

2015 LEGISLATION DIRECTLY AFFECTING THE LEGISLATIVE MANAGEMENT AND THE LEGISLATIVE ASSEMBLY

This memorandum identifies 2015 legislation that directly affects the responsibilities of the Legislative Management, Legislative Council, or the Legislative Assembly. Some provisions are listed under more than one heading to ensure that each heading contains a comprehensive list of applicable provisions. This memorandum:

- Does not describe discretionary Legislative Management study directives that are contained in concurrent resolutions.
- Does not describe those provisions in bills which require agencies to report to the Appropriations Committees of the 65th Legislative Assembly regarding one-time funding items.
- Does not describe those provisions in bills which require the Governor to submit to the 65th Legislative Assembly proposed appropriations acts in separate appropriations bills.
- Does not describe those provisions in bills which require agencies to introduce legislation seeking state funding for certain projects.

In summary, 2015 legislation:

- Eliminates the statutory Advisory Commission on Intergovernmental Relations and provides statutory authority for the Legislative Management to appoint task forces to study intergovernmental issues;
- Establishes a statutory requirement for the Legislative Management to assign to an interim committee the analysis of existing economic development incentives in an ongoing cycle;
- Establishes an Incarceration Issues Committee for the 2015-16 interim;
- Requires 16 interim studies to be conducted;
- Establishes 56 new reporting requirements to the Legislative Management, specific committees of the Legislative Management (other than the Budget Section), or to the Legislative Council;
- Establishes or extends 20 reporting requirements to the Budget Section;
- Establishes five new approval authorities by the Budget Section;
- Establishes seven new reporting requirements to the Legislative Assembly;
- Establishes 13 new reporting requirements to the Appropriations Committees of the Legislative Assembly; and
- Establishes two new requirements for legislative confirmation of tribal-state tax agreements.

LEGISLATIVE MANAGEMENT Appointments

Senate Bill No. 2031 - Section 28 establishes a school district reporting review committee chaired by the Superintendent of Public Instruction and including 13 members, including three legislative members consisting of the Chairmen of the Senate and House Education Committees and one legislative member of the minority party appointed by the Chairman of the Legislative Management.

House Bill No. 1015 - Section 4 creates a committee to study pretrial services, sentencing alternatives, treatment options, and other related issues and requires the Legislative Management to appoint two members of the House Appropriations Committee, two members of the Senate Appropriations Committee, one member of the House Judiciary Committee, and one member of the Senate Judiciary Committee.

House Bill No. 1432 - Section 1 creates a statutory Federal Environmental Law Impact Review Committee of 11 members, including the House and Senate Majority Leaders, or their designees, and one Legislative Assembly member from the minority party, selected by the Chairman of the Legislative Management.

Senate Bill No. 2367 - Section 1 creates a 20-member task force chaired by the Attorney General and staffed by the Department of Human Services. The Legislative Management is to appoint as members, one member of the Senate and one member of the House of Representatives.

House Bill No. 1406 - Section 3 eliminates the requirement that the Chairman of the Legislative Management appoint one member of the House of Representatives and one member of the Senate to represent North Dakota on the Streamlined Sales Tax State and Local Advisory Council. The bill retains the requirement that the Chairman of the Legislative Management appoint two members of the House of Representatives and two members of the Senate to the Streamlined Sales Tax Governing Board.

Public Records

Senate Bill No. 2015 - Section 25 creates a new section to North Dakota Century Code Chapter 44-04 providing that any record of the Legislative Council relating to a request for public records made by the Legislative Council on behalf of a legislator is a public record.

Statutory Legislative Committees

Advisory Commission on Intergovernmental Relations

Senate Bill No. 2300 - Eliminates the Advisory Commission on Intergovernmental Relations and allows the Legislative Management to appoint task forces on intergovernmental issues. The Legislative Management is to appoint task force members, the majority of whom must be members of the Legislative Assembly.

Energy Development and Transmission Committee

House Bill No. 1358 - Section 8 requires the Energy Development and Transmission Committee to receive a report from the Energy and Environmental Research Center by December 1, 2015, regarding recommendations on existing regulations on construction and monitoring of crude oil and produced water pipelines, to determine the feasibility and cost-effectiveness of requiring leak detection and monitoring technology on new and existing pipeline systems.

Senate Bill No. 2037 - Section 5 requires the Energy Development and Transmission Committee to receive a report from the Public Service Commission at least once each year of the 2015-16 interim, on the most current information available on the status of retail sales of electricity in the state meeting or exceeding the state renewable and recycled energy objective established in Section 49-02-28 and a comparison of the amount of renewable and recycled energy produced in the state with the amount sold at retail in the state.

Information Technology Committee

House Bill No. 1021 - Section 3 requires the Information Technology Committee to receive a report from the Information Technology Department before July 1, 2016, on the findings of the consultant hired by the Health Information Technology Office to provide for a health data study.

House Bill No. 1330 - Section 1 requires the Information Technology Committee to receive a report from the Secretary of State certifying that the information technology components of the electronic filing system are ready for implementation before August 1, 2016.

Water Topics Overview Committee

House Bill No. 1061 - Allows the Water Topics Overview Committee to meet with the State Water Commission.

Senate Bill No. 2020 - Section 14 requires the Water Topics Overview Committee to receive reports from the Garrison Conservancy District to review its progress in planning and designing the Red River Valley Water Supply Project.

Section 18 requires the committee to receive notification from the State Water Commission of funding transfers authorized under this section and approved by the Budget Section.

Section 26 requires the committee to receive a report from the State Water Commission every six months during the 2015-16 interim regarding any changes made to the State Water Commission priority projects list presented to the 64th Legislative Assembly for the 2015-17 biennium.

Section 27 requires the committee to receive a report from the F-M Diversion Authority Board biannually regarding an update on congressional authorization of the diversion project and the status of the self-insured crop insurance pool; mitigation efforts, alternatives, and costs; easements; and the project budget. The MNDak Upstream Coalition shall report biannually regarding an update on the impacts of the Fargo flood control project and mitigation efforts, alternatives, and costs.

Workers' Compensation Review Committee

House Bill No. 1416 - Section 3 requires the committee to receive a report from Workforce Safety and Insurance before August 1, 2016, on whether there is an industry interest in using safety programs under Section 65-03-04 to provide grants to an industry association to provide alcohol server training to employees of bars and restaurants in order to address workplace safety and public safety.

Mandatory Studies

House Bill No. 1012 - Section 10 requires the Legislative Management to study the truck size and weight provisions under Chapter 39-12 relating to size, width, and height restrictions, in order to ensure the state of North Dakota may harmonize its truck size and weight regulations with the regulations of the states in the Western States Transportation Alliance, and shall utilize the findings of the collaborative study of the Department of Transportation and the Upper Great Plains Transportation Institute to determine appropriate changes to state law.

House Bill No. 1015 - Section 4 requires the Legislative Management shall create an Incarceration Issues Committee which shall study pretrial services, sentencing alternatives, treatment options, and other related issues. Section 3 provides an appropriation of \$50,000 to the Legislative Council for 2015-17 biennium consulting services to assist with a Legislative Management study of incarceration issues.

House Bill No. 1028 - Section 1 requires the Legislative Management to study provisions of Century Code that relate to agriculture, for the purposes of eliminating provisions that are irrelevant or duplicative, clarifying provisions that are inconsistent or unclear in their intent and direction, and rearranging provisions in a logical order.

House Bill No. 1081 - Section 5 requires the Legislative Management to study Game and Fish Department licenses provided to entities for the purpose of fundraising.

House Bill No. 1083 - Section 1 requires the Legislative Management to study the statutory and regulatory requirements placed on North Dakota state government agencies by United States government agencies as a condition of the receipt of federal funding to determine whether there are viable options to meet the needs of our state without having the federal government's oversight and involvement, which state needs can be met if federal funding associated with undesirable regulation or excessive direct and indirect costs is refused, and whether the benefit of accepting certain federal funds outweighs the benefit of participation in the federal programs.

House Bill No. 1095 - Section 4 requires the Legislative Management to assign to the Water Topics Overview Committee the responsibility of studying the use of quick take in eminent domain by water resource districts. The study must include input from stakeholders, including the State Water Commission, water resource districts, and landowners.

House Bill No. 1165 - Section 1 requires the Legislative Management to study, in conjunction with representatives of the executive and judicial branches and other stakeholders, justice reinvestment reforms. The Legislative Management shall participate with representatives of the executive and judicial branches and other stakeholders such as judges, prosecutors, defense attorneys, victims' advocates, corrections staff, law enforcement agencies, and service providers to seek cost-effective and evidence-based strategies to enhance public safety and properly manage corrections and supervision populations. The Legislative Management shall cooperate with representatives of the executive and judicial branches to seek technical assistance as appropriate from the United States Bureau of Justice Assistance, The PEW Charitable Trusts, and the Council of State Governments' Justice Center to conduct the reform initiative.

House Bill No. 1377 - Section 5 requires the Legislative Management to study truck permitting systems in oil- and gas-producing counties. The study must review the North Dakota Association of Oil and Gas Producing Counties' uniform county truck permit program, including the system's integration with the Highway Patrol's online electronic truck permitting and routing system and the communications between county representatives and industry representatives regarding road conditions. The study must evaluate the appropriateness of additional fees assessed by the board of county commissioners and other local authorities to the oil and gas industry related to additional road permitting fees and analyze other relevant data regarding uniform truck permitting fees and procedures. The study must include input from representatives of the North Dakota Petroleum Council, representatives of the North Dakota Association of Oil and Gas Producing Counties, and other interested persons.

House Bill No. 1378 - Section 1 requires the Legislative Management to study the proposed and final federal rules issued by the federal Health and Human Services Department relating to the essential health benefits under the federal Affordable Care Act. Specifically, the study must include a review of the rules relating to the state's ability to participate in defining the state-based essential health benefits package for plan years 2017 and beyond, how the state may be authorized to select a benchmark plan for plan years 2017 and beyond, and the deadlines related to these rules and related decisions.

Senate Bill No. 2015 - Section 40 requires the Legislative Management to study the functions of the Budget Section. The study must review the duties and studies assigned to the Budget Section and the ability of the Budget Section to authorize financial decisions, including full-time equivalent (FTE) positions, North Dakota University System building projects, and project scope changes.

Section 42 requires the Legislative Management to study the current scientific and economic information regarding oil and gas recovery and enhanced recovery techniques, including the use of carbon dioxide, the timeline for implementing the techniques, and the estimated future annual economic impact, to evaluate existing and alternative tax incentives and recommend tax incentives that under current and foreseeable conditions, and within different oil formations, would best serve the interests of the state, political subdivisions, and fossil fuel energy production industries. Section 11 provides an appropriation of \$400,000 to the Legislative Council for a 2015-17 biennium consultant study of oil and gas tax incentives and recovery techniques.

Senate Bill No. 2020 - Section 22 requires the Legislative Management to study options available for providing a sustainable water supply to central and eastern North Dakota.

Senate Bill No. 2031 - Section 29 requires the Legislative Management to study content standards and assessments. The study must provide for a review of the content standards applicable to all grade levels in this state, from kindergarten through grade 12, in the areas of English language arts and mathematics; compare the content standards of this state to those of other states that are recognized as having high academic achievement levels; and review the standards development process. The study must review the purpose of general and alternate student assessments, examine the availability of existing and proposed assessment models, and examine the assessments utilized by other states that are recognized as having high academic achievement levels. The study must review those sections of the Elementary and Secondary Education Act [20 U.S.C. 6301, et seq.] that address standards, assessments, accountability, and local flexibility, and any recent pertinent regulatory changes or policy statements issued by the United States Department of Education. The Legislative Council may seek assistance from individuals who are content specialists at the higher education level, individuals who are content and assessment specialists at the elementary or high school level, and other professionals, as necessary, to complete the directives of this section.

Senate Bill No. 2057 - Section 1 requires the Legislative Management to study the analysis of economic development tax incentives as provided in Section 54-35-26.

Senate Bill No. 2206 - Section 12 requires the Legislative Management to conduct a study to develop a proposed transition plan for transferring the costs of operating social services programs from county property tax levies to state general fund appropriations. A proposed transition plan must include a timeline for the major milestones of the transition plan, considerations for the transition, estimated costs, a plan to require a property tax reduction for the amount of the budgeted savings brought about by the transfer of county social services costs to the state, a plan resulting in the elimination of the county social services levy under Section 50-06.2-05, and potential legislation to implement recommended changes. The study must include consideration of the feasibility of implementing the proposed transition plan.

Senate Bill No. 2318 - Section 4 requires the Legislative Management to study the oil extraction tax exemption available for incremental production from a tertiary recovery project that uses carbon dioxide. The study must include consideration of the potential benefits and costs to industry, the state, and the environment of using carbon dioxide enhanced recovery methods. The Legislative Management shall secure assistance from the Energy and Environmental Research Center to analyze potential future usage of carbon dioxide in oil recovery operations in the Bakken and Three Forks Formations, the potential production and environmental benefits of that usage for energy industries in this state, the economic conditions in which that usage is feasible for oil producers, and the estimated fiscal effect of that usage for the state and political subdivisions.

Interim Committee Consultant Services

Senate Bill No. 2015 - Section 11 appropriates \$400,000 to the Legislative Council for consultants to study oil and gas tax incentives and oil and gas recovery techniques.

Senate Bill No. 2318 - Section 4 requires study of the oil extraction tax exemption for a tertiary recovery project using carbon dioxide. The section provides that the Legislative Management shall secure assistance from the Energy and Environmental Research Center to analyze potential future usage of carbon dioxide in oil recovery operations in the Bakken and Three Forks Formations, the potential production and environmental benefits of that usage for energy industries in this state, the economic conditions in which that usage is feasible for oil producers, and the estimated fiscal effect of that usage for the state and political subdivisions.

House Bill No. 1015 - Section 3 appropriates \$50,000 to the Legislative Council for consulting services for a study of incarceration issues.
