

SECTION 3. LEGISLATIVE MANAGEMENT STUDY. During the 2013-14 interim, to assist with the development of a statewide interoperability plan, the legislative management shall consider studying issues relating to the development of the current radio communication plan, its costs and components, and evolving technologies that will better serve the public. The study must include the input of stakeholders statewide, including local city, local county, and state public service and public safety entities, including those members represented on the statewide interoperability executive committee. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-fourth legislative assembly.
