

SECTION 7. LEGISLATIVE MANAGEMENT STUDY - BEHAVIORAL HEALTH NEEDS OF YOUTH AND ADULTS. During the 2015-16 interim, the legislative management shall consider studying behavioral health needs. The study must include consideration of behavioral health needs of youth and adults and access, availability, and delivery of services. The study must include input from stakeholders, including representatives of law enforcement, social and clinical service providers, education, medical providers, mental health advocacy organizations, emergency medical service providers, juvenile court, tribal government, and state and local agencies and institutions. The study must also include the monitoring and reviewing of strategies to improve behavioral health services implemented pursuant to legislation enacted by the sixty-fourth legislative assembly and other behavioral health-related recommendations presented to the 2013-14 interim human services committee. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-fifth legislative assembly.
