In the event of a business reorganization in which the ownership of the business organization remains in the same person or persons as prior to the reorganization, the total sales subject to sales and use taxes for the preceding calendar year for the business that was reorganized must be used to determine whether the tax is payable monthly under this subsection.

2. A ~~model 2, model 3, or model 4 seller may elect to be registered in one or more states as a seller which anticipates making no sales into the state or states if it has not had sales into the~~

~~state or states for the preceding twelve months. This election does not relieve the seller of its agreement under section 401(B) to collect taxes on all sales into the states or its liability for remitting to the proper states any taxes collected.~~ certified service provider may require a seller registering under the agreement to register in all of the full-member states as a condition of receiving certified service provider services.

3. The member states agree not to require the payment of any registration fees or other charges for a seller ~~to register~~ registering through the central registration system in a state in which the seller has no legal requirement to register.
4. A written signature from the seller is not required.
5. An agent may register a seller under uniform procedures adopted by the member states.
6. A seller may cancel its registration under the system at any time under uniform procedures adopted by the governing board. Cancellation does not relieve the seller of its liability for remitting to the proper states any taxes collected.
7. Nothing in this section shall be construed to relieve a seller of any legal obligation it may have under a state's laws to register in that state or its obligation to collect and remit taxes for at least thirty-six months in a state and meet all other requirements for amnesty set out in section 402 of the agreement in order to be eligible for amnesty in the state.
8. Whenever a state joins the agreement, sellers already registered under the agreement shall ~~be registered in the new~~ notified by the governing board and the sellers may elect to also be registered in the new state as follows:
 - a. ~~Model 1 sellers will be automatically registered in such state.~~
 - b. ~~Model 2, model 3, and model 4 sellers will be automatically registered in the new state but may elect to be registered as a seller which anticipates making no sales into the new state.~~
9. ~~Upon registration, the~~ The governing board shall provide to the seller ~~make~~ information available regarding the requirements and options for filing a simplified electronic return and for filing remittances in any member state. ~~Member states~~ A member state may provide information to sellers concerning other tax return filing options in that state.
10. The governing board shall cause the system for registering under the agreement to include a feature that allows sellers registered under the agreement to update relevant registration data in the system and have such updated data provided to all ~~member~~ affected states utilizing the system. The governing board shall establish conditions and procedures to allow states which are not members of the agreement to participate in the registration system.

SECTION 10. AMENDMENT. Subsections 6 and 7 of section 57-39.4-06 of the North Dakota Century Code are amended and reenacted as follows:

6. Provide and maintain a database that assigns the proper tax rates and jurisdictions to each five-digit and nine-digit zip code within a member state ~~to the proper tax rates and jurisdictions~~. The state must apply the lowest combined tax rate imposed in the zip code area if the area includes more than one tax rate in any level of taxing jurisdictions. If a nine-digit zip code designation is not available for a street address or if a seller or certified service provider is unable to determine the nine-digit zip code designation applicable to a ~~purchase~~ transaction after exercising due diligence to determine the designation, the seller or certified service provider may apply the rate for the five-digit zip code area. For the purposes of this section, there is a rebuttable presumption that a seller or certified service provider has exercised due diligence if the seller has attempted to determine the ~~nine-digit zip code designation~~ tax rate and jurisdiction by ~~utilizing~~ using software approved by the governing board that makes this

~~designation assignment from the street address and the five-digit zip code information applicable to a purchase transaction.~~

7. Have the option of providing address-based boundary database records for assigning taxing jurisdictions and their associated rates which shall be in addition to the requirements of subsection 6. The database records must be in the same approved format as the database records under subsection 6 and must meet the requirements developed pursuant to the federal Mobile Telecommunications Sourcing Act [4 U.S.C. 119(a)]. The governing board may allow a member state to require sellers that register under this agreement to use an address-based database provided by that member state. If any member state develops address-based assignment database records pursuant to the agreement, a seller or certified service provider may use those database records in place of the five-digit and nine-digit zip code database records provided for in subsection 6. If a seller or certified service provider is unable to determine the applicable rate and jurisdiction using an address-based database record after exercising due diligence, the seller or certified service provider may apply the nine-digit zip code designation applicable to a ~~purchase transaction~~. If a nine-digit zip code designation is not available for a street address or if a seller or certified service provider is unable to determine the nine-digit zip code designation applicable to a ~~purchase transaction~~ after exercising due diligence to determine the designation, the seller or certified service provider may apply the rate for the five-digit zip code area. For the purposes of this section, there is a rebuttable presumption that a seller or certified service provider has exercised due diligence if the seller or certified service provider has attempted to determine the tax rate and jurisdiction by ~~utilizing~~using software approved by the governing board that makes this assignment from the address and zip code information applicable to the ~~purchase transaction~~.

SECTION 11. AMENDMENT. Section 57-39.4-19 of the North Dakota Century Code is amended and reenacted as follows:

1. Require that only a single tax return for each taxing period for each seller be filed for the member state to include all the taxing jurisdictions within the member state.
2.
 - a. Require that returns be due no sooner than the twentieth day of the month following the month in which the transaction occurred.
 - b. When the due date for a return falls on a Saturday or Sunday or legal holiday in the subject member state, the return shall be due on the next succeeding business day. If the return is filed in conjunction with a remittance and the remittance cannot be made under subdivision b of subsection 5 of section 57-39.4-20, the return shall be accepted as timely filed on the same day as the remittance under that subsection.
3. Make available to all sellers, whether or not registered under the agreement, except sellers of products qualifying for exclusion from the provisions of section 57-39.4-09 of this agreement, a simplified return that is filed electronically as follows:

A state shall allow a model 1 seller to file both part 1 and part 2 of the SER. A model 1 seller which chooses to file both part 1 and part 2 of the SER shall still be required to file the audit reports provided for in article V of the rules and procedures of the agreement.
- (2) Model 2 and model 3 sellers must file an SER in all member states ~~other than states for which they have indicated that they anticipate making no sales~~ in which they are registered under the agreement. These sellers shall file part 1 of the SER every month for all states in which they ~~anticipate making sales~~ are registered under the agreement. These sellers ~~need not file part 2 information until January 1, 2012. After this date, they shall have the following options for meeting their obligation to furnish part 2 information:~~
 - (a) File part 2 of the SER together with part 1 of the SER every month; or
 - (b) File part 2 of the SER at the same time part 1 of the SER for the month of December is due. Part 2 information filed under this option shall cover the month of December and all previous months of the same calendar year and shall only require annual and not monthly totals. The sellers shall only be required to file part 2 of the SER for any state which has notified the governing board that it will require the submission of the part 2 information under subdivision b.
- (3) Every member state shall allow model 4 sellers to file an SER. The sellers shall file part 1 of the SER every month unless a state allows less frequent filing. Model 4 sellers which have a legal requirement to register in the state shall have the following options for meeting their obligation to furnish part 2 information:
 - (a) File part 2 of the SER together with part 1 of the SER; or
 - (b) File part 2 of the SER at the same time part 1 of the SER for the month of December is due. Part 2 information filed under this option shall cover the month of December and all previous months of the same calendar year and shall only require annual and not monthly totals.

These sellers shall only be required to file part 2 of the SER for any state which has notified the governing board that it will require the submission of the part 2 information under subdivision b.

Model 4 sellers which elect not to file an SER shall file returns in the form under schedules afforded to sellers not registered under the agreement according to the requirements of each member state.
- (4) ~~No later than January 1, 2013, every~~ Every member state shall allow sellers not registered under the agreement that are registered in the state to file an SER. These sellers shall file part 1 of the SER every month unless a state allows less frequent filing and shall have the following options for meeting their obligation to furnish part 2 information:
 - (a) File part 2 of the SER together with part 1 of the SER; or

- (b) File part 2 of the SER at the same time part 1 of the SER for the month of December is due. Part 2 information filed under this option shall cover the month of December and all previous months of the same calendar year and shall only require annual and not monthly totals.

These sellers shall only be required to file part 2 of the SER for any state which has notified the governing board that it will require the submission of the part 2 information under subdivision b.

4. ~~Not require the filing of a return from a seller registered under the agreement which has indicated at the time of registration that it anticipates making no sales which would be sourced to the state under the agreement. A seller shall lose this exemption upon making any taxable sales into the state and shall file a return in the month following the sale. A state may, but is not required to, allow a seller to regain such filing exemption upon such terms and conditions as the state may impose.~~
5. Adopt web services as the standardized transmission process that allows for receipt of uniform tax returns and other formatted information as approved by the governing board. The process must provide for the filing of separate returns for multiple legal entities in a single transmission for each state and will not include any requirement for manual entry or input by the seller of any of the aforementioned information. This process will allow a certified service provider, tax preparer, or any other authorized person to file returns for more than one seller in a single electronic transmission. However, sellers filing returns for multiple legal entities may only do so for affiliated legal entities.
- 6.5. Give notice to a seller registered under this agreement which has no legal requirement to register in the state, of a failure to file a required return and a minimum of thirty days to file thereafter prior to establishing a liability amount for taxes based solely on the seller's failure to timely file a return provided a member state may establish a liability amount for taxes based solely on the seller's failure to timely file a return if such seller has a history of nonfiling or late filing.
- 7.6. Nothing in this section shall prohibit a state from allowing additional return options or the filing of returns less frequently.

SECTION 12. AMENDMENT. Subsection 1 of section 57-39.4-23 of the North Dakota Century Code is amended and reenacted as follows:

- 1. If a member state allows for temporary exemption periods, commonly referred to as sales tax holidays, the member state shall:

The requirements of this section shall only apply to part III(B) definitions to the extent such definitions are used in the administration of a sales tax holiday. A member state is not in compliance with the agreement if the member state excludes any product or service that is included within a product definition or includes a product or service that is excluded from a product definition.

Penalty and interest for failure to file a return or corrected return or to pay the tax imposed must be that prescribed in section 57-40.2-15. If a person is required to file more than one return pursuant to this section, the monthly payment requirement applies separately to each return. If total sales and purchases subject to sales and use taxes for any succeeding calendar year decrease below three hundred thirty-three thousand dollars, a person may return to quarterly installments. In the event of a business reorganization in which the ownership of the business organization remains in the same person or persons as prior to the reorganization, the total sales subject to sales and use taxes for the preceding calendar year for the business that was reorganized must be used to determine whether the tax is payable monthly under this section.

SECTION 18. EFFECTIVE DATE. Sections 8 and 16 of this Act are effective for sales and use tax returns due after July 31, 2019.
