copy. If you do not wish to appoint an agent, you may leave Part I blank
8 and go to Part II and/or Part III. None of the following may be designated as your agent: your
9 treating health care provider, a nonrelative employee of your treating health care provider, an
10 operator of a long-term care facility, or a nonrelative employee of a long-term care facility.

26 (I know I can change these choices)

27 My health care agent is automatically given the powers listed below in (A) through (D). My
28 health care agent must follow my health care instructions in this document or any other
29 instructions I have given to my agent. If I have not given health care instructions, then my agent
30 must act in my best interest.

1 Whenever I am unable to make and communicate health care decisions for myself, my
2 health care agent has the power to:

3 (A) Make any health care decision for me. This includes the power to give, refuse, or
4 withdraw consent to any care, treatment, service, or procedures. This includes deciding whether
5 to stop or not start health care that is keeping me or might keep me alive and deciding about
6 mental health treatment.

7 (B) Choose my health care providers.

8 (C) Choose where I live and receive care and support when those choices relate to my
9 health care needs.

10 (D) Review my medical records and have the same rights that I would have to give my
11 medical records to other people.

12 If I DO NOT want my health care agent to have a power listed above in (A) through (D) OR
13 if I want to LIMIT any power in (A) through (D), I MUST say that here:

15 _____
16 _____

17 My health care agent is NOT automatically given the powers listed below in (1) and (2). If I

21 eyes, when I die.
