 - b. A search of any record for which written verification of the facts of the search is required; and

The secretary of state may return to the last-known address of the filer any record or document that was attempted to be filed or may retain as unfiled the record or document for a reasonable time to permit proper payment and filing.

Service on the secretary of state must be made as provided in section 10-01.1-13. Except as otherwise provided by law, if the secretary of state is appointed as agent for service of process for any individual under any provision of this code, then service on the secretary of state and the responsibilities of the secretary of state with respect to the service shall be made or executed in the manner provided in section 10-01.1-13, to the extent practicable.

At the close of each biennium, the secretary of state shall transfer any unobligated balance remaining in the fund exceeding seventy-five thousand dollars to the general fund.

54-09-09.

Computerized central indexing system - Rules.

1. The secretary of state shall maintain a computerized central indexing system that contains the information filed with the office of the secretary of state or with any of the offices of the recorder in this state pursuant to sections 35-13-02, 35-17-04, 35-20-16, 35-30-02, 35-31-02, 35-34-04, 35-34-06, 41-09-72, 57-28-29, 57-38-49, 57-39.2-13, 57-40.2-16, 57-40.3-07.1, 57-43.1-17.4, 57-43.2-16.3, and 57-51-11. The system must connect each recorder's office to the secretary of state's office through the information technology department. The system must allow access to financing statement information by equipment that conforms to requirements determined by the information technology department. The system must have safeguards to allow access to information that is in the system relating to security interests or liens and to prevent unauthorized alteration or deletion of that information and to allow access to other information in the system as prescribed by the secretary of state.
2. Within two working days of receipt of a financing statement, continuation statement, amendment, or termination statement filed pursuant to chapter 41-09 or a statement filed pursuant to section 35-13-02, 35-17-04, 35-20-16, 35-30-02, or 35-31-02, the recorder or secretary of state shall file the information contained in the statement in the computerized central indexing system. A computer printout of information from the system is prima facie evidence of the existence or nonexistence of the filing of a

financing statement or lien. The secretary of state shall prescribe one form that can be used to perfect a security interest in farm products or gain protection under the central notice system, or both.

3. The secretary of state may adopt rules necessary to implement this section and sections 54-09-10 and 54-09-11.

54-09-10.

Secretary of state to compile lists for crops and livestock - Distribution of lists.

1. From the computerized central indexing system, the secretary of state or a designee shall produce each month one list for crops and one list for livestock that each contain the information as filed on the forms pursuant to section 41-09-72. The secretary of state shall also include on the lists the information filed for crops and livestock pursuant to sections 35-17-04, 35-30-02, and 35-31-02. The lists must be in alphabetical order according to the last name of, or in numerical order according to the social security number of, the person engaged in farming operations. The lists may be prepared in categories according to county, regions as designated by the secretary of state, or on a statewide basis. If requested, the lists must be in printed form. Each list must conspicuously note the effective date of the list.
2. The secretary of state shall distribute monthly by mail the lists prepared pursuant to subsection 1, at least five business days in advance of the effective date of each of the lists. If requested, the secretary of state shall mail the lists to any person making a request at a fee as provided in section 54-09-11.
3. Upon a verbal request of any person, the secretary of state, a designee of the secretary of state, or a recorder shall verbally provide information contained on a list generated through the computerized central indexing system if the collateral is crops or livestock. The requesting party may request a certificate from the secretary of state or the recorder and the secretary of state or the recorder shall confirm the information given. Direct computer access is equivalent to oral confirmation, and a computer printout constitutes the written confirmation of the secretary of state, if use of this method of confirmation does not cause the central indexing system to lose federal certification. A computer printout from the computerized central indexing system constitutes the certificate of the secretary of state or the recorder as to whether there is on file, on the date and hour stated on the computer printout, a financing statement.

54-09-11.

Fees.

1. The secretary of state shall establish fees for placing data in the computerized central indexing system; for obtaining computer access to the computerized central indexing system, to the computerized Uniform Commercial Code central filing database, or to the computerized statutory liens database; for receiving printouts; for direct access to all or parts of the central indexing system; for lists sold or licensed under subsection 6 of section 41-09-94; for any other list provided by the secretary of state; for any programming charges specifically incurred to provide information requested by persons which is related to the central indexing system; and for other services provided through the computerized system.
2. The fee for furnishing information on a verbal request pursuant to subsection 3 of section 54-09-10 is seven dollars, and the fee for furnishing a certificate under subsection 3 of section 54-09-10 is seven dollars.

Fees collected by the secretary of state under subsection 2 must be deposited in the general fund in the state treasury.
5. The secretary of state may adopt rules regarding what portion of the filing fees and search fees collected by the recorder under section 41-09-96 must be submitted to the

secretary of state for deposit into the secretary of state's general operating fund to meet the cost of the provision of services required under sections 54-09-09 and 54-09-10.
