1. Forms A, B, C, and D are intended to be guides in the preparation of the statements required by North Dakota Century Code sections 26.1-10-03 and 26.1-10-04. They are not intended to be blank forms which are to be filled in. The statements filed shall contain the numbers and captions of all items, but the text of the items may be omitted; provided, the answers are prepared so as to indicate to the reader the coverage of the items without the necessity of the reader referring to the text of the items or the instructions thereto. All instructions, whether appearing under the items of the form or elsewhere in the form, are to be omitted. Unless expressly provided otherwise, if any item is inapplicable or the answer thereto is in the negative, an appropriate statement to that effect shall be made.
2. Two complete copies of each statement including exhibits and all other papers and documents filed as a part of the statement shall be filed with the commissioner by personal delivery or mail addressed to: Commissioner of Insurance, Fifth Floor, State Capitol, Bismarck, North Dakota 58505, Attention: Legal Department. A copy of Form C must be filed in each state in which an insurer is authorized to do business, if the commissioner of that state has notified the insurer of its request in writing, in which case the insurer has ten days from the receipt of the notice to file such form. At least one of the copies shall be manually signed in the manner prescribed on the form. Unsigned copies shall be conformed. If the signature of any person is affixed pursuant to a power of attorney or other similar authority, a copy of such power of attorney or other authority shall also be filed with the statement.
3. Statements should be prepared on paper eight and one-half inches by eleven inches or eight and one-half inches by thirteen inches [21.59 centimeters by 27.94 centimeters or 21.59 centimeters by 33.02 centimeters] in size and preferably bound at the top or the top left-hand corner. In addition to the statement, the summary or outline may incorporate by reference particular parts of any exhibit or document on file with the commissioner which were filed within three years and may be qualified in its entirety by the reference. In any case where two or more documents required to be filed as exhibits are substantially identical in all material respects except as to the parties thereto, the dates of execution, or other details, a copy of only one of the documents need be filed with a schedule identifying the omitted documents and setting forth the material details in which the documents differ from the documents a copy of which is filed.

45-03-05-19. Adequacy of surplus. The factors set forth in subsection 6 of North Dakota Century Code section 26.1-10-05 are not intended to be an exhaustive list. In determining the adequacy and reasonableness of an insurer's surplus, no single factor shall be controlling. The commissioner, instead, will consider the net effect of all of these factors plus other factors bearing on the financial condition of the insurer. In comparing the surplus maintained by other insurers, the commissioner will consider the extent to which each of these factors varies from company to company and in determining the quality and liquidity of investments in subsidiaries, the commissioner will consider the individual subsidiary and may discount or disallow its valuation to the extent that the individual investments so warrant.
