14 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

15 SECTION 1. AMENDMENT. Section 15.1-36-01 of the North Dakota Century Code isamended and reenacted as follows:

17 **15.1-36-01.** School construction projects - Approval.

Notwithstanding the powers and duties of school boards provided by law, the
 superintendent of public instruction shall approve the construction, purchase, repair,

improvement, modernization, or renovation of any public school building or facility
 before commencement of the project if the cost of the project, as estimated by the
 school board, is in excess of one hundred fifty thousand dollars.

23 2. The superintendent of public instruction may not approve a project unless the school
24 district proposing the project:

1		a.	Der	nonstrates the need for the project and the educational utility of the project or
2			den	nonstrates potential utilization of the project by a future reorganized school
3			dist	rict;
4		b.	(1)	Demonstrates that the student population has been stable or has increased
5				during the preceding five school years and is expected to be stable or to
6				increase during the ensuing five school years; or
7			(2)	Demonstrates by clear and convincing evidence that, despite a declining
8				student population, there are no feasible alternatives to the proposed
9				project; and
10		C.	Der	nonstrates the capacity to pay for the project under rules adopted by the
11			sup	erintendent of public instruction pursuant to chapter 28-32.
12	3.	a.	lf th	e superintendent of public instruction denies the project, the school board
13			may	appeal the superintendent's decision to the state board of public school
14			edu	cation. In considering the appeal, the state board shall review:
15			(1)	The need for the project;
16			(2)	The educational utility of the project;
17			(3)	The potential use of the project by a future reorganized school district;
18			(4)	The capacity of the district to pay for the project; and
19			(5)	Any other objective factors relative to the appeal.
20		b.	The	e decision of the state board is final.
21	4.	Thi	s sect	tion is applicable to any construction, purchase, repair, improvement,
22		ren	ovatio	on, or modernization, even if the school board pays for the project in whole or
23		in p	art w	ith moneys received on account of the leasing of lands acquired by the United-
24		Sta	tes fo	r flood control, navigation, and allied purposes in accordance with 33 U.S.C.
25		70 1	lc-3 o	r in accordance with moneys received under the American Recovery and
26		Rei	nvest	ment Act of 2009.

17	6.	The board of a school district may submit its loan application to the superintendent of
18		public instruction before or after receiving authorization of a bond issue in accordance-
19		with chapter 21-03. If the vote to authorize a bond issue precedes the application for a-
20		loan, the application must be acted upon by the superintendent expeditiously but no-
21		later than one hundred eighty days from the date it is received by the superintendent.
22	7.	The superintendent of public instruction shall consider each loan application in the
23		order it received approval under section 15.1-36-01.
24	<u>8.4.</u>	If the superintendent of public instruction approves the loan, the superintendent may-
25		determine the loan amount, the term of the loan, and the interest rate, in accordance
26		with the requirements of this section. A school district's interest rate may not be less
27		than one percent, regardless of any rate discount for which the district might otherwise
28		qualify under this sectionthe board of university and school lands shall issue a loan
29		from the coal development trust fund. For a loan made under this section:
30		a. The maximum loan amount for which a school district may qualify is two million
31		dollars;

1		<u>b.</u>	The term of the loan is twenty years, unless the board of the school district
2			requests a shorter term in the written loan application; and

6			with chapter 57-51, the board of the district shall provide to the board of
7			university and school lands, and to the state treasurer, its evidence of
8			indebtedness indicating that the loan originated under this section.
9		b.	If the evidence of indebtedness is payable solely from the school district's
10			allocation of the oil and gas gross production tax in accordance with section
11			57-51-15, the loan does not constitute a general obligation of the school district
12			and may not be considered a debt of the district.
13		C.	If a loan made to a school district is payable solely from the district's allocation of
14			the oil and gas gross production tax in accordance with section 57-51-15, the
15			terms of the loan must require that the state treasurer withhold the dollar amount
16			or percentage specified in the loan agreement, from each of the district's oil and
17			gas gross production tax allocations, in order to repay the principal and interest of
18			the evidence of indebtedness. The state treasurer shall deposit the amount
19			withheld into the fund from which the loan originated.
20		d.	Any evidence of indebtedness executed by the board of a school district under
21			this subsection is a negotiable instrument and not subject to taxation by the state
22			or any political subdivision of the state.
