Minutes: **Chairman Mutch** opened the hearing on HCR 3028. All Senators were present.

**HCR 3028** directs the Legislative Council to study utilization of the state's abundant energy resources to attract energy-intensive economic development projects to the state.

**Rep. Chuck Damschen** introduced the bill.

**Rep. Damschen:** HCR 3028 is pretty self-explanatory. There is an abundance of resources in North Dakota with oil, coal and wind. The problem is transmitting that power beyond our state lines. Maybe we could entice some businesses to come into our state and use power. Maybe the state would offer incentives. I thought the best answer would be to study this.

**There were no questions from the committee.**

**Senator Heitkamp** moved a DO PASS. **Senator Klein** seconded.

**Roll Call Vote:** 7 yes. 0 no. 0 absent.
