14 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

15 SECTION 1. AMENDMENT. Section 15.1-36-01 of the North Dakota Century Code isamended and reenacted as follows:

17 **15.1-36-01.** School construction projects - Approval.

- Notwithstanding the powers and duties of school boards provided by law, the
 superintendent of public instruction shall approve the construction, purchase, repair,
 improvement, modernization, or renovation of any public school building or facility
 before commencement of the project if the cost of the project, as estimated by the
- 22 school board, is in excess of one hundred fifty thousand dollars.
- 23 2. The superintendent of public instruction may not approve a project unless the school
 24 district proposing the project:

1		a.	a. Demonstrates the need for the project and the educational utility of the project or		
2			demonstrates potential utilization of the project by a future reorganized school		
3			district;		
4		b.	(1)	Demonstrates that the student population has been stable or has increased	
5				during the preceding five school years and is expected to be stable or to	
6				increase during the ensuing five school years; or	
7			(2)	Demonstrates by clear and convincing evidence that, despite a declining	
8				student population, there are no feasible alternatives to the proposed	
9				project; and	
10		C.	Der	nonstrates the capacity to pay for the project under rules adopted by the	
11			sup	erintendent of public instruction pursuant to chapter 28-32.	
12	3.	a.	lf th	e superintendent of public instruction denies the project, the school board	
13			may	appeal the superintendent's decision to the state board of public school	
14			edu	cation. In considering the appeal, the state board shall review:	
15			(1)	The need for the project;	
16			(2)	The educational utility of the project;	
17			(3)	The potential use of the project by a future reorganized school district;	
18			(4)	The capacity of the district to pay for the project; and	
19			(5)	Any other objective factors relative to the appeal.	
20		b.	The	e decision of the state board is final.	
21	4.	Thi	s sect	tion is applicable to any construction, purchase, repair, improvement,	
22		ren	ovatio	on, or modernization, even if the school board pays for the project in whole or-	
23		in p	art w	ith moneys received on account of the leasing of lands acquired by the United-	
24		Sta	tes fo	r flood control, navigation, and allied purposes in accordance with 33 U.S.C.	
25		70 1	lc-3 o	r in accordance with moneys received under the American Recovery and	
26		Rei	nvest	ment Act of 2009.	
27	5.	For	purp	oses of this chapter, "facility" includes a public school parking lot, public	
28		sch	iool at	thletic complex, or any other improvement to real property owned by the	
29		sch	iool di	istrict.

15		hundred basis points below the prevailing tax-free bond rates; and
16		c. A term of repayment that may extend up to twenty years.
17	6.	The board of a school district may submit its loan application to the superintendent of
18		public instruction before or after receiving authorization of a bond issue in accordance-
19		with chapter 21-03. If the vote to authorize a bond issue precedes the application for a
20		loan, the application must be acted upon by the superintendent expeditiously but no
21		later than one hundred eighty days from the date it is received by the superintendent.
22	7.	The superintendent of public instruction shall consider each loan application in the
23		order it received approval under section 15.1-36-01.
24	<u>8.4.</u>	If the superintendent of public instruction approves the loan, the superintendent may-
25		determine the loan amount, the term of the loan, and the interest rate, in accordance-
26		with the requirements of this section. A school district's interest rate may not be less
27		than one percent, regardless of any rate discount for which the district might otherwise-
28		qualify under this section the board of university and school lands shall issue a loan
29		from the coal development trust fund. For a loan made under this section:
30		a. The maximum loan amount for which a school district may qualify is two million
31		dollars;

1		<u>b.</u>	The term of the loan is twenty years, unless the board of the school district
2			requests a shorter term in the written loan application; and

4	9.<u>5.</u>	a.	If a school district seeking a loan under this section received an allocation of the
5			oil and gas gross production tax during the previous fiscal year in accordance
6			with chapter 57-51, the board of the district shall provide to the board of
7			university and school lands, and to the state treasurer, its evidence of
8			indebtedness indicating that the loan originated under this section.
9		b.	If the evidence of indebtedness is payable solely from the school district's
10			allocation of the oil and gas gross production tax in accordance with section
11			57-51-15, the loan does not constitute a general obligation of the school district
12			and may not be considered a debt of the district.
13		C.	If a loan made to a school district is payable solely from the district's allocation of
14			the oil and gas gross production tax in accordance with section 57-51-15, the
15			terms of the loan must require that the state treasurer withhold the dollar amount
16			or percentage specified in the loan agreement, from each of the district's oil and
17			gas gross production tax allocations, in order to repay the principal and interest of
18			the evidence of indebtedness. The state treasurer shall deposit the amount
19			withheld into the fund from which the loan originated.
20		d.	Any evidence of indebtedness executed by the board of a school district under
21			this subsection is a negotiable instrument and not subject to taxation by the state
22			or any political subdivision of the state.
23	10.<u>6.</u>	For	purposes of this section, a "construction project" means the purchase, lease,
24		erec	ction, or improvement of any structure or facility by a school board, provided the
25		acq	uisition or activity is within a school board's authority.

31		paid by these dedicated levies for the purpose of providing funds for the purchase,	

1 construction, reconstruction, or repair of public school buildings or for the construction 2 or improvement of a project under section 15.1-36-02 or 15.1-36-0315.1-36-08. The 3 initial resolution authorizing the tax levy dedication and general obligation bonds must 4 be published in the official newspaper of the school district, and any owner of taxable 5 property within the school district may, within sixty days after publication, file with the 6 business manager of the school district a protest against the adoption of the 7 resolution. Protests must be in writing and must describe the property that is the 8 subject of the protest. If the governing body finds the protests to have been signed by 9 the owners of taxable property having an assessed valuation equal to five percent or 10 more of the assessed valuation of all taxable property within the school district, as 11 theretofore last finally equalized, all further proceedings under the initial resolution are 12 barred.

13 SECTION 6. AMENDMENT. Section 54-44.1-12 of the North Dakota Century Code is 14 amended and reenacted as follows:

15

54-44.1-12. Control over rate of expenditures.

16 The director of the budget shall exercise continual control over the execution of the 1. 17 budget affecting the departments and agencies of state government, with the 18 exception of the legislative and judicial branches. Execution means the analysis and 19 approval of all commitments for conformity with the program provided in the budget, 20 frequent comparison of actual revenues and budget estimates, and on the basis of 21 these analyses and comparisons control the rate of expenditures through a system of 22 allotments. The allotment must be made by specific fund and all departments and 23 agencies that receive moneys from that fund must be allotted on a uniform percentage 24 basis, except that general fund appropriations to the department of public instruction 25 for state school aid, transportation aid, and special education aid and general fund 26 appropriations to the department of career and technical education for grants to school 27 districts may only be allotted only to the extent that the allotment can be offset by 28 transfers from the foundation aid stabilization fund as follows: 29 The first two and one-half percent allotment from the general fund must be offset a. 30

with a transfer from the foundation aid stabilization fund.

1		b.	Any general fund allotment in excess of two and one-half percent that is		
2			necessary, after all moneys available in the budget stabilization fund have been		
3			transferred to the general fund under section 54-27.2-03, may be offset with a		
4			transfer from the foundation aid stabilization fund.		
5	2.	Bef	re an allotment is made which will reduce the amount of funds which can be		
6		disb	irsed pursuant to an appropriation or before an allotment disallowing a specific		
7		exp	nditure is made, the director shall find one or more of the following circumstance	s	
8		to e	ist:		
9		a.	The moneys and estimated revenues in a specific fund from which the		
10			appropriation is made are insufficient to meet all legislative appropriations from		
11			the fund.		
12		b.	The payment or the obligation incurred is not authorized by law.		
13		C.	The expenditure or obligation is contrary to legislative intent as recorded in any		
14			reliable legislative records, including:		
15			(1) Statements of legislative intent expressed in enacted appropriation		
16			measures or other measures enacted by the legislative assembly; and		
17			(2) Statements of purpose of amendment explaining amendments to enacted		
18			appropriation measures, as recorded in the journals of the legislative		
19			assembly.		
20		d.	Circumstances or availability of facts not previously known or foreseen by the		
21			legislative assembly which make possible the accomplishment of the purpose of	ī	
22			the appropriation at a lesser amount than that appropriated.		
23	SEC		7. A new section to chapter 54-27 of the North Dakota Century Code is created		
24	and ena	cted	s follows:		
25	Def	initio	s for the foundation aid stabilization fund - Uses of the foundation aid		
26	<u>stabiliza</u>	ation	und.		
27	<u>1.</u>	For	he purposes of section 24 of article X of the Constitution of North Dakota:		
28		<u>a.</u>	"Education-related purposes" means purposes related to public elementary and	-	
29			secondary education.		
30		<u>b.</u>	"State aid to school districts" means:		

1		<u>(1)</u>	The general fund appropriations to the department of public instruction for
2			state school aid, transportation aid, and special education aid; and
3		<u>(2)</u>	The general fund appropriations to the department of career and technical
4			education for grants to school districts and area centers.
5	<u>2.</u>	Any acce	essible funds in the foundation aid stabilization fund, exceeding the required
6		reserves	under section 24 of article X of the Constitution of North Dakota, may be
7		used only	y for education-related purposes, including state aid to school districts, career
8		and tech	nical education grants to school districts and area centers, and education-

17		chapter 6	626, 1979 Session Laws must also be deposited in the trust fund created
18		pursuant	to this subsection. The fund must be held in trust and administered by the
19		board of	university and school lands for loans to coal-impacted counties, cities, and
20		school di	stricts as provided in section 57-62-03 and for loans to school districts
21		pursuant	to chapter 15.1-36. The board of university and school lands may invest such
22		funds as	are not loaned out as provided in this chapter and may consult with the state
23		investme	nt board as provided by law. The income, including interest payments on
24		loans, fro	om the trust must be used first to replace uncollectible loans made from the
25		fund and	the balance must be deposited in the school construction assistance-
26		loangene	eral fund. Loan principal payments must be redeposited in the trust fund. The
27		trust fund	I must be perpetual and held in trust as a replacement for depleted natural
28		resource	s subject to the provisions of this chapter and chapter 15.1-36.
