

JAN 17 2014

**MEMO TO:** Vonette Richter, Legislative Council

**FROM:** Glenn Jackson  
Director, Driver's License Division

**DATE:** January 17, 2014

**SUBJECT:** Testimony Correction, 12/8/13 Testimony Regarding DUI Law

In testimony, I mentioned that the Driver's License Division had received 56 dual-conviction cases from the court. This was incorrect, as we only received 6 dual-conviction cases. The number 56 reflected not only the dual-conviction cases, but situations in which the court provided convictions listing "DUI and/or Refusal," as the offense description. These convictions were processed as DUI convictions, leaving only 6 convictions that were specifically two separate convictions, one for refusal and one for DUI.
