REPORT OF STANDING COMMITTEE

HB 1065: Human Services Committee (Rep. Weisz, Chairman) recommends **AMENDMENTS AS FOLLOWS** and when so amended, recommends **DO PASS** (13 YEAS, 0 NAYS, 1 ABSENT AND NOT VOTING). HB 1065 was placed on the Sixth order on the calendar.

Page 1, line 1, after "A BILL" replace the remainder of the bill with "for an Act to amend and reenact section 23-16-01.1 of the North Dakota Century Code, relating to the moratorium on the expansion of long-term care bed capacity.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 23-16-01.1 of the North Dakota Century Code is amended and reenacted as follows:

23-16-01.1. Moratorium on expansion of long-term care bed capacity.

1. Notwithstanding sections 23-16-06 and 23-16-10, except when a facility reverts basic care beds to nursing facility beds or relicenses nursing facility beds delicensed after July 31, 2011, nursing facility beds may not be added to the state's licensed bed capacity during the period between August 1, 2019, and July 31, 2021. A nursing facility may not delicense nursing facility bed capacity, relicense nursing facility bed capacity, convert licensed nursing bed capacity to basic care bed capacity, revert licensed basic care bed capacity back to nursing facility bed capacity, or otherwise reconfigure licensed nursing facility bed capacity more than ~~one time~~two times in a twelve-month period.
2. Transfer of licensed nursing facility bed capacity from a nursing facility to another entity is permitted. The nursing facility may transfer the bed capacity either as nursing facility bed capacity or basic care bed capacity. Transferred bed capacity must become licensed by an entity within seventy-two months of transfer. Bed capacity transferred as basic care bed capacity may not be reverted to nursing facility bed capacity at any time. A receiving entity may transfer the received bed capacity to another entity within the seventy-two-month period originally established at the time the nursing facility first transferred the licensed nursing facility bed capacity. The subsequent receiving entity must license the received bed capacity within the seventy-two-month period originally established at the time of the first transfer.
3. A nursing facility may convert licensed nursing facility bed capacity to basic care. If the converted beds remain in the same facility and are not transferred, the beds may revert to nursing facility status after one year of licensure as basic care beds.
4. Nursing facility beds that are converted to basic care may be transferred as basic care beds. However, upon the transfer, the basic care beds may not be relicensed as nursing facility beds.
5. ~~If an Indian tribe~~ a federally recognized tribal nation acquires nursing facility beds, the tribal facility must meet state licensing requirements for those beds within seventy-two months of acquisition. A tribal facility may seek to participate in the medical assistance programs. Medical assistance payments may only be made to a Medicaid certified tribal facility that agrees to participate and adhere to all federal and state requirements of the medical assistance program, including participation, screening, ratesetting, and licensing requirements.
6. A nursing facility, upon prior written notice to the state department of health, may delicense a maximum of ~~twenty-five~~thirty percent of its licensed nursing facility bed capacity and have the delicensed nursing facility held for a period of forty-eight months. The total delicensed nursing facility bed capacity that may be held for a nursing facility at no time may be greater than fifty percent of the number of currently licensed beds in the nursing facility. Delicensed nursing facility bed capacity in excess of fifty percent of the nursing facility's licensed capacity may not be held and is not eligible for the provisions of subsection 7. Delicensed bed capacity not sold or relicensed at the conclusion of the forty-eight-month holding period ceases to exist.
7. During the forty-eight-month holding period established at the time of delicensure, delicensed nursing facility bed capacity that is being held for the nursing facility may be:

- a. Relicensed by the nursing facility. Relicensing of nursing facility bed capacity may not occur for twelve months from the time of delicensure.
 - b. Transferred to another entity as nursing facility bed capacity or basic care bed capacity. The receiving entity must license the transferred bed capacity as the type of bed capacity transferred within a seventy-two-month period established at the time of transfer. Bed capacity transferred as basic care bed capacity may not be reverted to nursing facility bed capacity at any time. A receiving entity may transfer the received bed capacity to another entity within the seventy-two-month period established at the time of transfer. The subsequent receiving entity must license the received bed capacity within the seventy-two-month period established at the time of transfer.
 - c. Licensed as basic care beds by the same facility. If the licensed basic care beds remain in the same facility and are not transferred, the beds may be reverted to licensed nursing facility bed capacity after twelve months.
8. Notwithstanding any other provision of this section, a nursing facility bed transferred before July 1, 2019, must be relicensed by the receiving entity within a seventy-two-month period established at the time of transfer.
 9. Notwithstanding any other provision of this section, a nursing facility bed in the layaway program before July 1, 2019, may remain in the program for forty-eight months from the time the bed was first laid away."

Renumber accordingly

A party is deemed to have failed to respond if the party has not responded within ninety days of receipt of the written notice, or the party in response to the notice affirmatively indicates the intent not to pay the royalty or amounts due. The commissioner may waive all or a portion of the interest under this subsection for good cause.

4. If a lessee or the lessee's representative or assignee disputes a royalty assessment or demand by the board, the lessee or the lessee's representative or assignee may tender full payment of the disputed amount under protest any time after an assessment or demand is made by the board. Upon payment of the disputed amount under protest, all interest and penalties must cease to accrue. If it is determined that the payment of the disputed amount resulted in an overpayment, the party that made the payment is entitled to a refund of the overpayment amount plus interest at the rate established under section 28-20-34.
5. If a lessee or the lessee's representative or assignee fails or refuses to comply with demands by the board to pay royalties, interest, or penalties under this chapter, the board may file an action to cancel the lease, recover unpaid royalties, and recover interest and penalties on the unpaid royalties. Notwithstanding chapter 28-01, an action under this subsection must be commenced within six years of the date oil or gas was produced under a lease. An action to cancel a lease, recover unpaid royalties, or recover interest or penalties on unpaid royalties may not be filed for production that occurred under a lease before August 1, 2015.

"SECTION 4. Section 43-51-12.1 of the North Dakota Century Code is created and enacted as follows:

43-51-12.1. Foreign practitioners who are state residents - Licensure.

1. This section applies to an applicant who is a foreign practitioner who is a resident of the state.
2. A board shall adopt rules regarding licensure of an applicant or shall grant on a case-by-case basis exceptions to the board's licensing standards to allow an applicant to practice the occupation or profession in the state if upon application to the board:
 - a. The applicant demonstrates competency in the occupation or profession through methods or standards determined by the board which must include experience in the occupation or profession for at least two of the four years preceding the date of application under this section; and
 - b. The board determines the issuance of the license will not substantially increase the risk of harm to the public. A board with authority to require an applicant to submit to a statewide and national criminal history record check under section 12-60-24 may order a record check under this subdivision.
3. A board shall issue a provisional license or temporary permit to an applicant for which the licensure requirements under subsection 2 have

- been substantially met. A provisional license or temporary permit issued under this subsection may not exceed two years and remains valid while the applicant is making progress toward satisfying the unmet licensure requirements. An applicant may practice under a provisional license or temporary permit issued under this subsection until any of the following occurs:
- a. The board grants or denies the applicant a North Dakota license under subsection 2 or grants a North Dakota license under the traditional licensure method;
 - b. The provisional license or temporary permit expires;
 - c. The applicant fails to comply with the terms of the provisional license or temporary permit; or
 - d. The board revokes the provisional license or temporary permit based on a determination revocation is necessary to protect the health and safety of the residents of the state.
4. A board that may elect to subject the board to this chapter under subsection 1 of section 43-51-01 may issue a license, provisional license, or temporary permit to an applicant in the same manner as provided under subsections 2 and 3 regardless of whether the board has adopted rules to subject the board to this chapter.
5. An individual issued a license under this section has the same rights and duties as a licensee issued a license under the traditional licensure method.
6. If within thirty days of receipt of a completed application under subsection 2 the board does not grant or deny a license under subsection 2 or does not issue a provisional license or temporary permit under subsection 3, the board automatically shall issue a provisional license or temporary permit. A provisional license or temporary permit issued under this subsection remains valid until the board grants or denies the application for licensure under subsection 2 or issues a provisional license or temporary permit under subsection 3.
7. For purposes of this section, the term "board" includes the state board of accountancy, state electrical board, North Dakota real estate appraiser qualifications and ethics board, state real estate commission, secretary of state with respect to contractor licensing, and state board of dental examiners.

SECTION 5. Section 43-51-12.2 of the North Dakota Century Code is created and enacted as follows:

43-51-12.2. Foreign practitioners who are state residents - Licensure applications.

1. On each licensure application and renewal form, a board shall inquire and maintain a record of whether an applicant or licensee is a foreign practitioner who is a resident of the state. If an applicant self-identifies as and provides the board with satisfactory proof of being a foreign practitioner who is a resident of the state, the board immediately shall commence the process to issue a license, provisional license, or temporary permit under section 43-51-12.1.
2. For purposes of this section, the term "board" includes the state board of accountancy, state electrical board, North Dakota real estate appraiser qualifications and ethics board, state real estate commission, secretary of state with respect to contractor licensing, and state board of dental examiners."

"SECTION 1. AMENDMENT. Section 6-09-49 of the North Dakota Century Code is amended and reenacted as follows:

6-09-49. Infrastructure revolving loan fund - Legacy infrastructure revolving loan fund - Continuing appropriation.

1. The infrastructure revolving loan fund is a special fund in the state treasury from which the Bank of North Dakota shall provide loans to political subdivisions, the Garrison Diversion Conservancy District, and the Lake Agassiz water authority for essential infrastructure projects. The Bank shall administer the infrastructure revolving loan fund. The maximum term of a loan made under this section is thirty years. A loan made from the fund under this section must have an interest rate that does not exceed two percent per year.
2. For purposes of this section, "essential infrastructure projects" means capital construction projects for the following:
 - a. The Red River valley water supply project;
 - b. New or replacement of existing water treatment plants;
 - c. New or replacement of existing wastewater treatment plants;
 - d. New or replacement of existing sewer lines and water lines; and

- e. New or replacement of existing storm water and transportation infrastructure, including curb and gutter construction.
3. In processing political subdivision loan applications under this section, the Bank shall calculate the maximum loan amount for which a qualified applicant may qualify, not to exceed fifteen million dollars per loan. The Bank shall consider the applicant's ability to repay the loan when processing the application and shall issue loans only to applicants that provide reasonable assurance of sufficient future income to repay the loan.
 4. The Bank shall deposit in the infrastructure revolving loan fund all payments of interest and principal paid under loans made from the infrastructure revolving loan fund. The Bank may use a portion of the interest paid on the outstanding loans as a servicing fee to pay for administrative costs which may not exceed one-half of one percent of the amount of the interest payment. All moneys transferred to the fund, interest upon moneys in the fund, and payments to the fund of principal and interest are appropriated to the Bank on a continuing basis for administrative costs and for loan disbursement according to this section.
 5. The Bank may adopt policies and establish guidelines to administer this loan program in accordance with the provisions of this section and to supplement and leverage the funds in the infrastructure revolving loan fund. Additionally, the Bank may adopt policies allowing participation by local financial institutions.
 6.
 - a. The legacy infrastructure revolving loan fund is a special fund in the infrastructure revolving loan fund from which the Bank of North Dakota shall provide loans to political subdivisions, the Garrison Diversion Conservancy District, and the Lake Agassiz water authority for eligible infrastructure projects as defined in subdivision g. The Bank shall use moneys in the legacy infrastructure revolving loan fund to provide loans to political subdivisions for eligible infrastructure projects pursuant to subdivisions g, h, and i.
 - b. The Bank may adopt policies and establish guidelines to administer the legacy infrastructure revolving loan program in accordance with this subsection, including policies to supplement and leverage the moneys in the fund and policies to allow participation by local financial institutions.
 - c. A loan made from the legacy infrastructure revolving loan fund must have an interest rate that does not exceed two percent per year. The maximum term of a loan for an infrastructure project under subdivision g is thirty years or the useful life of the project, and the maximum term for a loan for an infrastructure project under subdivision h or i is forty years or the useful life of the project.
 - d. All principal and interest payments received on loans made from the legacy infrastructure revolving loan fund must be deposited into the legacy infrastructure revolving loan fund. The Bank may use a portion of the interest paid on the outstanding loans as a servicing fee to pay administrative costs, which may not exceed one half of one percent of the amount of the outstanding loans. All moneys transferred to the legacy infrastructure revolving loan fund, interest upon moneys in the fund, and payments to the fund of principal and interest are appropriated to the Bank on a continuing basis for administrative costs and for loan disbursement according to this subsection.
 - e. An applicant shall issue an evidence of indebtedness as authorized by law.

- f. In processing political subdivision loan applications under this subsection, the Bank shall calculate the maximum outstanding loan amount per qualified applicant. The maximum outstanding loan amount for infrastructure projects under subdivision g is forty million dollars. The Bank shall consider the applicant's ability to repay the loan when processing the application and shall issue loans only to applicants that provide reasonable assurance of sufficient future income to repay the loan.
- g. Eligible infrastructure projects under this subdivision are capital construction projects to construct new infrastructure or to replace infrastructure, and which provide the fixed installations necessary for the function of a political subdivision and are in the public interest. Capital construction projects exclude routine maintenance and repair projects but include the following:
- (1) Water treatment plants;
 - (2) Wastewater treatment plants;
 - (3) Sewer lines and water lines, including lift stations and pumping systems;
 - (4) Water storage systems, including dams, water tanks, and water towers;
 - (5) Storm water infrastructure, including curb and gutter construction;
 - (6) Road and bridge infrastructure, including paved and unpaved roads and bridges;
 - (7) Airport infrastructure;
 - (8) Electricity transmission infrastructure;
 - (9) Natural gas transmission infrastructure;
 - (10) Communications infrastructure;
 - (11) Emergency services facilities, excluding hospitals;
 - (12) Essential political subdivision buildings and infrastructure; and
 - (13) The Red River valley water supply project.
- h. The department of transportation shall approve county road and bridge projects for purposes of loans under this subsection. The department of transportation may adopt policies for the review and approval of loans under this subsection.
- i. For purposes of loans under this subsection, the state water commission shall review and approve eligible projects to construct new water related infrastructure or to replace existing water-related infrastructure, which provide the fixed installations necessary for the function of a political subdivision and are in the public interest. The state water commission may adopt policies for the review and approval of loans under this subsection. Capital construction projects exclude routine maintenance and repair projects, but include the following:
- (1) Flood control;
 - (2) Conveyance projects;

- (3) Rural water supply;
- (4) Water supply; and
- (5) General water management."
