Page 1, line 2, after "projects" insert "; and to declare an emergency"

Page 3, line 4, insert:"

SECTION 2. EMERGENCY. This Act is declared to be an emergency measure."

Renumber accordingly

TESTIMONY

HB 1292

**Testimony of Shannon Schutt
North Dakota Recreation & Park Association
To House Political Subdivisions Committee
In Support to HB 1292
Thursday, January 26, 2023**

Chairman Longmuir and members of the Committee, my name is Shannon Schutt, and I am the executive director of the North Dakota Recreation & Park Association (NDRPA). We represent more than 900 members, primarily park districts, and work to advance parks, recreation and conservation for an enhanced quality of life in North Dakota.

We are in support of adding infrastructure for recreation and community facilities to the list of capital construction projects eligible for loans under the infrastructure revolving loan fund through the Bank of North Dakota (BND).

Park district revenue is generated from programs and fees, and property taxes and state aid. They use these funding mechanisms for their infrastructure projects. Allowing political subdivisions to apply for low interest loans for infrastructure, such as parking lots that provide access to facilities and recreation, will assist park districts both large and small in completing projects in their communities that affect the quality of life of your constituents and visitors.

For example, the Mandan Park District constructed a \$4.1 million tennis center and wanted to special assess the parking lot and infrastructure needed to support the facility. They special assessed the improvements; however, the parking lot portion did not qualify for the BND 2% infrastructure loan. The new street qualified, but the parking lot did not, even though the city managed the project and had the same contractors complete the task. Mandan Park District will end up with estimated financing at 5.5% on the parking lot portion and 2% for the street improvement. This is an additional interest cost of nearly \$500,000 if they pay over the 20-year term. The lower interest rate would have saved the taxpayers this money.

Thank you for the opportunity to express our support for HB 1292 for park district infrastructure needs.

**Testimony of Cole Higlin
North Dakota Recreation & Park Association
To Senate Industry, Business and Labor Committee
In Support to HB 1292
Tuesday, March 14, 2023**

Chairman Larsen and members of the Committee, my name is Cole Higlin, and I am the public policy chair of the North Dakota Recreation & Park Association (NDRPA). We represent more than 900 members, primarily park districts, and work to advance parks, recreation and conservation for an enhanced quality of life in North Dakota.

We are in support of adding infrastructure for recreation and community facilities to the list of capital construction projects eligible for loans under the infrastructure revolving loan fund through the Bank of North Dakota (BND).

Park district revenue is generated from programs and fees, property taxes and state aid. They use these funding mechanisms for their infrastructure projects. Allowing political subdivisions to apply for low interest loans for infrastructure, such as parking lots that provide access to facilities and recreation, will assist park districts both large and small in completing projects in their communities that affect the quality of life of your constituents and visitors.

For example, the Mandan Park District constructed a \$4.1 million tennis center and wanted to special assess the parking lot and infrastructure needed to support the facility. They special assessed the improvements; however, the parking lot portion did not qualify for the BND 2% infrastructure loan. The new street qualified, but the parking lot did not, even though the city managed the project and had the same contractors complete the task. Mandan Park District will end up with estimated financing at 5.5% on the parking lot portion and 2% for the street improvement. This is an additional interest cost of nearly \$500,000 if they pay over the 20-year term. The lower interest rate would have saved the taxpayers this money.

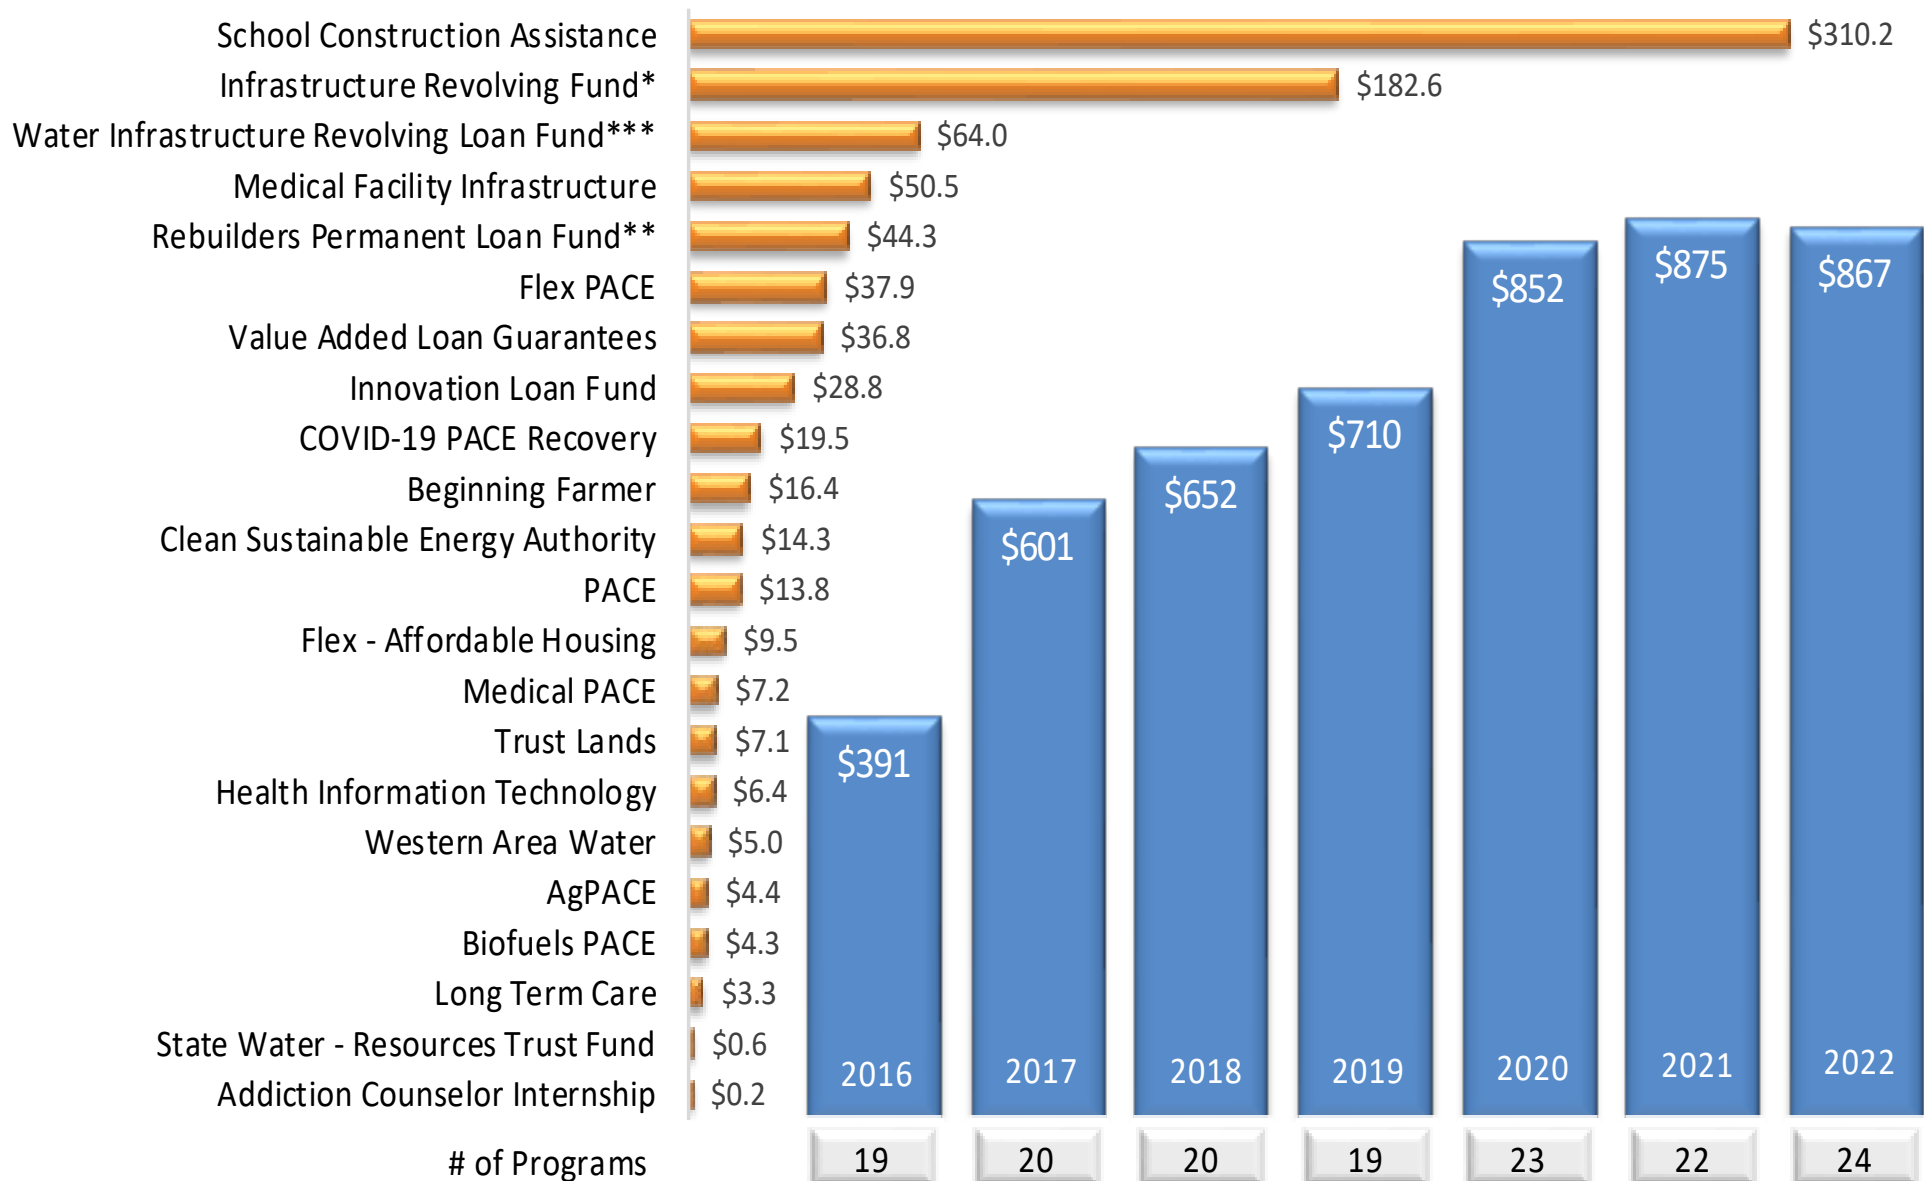

Thank you for the opportunity to express our support for HB 1292 for park district infrastructure needs.

Infrastructure Programs Administered by BND

Legislatively Directed Loan Programs

➤ BND currently administers \$867 million in net assets for legislatively directed loan programs. These programs serve a wide range of purposes, including school construction, water projects, general and medical infrastructure, and disaster recovery.

➤ *Infrastructure Revolving Fund includes \$52 million to be transferred from BND's capital.

➤ ** HB 1187 created The Rebuilders Permanent Loan Fund (RPLF) during the 67th Legislative Session. This permanent revolving loan fund was established by transferring \$50 million in loans and cash from the Small Employer Loan Fund (SELF) created by BND during the Covid 19 pandemic to the RPLF.

➤ ***The Water Infrastructure Revolving Loan Fund was created by HB 1431. The Fund combined previously reported Community Water and State Water – Revolving Loan Fund.

Total liabilities and equity	10,030,147

Loans "On Balance Sheet" in which BND participates with a Lead FI and takes the Risk / Reward that contributes to the earnings at the end of the year.

The funding for these loans is backed by the "Equity" of BND.

Infrastructure Revolving Loan Fund--\$230m

- BND Earnings--\$100m (2015)
- SIIF--\$50m (2015)
- SIIF--\$25m (2017)
- Bonding--\$50m (2021)

Why "Off Balance Sheet"

1. Long-term Fixed Interest Rate at 2%.
2. Provides for up to 30 / 40 Year Terms.

Procedurally:

BND underwrites and administers loans

Provides for Audits of the Funds

Principal and interest returned to the Fund

BND receives a .50bp service fee

Definition of Essential Infrastructure

Revised Definitions of Essential Infrastructure

Previous Definitions

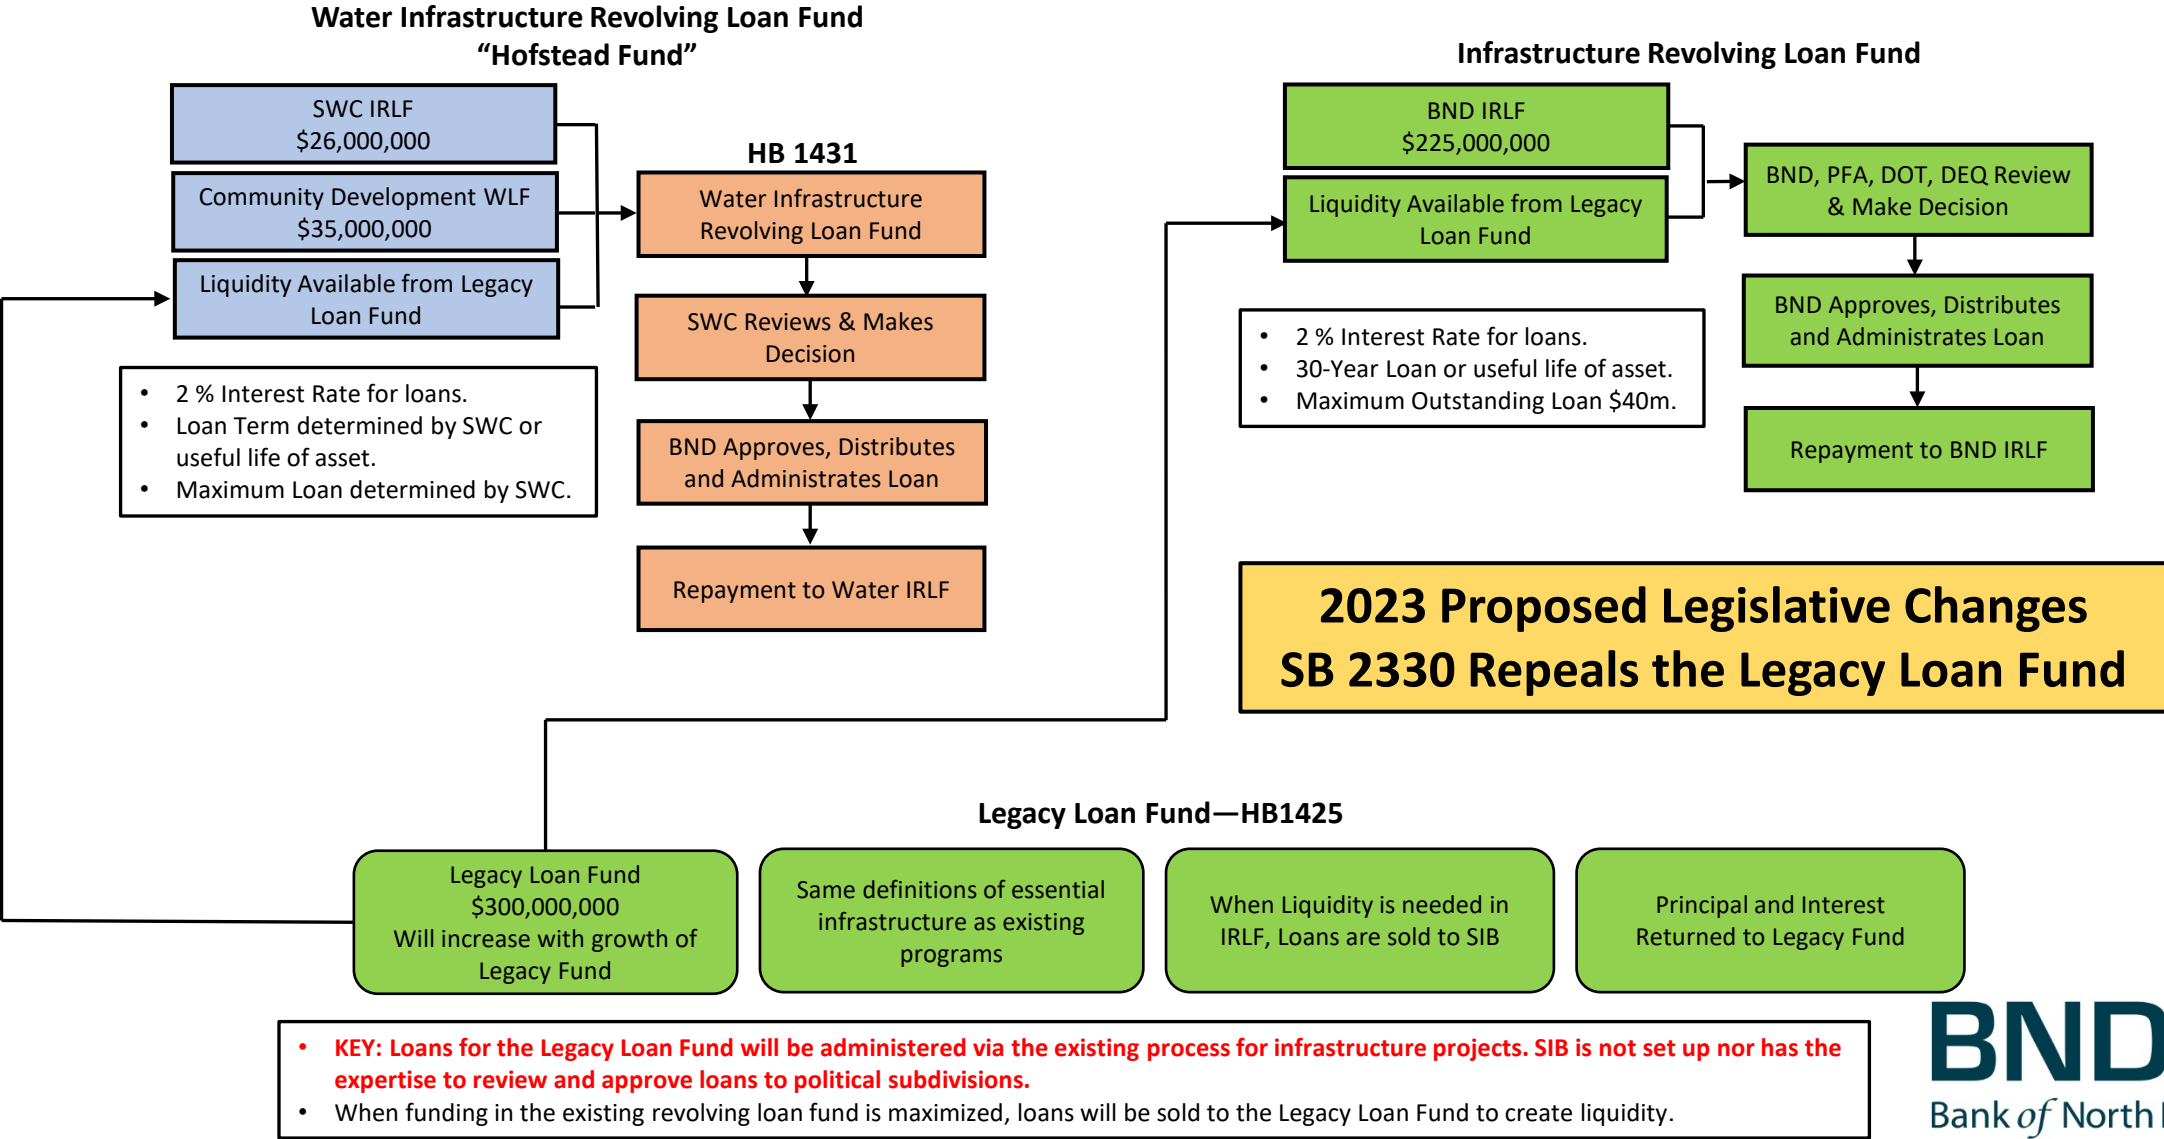

- Eligible infrastructure projects under this subsection are capital projects to construct new infrastructure or to replace infrastructure and which provide the fixed installations necessary for the function of a political subdivision. Capital construction projects exclude routine maintenance and repair projects, but include:
 - a. Water treatment plants;
 - b. Wastewater treatment plants;
 - c. Sewer lines and waterlines, including lift stations and pumping stations;
 - Water storage systems, including dams, water tanks, and water towers;
 - e. Storm water infrastructure, including curb and gutter construction;
 - **f. Road and bridge infrastructure, including paved and unpaved roads and bridges;**
 - g. Airport infrastructure;
 - h. Electricity transmission infrastructure;
 - i. Natural gas transmission infrastructure;
 - j. Communications infrastructure;
 - k. Emergency services facilities, excluding hospitals;
 - **l. Essential political subdivision building and infrastructure; and**
 - **m. The Red River valley water supply project**
 - **Flood control; Conveyance projects; Rural water supply; Water supply; and General water management.**

ND Department of Transportation will create program policy and guidelines and approve projects for transportation infrastructure

Essential buildings and infrastructure such as fire stations, municipal court facilities not including recreational facilities

ND Department of Water Resources will create program policy and guidelines and approve project for water related infrastructure
