

CHAPTER 33-04-16
PERSONS REQUIRED TO KEEP RECORDS

Section

33-04-16-01

Subregistrars Required to Keep Information

33-04-16-01. Subregistrars required to keep information. Each subregistrar shall keep a record containing as a minimum, the following information about each dead body or fetus the subregistrar handles:

1. The date, place, and time of receipt.
2. The date, place, and manner of disposition.
3. If the dead body or fetus is delivered to another subregistrar, the date of such delivery and the name and the address of the subregistrar to whom delivered.
4. Items required by the record of death or fetal death in use when the event occurs for those events for which the subregistrar is required to file the record.

History: Amended effective January 1, 2008.

General Authority: NDCC 23-02.1-04, 28-32-02

Law Implemented: NDCC 23-02.1-30
