Other Sections in Bill

Section 4 of this bill amends North Dakota Century Code (NDCC) Section 12-65-08(1) by requiring the department, if the balance of the probationer violation transportation fund exceeds \$75,000 on June 30 of the immediately preceding fiscal year, to waive any fees required to be paid by a county having jurisdiction over a probationer transferring residency to another state under the interstate compact.

Continuing Appropriations

No continuing appropriations for this agency.

Major Related Legislation

House Bill No. 1026 - This bill provides a general fund appropriation of \$38,000,000 to the Department of Corrections and Rehabilitation for the renovation and expansion of the State Penitentiary, including replacement of the east cellhouse.

House Bill No. 1159 - This bill provides a general fund appropriation of \$60,000,000 to the Department of Corrections and Rehabilitation for the acquisition of land and completion of Phase I of a project to construct a new correctional facility. The bill requires the department to contract with a prison facility consultant to develop a master site plan, including the design of a 950-bed facility with a plan for future expansion. The bill also provides legislative intent for future funding of Phase II of the correctional facility project and for the sale of the Penitentiary and Missouri River Correctional Center land and buildings with the proceeds deposited in the general fund.

House Bill No. 1076 - This bill amends NDCC Section 15.1-21-02 to exempt the high school education program at the Youth Correctional Center from high school curriculum requirements.

Senate Bill No. 2029 - This bill provides standards under which the Department of Corrections and Rehabilitation may implement an electronic home detention and global positioning system monitoring program.

Inmate Populations

Please refer to the attached schedule for information on estimated and actual monthly inmate populations for the 2005-07 and 2007-09 bienniums.
