

Whereas the North Dakota Oral Health Coalition recommends the following oral health initiatives:

- Expansion of the Seal! ND Program through the State Department of Health oral health programs to target low income children at public schools;
- Additional funding for dental safety net clinics to include mobile, non-profit and federally qualified health centers;
- Funding for a case management outreach model supported through the State Department of Health and the North Dakota Dental Association;
- Expansion of duties for dental assistants and hygienists through innovative, non-traditional, outreach education programs to minimize geographic and employment barriers for the current workforce.
