

DPI Technology Staff Study

- DPI budget (HB 1013) includes \$100,000 from the general fund for the superintendent of public instruction to contract with ITD and a private consultant to
- conduct an IT staffing analysis for the biennium beginning July 1, 2013 and ending June 30, 2015. The analysis must include a review of the Department of Public Instruction IT staffing duties, responsibilities, and staffing levels and must
- consider the feasibility and desirability of transferring additional IT positions to ITD and must provide recommendations regarding the appropriate level of IT staff for DPI.

OMB Study of Hosting Consolidation of Exempted Agencies

- Hired UmmelGroup International out of Kansas, MO.
- Conduct an information technology relocation and consolidation study of information technology equipment operated by the Attorney General, Water Commission, Public Service Commission and the Oil & Gas division of the Mineral Services department - exempted by ITD / OMB.
- Study will be completed by December 31, 2013 and recommendations reported by OMB to the Budget Section in March 2014.
