

SECTION 38. LEGISLATIVE MANAGEMENT STUDY - SALARIES AND WAGES APPROPRIATIONS - CLASSIFICATION SYSTEM. The legislative management shall consider studying, during the 2013-14 interim, the process of appropriating funds for salaries and wages and the state's classification system. The study, if conducted, must consider the feasibility and desirability of appropriating a lump sum amount to each agency for salaries and wages, without identifying specific purposes for the funding and allowing the agency head the flexibility to use the funding as necessary to accomplish the duties and responsibilities of the agency. The study must also include the effect of this change on the state's classification and benefits system and on the process of reporting by the agency on its use of the funds to the legislative assembly. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-fourth legislative assembly.
