This attached report merely summarizes the amount of tax credit received along with other incentives received for each project entity during Fiscal Year 2015. This report is not intended to provide an analysis as to the effectiveness of this or any other tax credit or incentive.

By law, businesses are required to submit the information, under penalties of perjury, to the Division of Taxation, which then verifies and compiles the data and publishes it in a report, which the agency makes available on its website, www.tax.ri.gov.

Since 2008, more than **330** businesses have received a cumulative total of **\$240** million in Rhode Island tax credits and incentives.
