Other Sections in Bill

Campus building projects - Section 6 amends North Dakota Century Code Section 15-10-12.1 to require legislative authorization to construct, purchase, receive, or renovate a building if the building or project cost exceeds \$385,000.

Capital project requests - Section 8 adds a section to Chapter 15-10 to require future University System capital projects to conform to University System master plan and space utilization studies and requires future University System capital project budget requests for new buildings over \$5 million to include a 3 percent funding request to be set aside for future maintenance costs.

Required use of information technology services - Section 9 adds a section to Chapter 15-10 to require entities under the control of the State Board of Higher Education to obtain electronic mail, file server administration, database administration, storage, application server, and hosting services through a delivery system established by the board.

Carryover authority - Section 25 continues the authorization through July 31, 2017, for institutions under the control of the State Board of Higher Education to carry over unexpended appropriations at the end of a biennium.

Transfer authority - Section 34 provides that the State Board of Higher Education may transfer funds from an institution's operations line item to the institution's capital assets line item if the board determines that additional funds are needed for capital projects or extraordinary repairs.

Continuing Appropriations

Special revenue funds - Section 33 appropriates federal, private, and local funds received by institutions, including tuition revenue, during the 2015-17 biennium.

Significant Audit Findings

The State Auditor's office found Dickinson State University has not established proper controls for student residency determinations and subsequent changes to student residency status.
