### Explanation or reason for introduction of bill/resolution:

A concurrent resolution authorizing the Budget Section of the Legislative Management to hold the required legislative hearings on state plans for the receipt and expenditure of new or revised block grants passed by Congress.

### Minutes:

You may make reference to "attached testimony."

**Chairman Holmberg** opened the hearing on SCR 4001. All committee members were present.

### **Allen H. Knudson, Legislative Budget Analyst**

I am appearing neither for nor against the resolution, but simply here to explain it.

This resolution has been approved for a number of legislative sessions. It was recommended by the budget section and it relates to holding any required legislative hearings that relate to federal block grants. What this resolution does is authorize any of those hearings to be conducted during the interim by the budget section if they're necessary. As you recall, it's part of the Department of Commerce appropriation bill. You have the community services block grant hearing for the federal funds that are anticipated to be received, and the potential use of those funds during this next biennium that's required by the federal government.

If there are hearings required to receive federal block grants during the interim that the budget section can hold those hearings as required.

**Chairman Holmberg:** We do this all the time, right?

**Allen Knudson:** Right. I'm not sure how far back it goes, but it's been a long time.

**Senator Warner:** Does the September 30 date correspond with the end of the federal fiscal year? Answer: Yes.

**Senator Robinson moved Do Pass on SCR 4001.**

**Senator Wanzek seconded**

**A roll call vote was taken. Yea: 13    Nay: 0    Absent: 0**

**Motion carried.**

**Senator Robinson will carry the bill.**
