1 A BILL for an Act to provide for a legislative management study regarding natural gas  
2 infrastructure development.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1. LEGISLATIVE MANAGEMENT STUDY.** During the 2021-22 interim, the  
5 legislative management shall consider studying natural gas and propane infrastructure  
6 development in the state. The study must include consideration of the current infrastructure  
7 available for natural gas and propane, challenges related to the development of natural gas and  
8 propane infrastructure, community needs for natural gas and propane infrastructure, and a cost  
9 benefit analysis of any state incentives to encourage the development of natural gas and  
10 propane infrastructure. The legislative management shall report its findings and  
11 recommendations, together with any legislation required to implement the recommendations, to  
12 the sixty-eighth legislative assembly.
