To reenact and amend sections of the North Dakota Century Code relating to traffic offense administration.

Minutes:

Attached testimony: 1

Chairman Oehlke opened the hearing on SB 2044

Mr. Timothy J Dawson Legislative Council staffed the Interim Transportation Committee I am here to explain the bill draft and not for or against the bill. It is all cleanup. It relates to the procedures, fees and points for traffic offenses. Examples of the cleanup: in page 2 "halting officer" was crossed off, it was used once in the chapter so why have a definition for it. We used instead the term "citing police officer" which is more descriptive. Licensing authority was used and we switched to the right term: director of the North Dakota Department of Transportation (DOT). Official was added instead of having it somewhere else in the code.

Glenn Jackson Director of the Driver's License Division at the North Dakota Department of Transportation (DOT)

We support the bill since there are no substantive changes. Attached testimony 1
