Hearing Date: January 10, 2007

Recorder Job Number: 833

Committee Clerk Signature 

Minutes:

Sen. Urlacher: I've had a request by the Tax Dept. to withdraw that bill. So we will have the Tax Dept. explain why they want to withdraw that bill and then I want to cancel that hearing.

Donita Wald from the Tax Dept. explained why they wish to withdraw SB 2080. Last session we were given the authorization to get an integrated tax system and as part of the implementation of the new computer system for our taxes we thought we needed this bill. After further consideration and as we got moving along with the configuration of that system, it was determined we don't need it anymore. What we do plan on doing though is after this system is completely rolled and all the tax types are working under it we are going to review some of the other penalty provisions and some other provisions to see that if we can get more uniformity amongst the different tax types. I'm anticipating next session you will see something from the Dept.

Sen. Urlacher: I will cancel the hearing and go through the procedure on the floor.

Adjourned.
