

**SECTION 39. LEGISLATIVE MANAGEMENT STUDY - INTELLECTUAL PROPERTY AT RESEARCH UNIVERSITIES.** During the 2013-14 interim, the legislative management shall consider studying the intellectual property policies and procedures at research universities within the state. The study must include consideration of the current and potential income generated through the commercialization of intellectual property. The study must include consideration of the best practices related to intellectual property, the federal Bayh-Dole Act, and the federal Patent Reform Act of 2011. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-fourth legislative assembly.
