An accredited reinsurer must:
 - a. File a properly executed form AR-1 as evidence of its submission to this state's jurisdiction and to this state's authority to examine its books and records;
 - b. File with the commissioner a certified copy of a certificate of authority or other acceptable evidence that it is licensed to transact insurance or reinsurance in at least one state, or, in the case of a United States branch of an alien assuming insurer, is entered through and licensed to transact insurance or reinsurance in at least one state;
 - c. File annually with the commissioner a copy of its annual statement filed with the insurance department of its state of domicile or, in the case of an alien assuming insurer, with the state through which it is entered and in which it is licensed to transact insurance or reinsurance, and a copy of its most recent audited financial statement; and

1. Pursuant to subsection 5 of North Dakota Century Code section 26.1-31.2-01, the commissioner shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer that, as of any date on which statutory financial statement credit for reinsurance is claimed, and thereafter for so long as credit for reinsurance is claimed, maintains a trust fund in an amount prescribed in this section in a qualified United States financial institution as defined in subsection 2 of North Dakota Century Code section 26.1-31.2-03, for the payment of the valid claims of its United States domiciled ceding insurers, their assigns and successors in interest. The assuming insurer shall report annually to the commissioner substantially the same information as that required to be reported on the national association of insurance commissioners annual statement form by licensed insurers, to enable the commissioner to determine the sufficiency of the trust fund.
2. The following requirements apply to the following categories of assuming insurer:
 - a. The trust fund for a single assuming insurer must consist of funds in trust in an amount not less than the assuming insurer's liabilities attributable to reinsurance ceded by United

States domiciled insurers, and in addition, the assuming insurer shall maintain a trustee surplus of not less than twenty million dollars, except as provided in subdivision b.

- b. At any time after the assuming insurer has permanently discontinued underwriting new business secured by the trust for at least three full years, the commissioner with principal regulatory oversight of the trust may authorize a reduction in the required trustee surplus, but only after a finding, based on an assessment of the risk, that the new required surplus level is adequate for the protection of United States ceding insurers, policyholders, and claimants in light of reasonably foreseeable adverse loss development. The risk assessment may involve an actuarial review, including an independent analysis of reserves and cash flows, and shall consider all material risk factors, including when applicable the lines of business involved, the stability of the incurred loss estimates and the effect of the surplus requirements on the assuming insurer's liquidity or solvency. The minimum required trustee surplus may not be reduced to an amount less than thirty percent of the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers covered by the trust.
- c. (1) The trust fund for a group, including incorporated and individual unincorporated underwriters, must consist of:
 - (a) For reinsurance ceded under reinsurance agreements with an inception, amendment, or renewal date on or after January 1, 1993, funds in trust in an amount not less than the respective underwriters' several liabilities attributable to business ceded by the United States domiciled ceding insurers to any underwriter of the group;
 - (b) For reinsurance ceded under reinsurance agreements with an inception date on or before December 31, 1992, and not amended or renewed after that date, notwithstanding the other provisions of this chapter, funds in trust in an amount not less than the respective underwriters' several insurance and reinsurance liabilities attributable to business written in the United States; and
 - (c) In addition to these trusts, the group shall maintain a trustee surplus of which one hundred million dollars must be held jointly for the benefit of the United States domiciled ceding insurers of any member of the group for all years of account.
- (2) The incorporated members of the group may not be engaged in any business other than underwriting as a member of the group and must be subject to the same level of regulation solvency control by the group's domiciliary regulator as are the unincorporated members. The group shall, within ninety days after its financial statements are due to be filed with the group's domiciliary regulator, provide to the commissioner:
 - (a) An annual certification by the group's domiciliary regulator of the solvency of each underwriter member of the group; or
 - (b) If a certification is unavailable, a financial statement prepared by independent public accountants, of each underwriter member of the group.
- d. (1) The trust fund for a group of incorporated insurers under common administration, whose members possess aggregate policyholders surplus of ten billion dollars, calculated and reported in substantially the same manner as prescribed by the annual statement instructions and accounting practices and procedures manual of the national association of insurance commissioners, and which has continuously

transacted an insurance business outside the United States for at least three years immediately prior to making application for accreditation, must:

- (a) Consist of funds in trust in an amount not less than the assuming insurers' several liabilities attributable to business ceded by United States domiciled ceding insurers to any members of the group pursuant to reinsurance contracts issued in the name of the group;
 - (b) Maintain a joint trusteed surplus of which one hundred million dollars shall be held jointly for the benefit of United States domiciled ceding insurers of any member of the group; and
 - (c) File a properly executed form AR-1 as evidence of the submission to this state's authority to examine the books and records of any of its members and shall certify that any member examined will bear the expense of any examination.
 - (2) Within ninety days after the statements are due to be filed with the group's domiciliary regulator, the group shall file with the commissioner an annual certification of each underwriter member's solvency by the members' domiciliary regulators and financial statements, prepared by independent public accountants, of each underwriter member of the group.
3. a. Credit for reinsurance shall not be granted unless the form of the trust and any amendments to the trust have been approved by either the commissioner of the state where the trust is domiciled or the commissioner of another state who, pursuant to the terms of the trust instrument, has accepted responsibility for regulatory oversight of the trust. The form of the trust and any trust amendments also shall be filed with the commissioner of every state in which the ceding insurer beneficiaries of the trust are domiciled. The trust instrument must provide that:
 - (1) Contested claims shall be valid and enforceable out of funds in trust to the extent remaining unsatisfied thirty days after entry of the final order of any court of competent jurisdiction in the United States;
 - (2) Legal title to the assets of the trust shall be vested in the trustee for the benefit of the grantor's United States ceding insurers, their assigns and successors in interest;

- b. (1) Notwithstanding any other provisions in the trust instrument, if the trust fund is inadequate because it contains an amount less than the amount required by this subsection or if the grantor of the trust has been declared insolvent or placed into receivership, rehabilitation, liquidation, or similar proceedings under the laws of its state or country of domicile, the trustee shall comply with an order of the commissioner with regulatory oversight over the trust or with an order of a court of competent jurisdiction directing the trustee to transfer to the commissioner with

- (2) The assets shall be distributed by and claims shall be filed with and valued by the commissioner with regulatory oversight over the trust in accordance with the laws of the state in which the trust is domiciled applicable to the liquidation of domestic insurance companies.

 - (4) The grantor shall waive any right otherwise available to it under United States law that is inconsistent with this provision.
4. For purposes of this section, the term "liabilities" means the assuming insurer's gross liabilities attributable to reinsurance ceded by United States domiciled insurers excluding liabilities that are otherwise secured by acceptable means, and includes:

The one year deferral period is contingent upon the certified reinsurer continuing to pay claims in a timely manner. Factors that may be considered as part of the evaluation process include the following:
 - (1) The certified reinsurer's financial strength rating from an acceptable rating agency. The maximum rating that a certified reinsurer may be assigned will correspond to its financial strength rating as outlined in the table below. The commissioner shall use the lowest financial strength rating received from an approved rating agency in establishing the maximum rating of a certified reinsurer.  - (6) Regulatory actions against the certified reinsurer;
 - (7) The report of the independent auditor on the financial statements of the insurance enterprise, on the basis described in paragraph 8;
 - (8) For certified reinsurers not domiciled in the United States, audited financial statements, regulatory filings, and actuarial opinion as filed with the non-United States jurisdiction supervisor, with a translation into English.
- Upon the initial application for certification, the commissioner will consider audited financial statements for the last two years filed with its non-United States jurisdiction supervisor;
- (9) The liquidation priority of obligations to a ceding insurer in the certified reinsurer's domiciliary jurisdiction in the context of an insolvency proceeding;
 - (10) A certified reinsurer's participation in any solvent scheme of arrangement, or similar procedure, which involves United States ceding insurers. The commissioner shall receive prior notice from a certified reinsurer that proposes participation by the certified reinsurer in a solvent scheme of arrangement; and

- (11) Any other information deemed relevant by the commissioner.
- e. Based on the analysis conducted under paragraph 5 of subdivision d of a certified reinsurer's reputation for prompt payment of claims, the commissioner may make appropriate adjustments in the security the certified reinsurer is required to post to protect its liabilities to United States ceding insurers, provided that the commissioner shall, at a minimum, increase the security the certified reinsurer is required to post by one rating level under paragraph 1 of subdivision d if the commissioner finds that:
- (1) More than fifteen percent of the certified reinsurer's ceding insurance clients have overdue reinsurance recoverables on paid losses of ninety days or more which are not in dispute and which exceed one hundred thousand dollars for each cedent; or
 - (2) The aggregate amount of reinsurance recoverables on paid losses which are not in dispute that are overdue by ninety days or more exceeds fifty million dollars.
- f. The assuming insurer must submit a properly executed form CR-1, attached as an exhibit to this chapter, as evidence of its submission to the jurisdiction of this state, appointment of the commissioner as an agent for service of process in this state, and agreement to provide security for one hundred percent of the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers if it resists enforcement of a final United States judgment. The commissioner shall not certify any assuming insurer that is domiciled in a jurisdiction that the commissioner has determined does not adequately and promptly enforce final United States judgments or arbitration awards.
- g. The certified reinsurer must agree to meet applicable information filing requirements as determined by the commissioner, both with respect to an initial application for certification and on an ongoing basis. All information submitted by certified reinsurers which are not otherwise public information subject to disclosure shall be exempted from disclosure under North Dakota Century Code section 44-04-18 and shall be withheld from public disclosure. The applicable information filing requirements are, as follows:
- (1) Notification within ten days of any regulatory actions taken against the certified reinsurer, any change in the provisions of its domiciliary license or any change in rating by an approved rating agency, including a statement describing the changes and the reasons therefor;
 - (2) Annually, form CR-F or CR-S, as applicable;
 - (3) Annually, the report of the independent auditor on the financial statements of the insurance enterprise, on the basis described in paragraph 4;
 - (4) Annually, the most recent audited financial statements, regulatory filings, and actuarial opinion as filed with the certified reinsurer's supervisor, with a translation into English.

Upon the initial certification, audited financial statements for the last two years filed with the certified reinsurer's supervisor;
 - (5) At least annually, an updated list of all disputed and overdue reinsurance claims regarding reinsurance assumed from United States domestic ceding insurers;
 - (6) A certification from the certified reinsurer's domestic regulator that the certified reinsurer is in good standing and maintains capital in excess of the jurisdiction's highest regulatory action level; and

(7) Any other information that the commissioner may reasonably require.

h. Change in rating or revocation of certification.

- (1) In the case of a downgrade by a rating agency or other disqualifying circumstance, the commissioner shall upon written notice assign a new rating to the certified reinsurer in accordance with the requirements of paragraph 1 of subdivision d.
- (2) The commissioner shall have the authority to suspend, revoke, or otherwise modify a certified reinsurer's certification at any time if the certified reinsurer fails to meet its obligations or security requirements under this section, or if other financial or operating results of the certified reinsurer, or documented significant delays in payment by the certified reinsurer, lead the commissioner to reconsider the certified reinsurer's ability or willingness to meet its contractual obligations.
- (3) If the rating of a certified reinsurer is upgraded by the commissioner, the certified reinsurer may meet the security requirements applicable to its new rating on a prospective basis, but the commissioner shall require the certified reinsurer to post security under the previously applicable security requirements as to all contracts in force on or before the effective date of the upgraded rating. If the rating of a certified reinsurer is downgraded by the commissioner, the commissioner shall require the certified reinsurer to meet the security requirements applicable to its new rating for all business it has assumed as a certified reinsurer.
- (4) Upon revocation of the certification of a certified reinsurer by the commissioner, the assuming insurer shall be required to post security in accordance with section 45-03-07.1-06 in order for the ceding insurer to continue to take credit for reinsurance ceded to the assuming insurer. If funds continue to be held in trust in accordance with section 45-03-07.1-04, the commissioner may allow additional credit equal to the ceding insurer's pro rata share of the funds, discounted to reflect the risk of uncollectibility and anticipated expenses of trust administration. Notwithstanding the change of a certified reinsurer's rating or revocation of its certification, a domestic insurer that has ceded reinsurance to that certified reinsurer may not be denied credit for reinsurance for a period of three months for all reinsurance ceded to that certified reinsurer, unless the reinsurance is found by the commissioner to be at high risk of uncollectibility.

3. Qualified jurisdictions.

- a. If, upon conducting an evaluation under this section with respect to the reinsurance supervisory system of any non-United States assuming insurer, the commissioner determines that the jurisdiction qualifies to be recognized as a qualified jurisdiction, the commissioner shall publish notice and evidence of the recognition in an appropriate manner. The commissioner may establish a procedure to withdraw recognition of those jurisdictions that are no longer qualified.
- b. In order to determine whether the domiciliary jurisdiction of a non-United States assuming insurer is eligible to be recognized as a qualified jurisdiction, the commissioner shall evaluate the reinsurance supervisory system of the non-United States jurisdiction, both initially and on an ongoing basis, and consider the rights, benefits, and the extent of reciprocal recognition afforded by the non-United States jurisdiction to reinsurers licensed and domiciled in the United States. The commissioner shall determine the appropriate approach for evaluating the qualifications of jurisdictions, and create and publish a list of jurisdictions whose reinsurers may be approved by the commissioner as eligible for certification. A qualified jurisdiction must agree to share information and cooperate with the commissioner with respect to all certified reinsurers domiciled within that jurisdiction.

Additional factors to be considered in determining whether to recognize a qualified jurisdiction, in the discretion of the commissioner, include the following:

- (1) The framework under which the assuming insurer is regulated.
 - (2) The structure and authority of the domiciliary regulator with regard to solvency regulation requirements and financial surveillance.
 - (3) The substance of financial and operating standards for assuming insurers in the domiciliary jurisdiction.
 - (4) The form and substance of financial reports required to be filed or made publicly available by reinsurers in the domiciliary jurisdiction and the accounting principles used.
 - (5) The domiciliary regulator's willingness to cooperate with United States regulators in general and the commissioner in particular.
 - (6) The history of performance by assuming insurers in the domiciliary jurisdiction.
 - (7) Any documented evidence of substantial problems with the enforcement of final United States judgments in the domiciliary jurisdiction. A jurisdiction will not be considered to be a qualified jurisdiction if the commissioner has determined that it does not adequately and promptly enforce final United States judgments or arbitration awards.
 - (8) Any relevant international standards or guidance with respect to mutual recognition of reinsurance supervision adopted by the international association of insurance supervisors or successor organization.
 - (9) Any other matters deemed relevant by the commissioner.
- c. A list of qualified jurisdictions shall be published through the national association of insurance commissioners committee process. The commissioner shall consider this list in determining qualified jurisdictions. If the commissioner approves a jurisdiction as qualified that does not appear on the list of qualified jurisdictions, the commissioner shall provide thoroughly documented justification with respect to the criteria provided under paragraphs 1 through 9 of subdivision b.
- d. United States jurisdictions that meet the requirements for accreditation under the national association of insurance commissioners financial standards and accreditation program shall be recognized as qualified jurisdictions.
4. Recognition of certification issued by a national association of insurance commissioners accredited jurisdiction.
- a. If an applicant for certification has been certified as a reinsurer in a national association of insurance commissioners accredited jurisdiction, the commissioner has the discretion to defer to that jurisdiction's certification, and to defer to the rating assigned by that jurisdiction, if the assuming insurer submits a properly executed form CR-1 and the additional information as the commissioner requires. The assuming insurer shall be considered to be a certified reinsurer in this state.
 - b. Any change in the certified reinsurer's status or rating in the other jurisdiction shall apply automatically in this state as of the date it takes effect in the other jurisdiction. The certified reinsurer shall notify the commissioner of any change in its status or rating within ten days after receiving notice of the change.

- c. The commissioner may withdraw recognition of the other jurisdiction's rating at any time and assign a new rating in accordance with paragraph 1 of subdivision g of subsection 2.
 - d. The commissioner may withdraw recognition of the other jurisdiction's certification at any time, with written notice to the certified reinsurer. Unless the commissioner suspends or revokes the certified reinsurer's certification in accordance with paragraph 2 of subdivision g of subsection 2, the certified reinsurer's certification shall remain in good standing in this state for a period of three months, which shall be extended if additional time is necessary to consider the assuming insurer's application for certification in this state.
5. Mandatory funding clause. In addition to the clauses required under section 45-03-07.1-10, reinsurance contracts entered into or renewed under this section shall include a proper funding clause, which requires the certified reinsurer to provide and maintain security in an amount sufficient to avoid the imposition of any financial statement penalty on the ceding insurer under this section for reinsurance ceded to the certified reinsurer.
6. The commissioner shall comply with all reporting and notification requirements that may be established by the national association of insurance commissioners with respect to certified reinsurers and qualified jurisdictions.

45-03-07.1-04.2. Credit for reinsurance - Reciprocal jurisdictions.

- 1. Pursuant to subsection 7 of North Dakota Century Code section 26.1-31.2-01, the commissioner shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer that is licensed to write reinsurance by, and has its head office or is domiciled in, a reciprocal jurisdiction, and which meets the other requirements of this rule.
- 2. A "reciprocal jurisdiction" is a jurisdiction, as designated by the commissioner pursuant to subdivision d, that meets one of the following:
 - a. A non-United States jurisdiction that is subject to an in-force covered agreement with the United States, each within its legal authority, or, in the case of a covered agreement between the United States and the European Union, is a member state of the European Union.
 - b. For purposes of this subsection, a "covered agreement" is an agreement entered into pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act, 31 U.S.C. sections 313 and 314, that is currently in effect or in a period of provisional application and addresses the elimination, under specified conditions, of collateral requirements as a condition for entering into any reinsurance agreement with a ceding insurer domiciled in this state or for allowing the ceding insurer to recognize credit for reinsurance;
 - c. A United States jurisdiction that meets the requirements for accreditation under the national association of insurance commissioners financial standards and accreditation program; or
 - d. A qualified jurisdiction, as determined by the commissioner pursuant to subdivision c of subsection 6 of North Dakota Century Code section 26.1-31.2-01 and subsection 3 of section 45-03-07.1-04.1, which is not otherwise described in subdivision a or b and which the commissioner determines meets all of the following additional requirements:

- (1) Provides that an insurer which has its head office or is domiciled in such qualified jurisdiction shall receive credit for reinsurance ceded to a United States-domiciled assuming insurer in the same manner as credit for reinsurance is received for reinsurance assumed by insurers domiciled in such qualified jurisdiction;
 - (2) Does not require a United States-domiciled assuming insurer to establish or maintain a local presence as a condition for entering into a reinsurance agreement with any ceding insurer subject to regulation by the non-United States jurisdiction or as a condition to allow the ceding insurer to recognize credit for such reinsurance;
 - (3) Recognizes the United States state regulatory approach to group supervision and group capital, by providing written confirmation by a competent regulatory authority, in such qualified jurisdiction, that insurers and insurance groups that are domiciled or maintain their headquarters in this state or another jurisdiction accredited by the national association of insurance commissioners shall be subject only to worldwide prudential insurance group supervision, including worldwide group governance, solvency and capital, and reporting, as applicable, by the commissioner or the commissioner of the domiciliary state and will not be subject to group supervision at the level of the worldwide parent undertaking of the insurance or reinsurance group by the qualified jurisdiction; and
 - (4) Provides written confirmation by a competent regulatory authority in such qualified jurisdiction that information regarding insurers and their parent, subsidiary, or affiliated entities, if applicable, shall be provided to the commissioner in accordance with a memorandum of understanding or similar document between the commissioner and such qualified jurisdiction, including the International Association of Insurance Supervisors Multilateral Memorandum of Understanding or other multilateral memoranda of understanding coordinated by the national association of insurance commissioners.
3. Credit must be allowed when the reinsurance is ceded from an insurer domiciled in this state to an assuming insurer meeting each of the conditions set forth below.
- a. The assuming insurer must be licensed to transact reinsurance by, and have its head office or be domiciled in, a reciprocal jurisdiction.
 - b. The assuming insurer must have and maintain on an ongoing basis minimum capital and surplus, or its equivalent, calculated on at least an annual basis as of the preceding December thirty-first or at the annual date otherwise statutorily reported to the reciprocal jurisdiction, and confirmed as set forth in subdivision g according to the methodology of its domiciliary jurisdiction, in the following amounts:
 - (1) No less than two hundred fifty million dollars; or
 - (2) If the assuming insurer is an association, including incorporated and individual unincorporated underwriters:
 - (a) Minimum capital and surplus equivalents (net of liabilities) or own funds of the equivalent of at least two hundred fifty million dollars; and
 - (b) A central fund containing a balance of the equivalent of at least two hundred and fifty million dollars.
 - c. The assuming insurer must have and maintain on an ongoing basis a minimum solvency or capital ratio, as applicable, as follows:

- (1) If the assuming insurer has its head office or is domiciled in a reciprocal jurisdiction as defined in subdivision a of subsection 2, the ratio specified in the applicable covered agreement;
 - (2) If the assuming insurer is domiciled in a reciprocal jurisdiction as defined in subdivision b of subsection 2, a risk-based capital ratio of three hundred percent of the authorized control level, calculated in accordance with the formula developed by the national association of insurance commissioners; or
 - (3) If the assuming insurer is domiciled in a reciprocal jurisdiction as defined in subdivision c of subsection 2, after consultation with the reciprocal jurisdiction and considering any recommendations published through the national association of insurance commissioners committee process, such solvency or capital ratio as the commissioner determines to be an effective measure of solvency.
- d. The assuming insurer must agree to and provide adequate assurance, in the form of a properly executed Form RJ-1, attached as an exhibit to this chapter, of its agreement to the following:
- (1) The assuming insurer must agree to provide prompt written notice and explanation to the commissioner if it falls below the minimum requirements set forth in subdivision b or c, or if any regulatory action is taken against it for serious noncompliance with applicable law.
 - (2) The assuming insurer must consent in writing to the jurisdiction of the courts of this state and to the appointment of the commissioner as agent for service of process.
 - (a) The commissioner may also require that such consent be provided and included in each reinsurance agreement under the commissioner's jurisdiction.
 - (b) Nothing in this provision shall limit or in any way alter the capacity of parties to a reinsurance agreement to agree to alternative dispute resolution mechanisms, except to the extent such agreements are unenforceable under applicable insolvency or delinquency laws.
 - (3) The assuming insurer must consent in writing to pay all final judgments, wherever enforcement is sought, obtained by a ceding insurer, that have been declared enforceable in the territory where the judgment was obtained.
 - (4) Each reinsurance agreement must include a provision requiring the assuming insurer to provide security in an amount equal to one hundred percent of the assuming insurer's liabilities attributable to reinsurance ceded pursuant to that agreement if the assuming insurer resists enforcement of a final judgment that is enforceable under the law of the jurisdiction in which it was obtained or a properly enforceable arbitration award, whether obtained by the ceding insurer or by its legal successor on behalf of its estate, if applicable.
 - (5) The assuming insurer must confirm that it is not presently participating in any solvent scheme of arrangement, which involves this state's ceding insurers, and agrees to notify the ceding insurer and the commissioner and to provide one hundred percent security to the ceding insurer consistent with the terms of the scheme, should the assuming insurer enter into such a solvent scheme of arrangement. Such security must be in a form consistent with the provisions of subsection 6 of North Dakota Century Code section 26.1-31.2-01 and North Dakota Century Code section 26.1-31.2-02 and sections 45-03-07.1-07, 45-03-07.1-08 and 45-03-07.1-09. For purposes of this regulation, the term "solvent scheme of

arrangement" means a foreign or alien statutory or regulatory compromise procedure subject to requisite majority creditor approval and judicial sanction in the assuming insurer's home jurisdiction either to finally commute liabilities of duly noticed classed members or creditors of a solvent debtor, or to reorganize or restructure the debts and obligations of a solvent debtor on a final basis, and which may be subject to judicial recognition and enforcement of the arrangement by a governing authority outside the ceding insurer's home jurisdiction.

- (6) The assuming insurer must agree in writing to meet the applicable information filing requirements as set forth in subdivision e.
- e. The assuming insurer or its legal successor must provide, if requested by the commissioner, on behalf of itself and any legal predecessors, the following documentation to the commissioner:
- (1) For the two years preceding entry into the reinsurance agreement and on an annual basis thereafter, the assuming insurer's annual audited financial statements, in accordance with the applicable law of the jurisdiction of its head office or domiciliary jurisdiction, as applicable, including the external audit report;
 - (2) For the two years preceding entry into the reinsurance agreement, the solvency and financial condition report or actuarial opinion, if filed with the assuming insurer's supervisor;
 - (3) Before entry into the reinsurance agreement and not more than semiannually thereafter, an updated list of all disputed and overdue reinsurance claims outstanding for ninety days or more, regarding reinsurance assumed from ceding insurers domiciled in the United States; and
 - (4) Before entry into the reinsurance agreement and not more than semiannually thereafter, information regarding the assuming insurer's assumed reinsurance by ceding insurer, ceded reinsurance by the assuming insurer, and reinsurance recoverable on paid and unpaid losses by the assuming insurer to allow for the evaluation of the criteria set forth in subdivision f.
- f. The assuming insurer must maintain a practice of prompt payment of claims under reinsurance agreements. The lack of prompt payment will be evidenced if any of the following criteria is met:
- (1) More than fifteen percent of the reinsurance recoverables from the assuming insurer are overdue and in dispute as reported to the commissioner;
 - (2) More than fifteen percent of the assuming insurer's ceding insurers or reinsurers have overdue reinsurance recoverable on paid losses of ninety days or more which are not in dispute and which exceed for each ceding insurer one hundred thousand dollars, or as otherwise specified in a covered agreement; or
 - (3) The aggregate amount of reinsurance recoverable on paid losses which are not in dispute, but are overdue by ninety days or more, exceeds fifty million dollars, or as otherwise specified in a covered agreement.
- g. The assuming insurer's supervisory authority must confirm to the commissioner on an annual basis that the assuming insurer complies with the requirements set forth in subdivisions a and b.
- h. Nothing in this provision precludes an assuming insurer from providing the commissioner with information on a voluntary basis.

4. The commissioner shall timely create and publish a list of reciprocal jurisdictions.
 - a. A list of reciprocal jurisdictions is published through the national association of insurance commissioners committee process. The commissioner's list must include any reciprocal jurisdiction as defined under subdivisions a and b of subsection 2, and must consider any other reciprocal jurisdiction included on the national association of insurance commissioners list. The commissioner may approve a jurisdiction that does not appear on the national association of insurance commissioners list of reciprocal jurisdictions as provided by applicable law, regulation, or in accordance with criteria published through the national association of insurance commissioners committee process.
 - b. The commissioner may remove a jurisdiction from the list of reciprocal jurisdictions upon a determination that the jurisdiction no longer meets one or more of the requirements of a reciprocal jurisdiction, as provided by applicable law, regulation, or in accordance with a process published through the national association of insurance commissioners committee process, except that the commissioner may not remove from the list a reciprocal jurisdiction as defined under subdivisions a and b of subsection 2. Upon removal of a reciprocal jurisdiction from this list, credit for reinsurance ceded to an assuming insurer domiciled in that jurisdiction must be allowed, if otherwise allowed pursuant to North Dakota Century Code chapter 26.1-31.2 or chapter 45-03-07.1.
5. The commissioner shall timely create and publish a list of assuming insurers that have satisfied the conditions set forth in this section and to which cessions must be granted credit in accordance with this section.
 - a. If a national association of insurance commissioners accredited jurisdiction has determined that the conditions set forth in subsection 3 have been met, the commissioner has the discretion to defer to that jurisdiction's determination, and add such assuming insurer to the list of assuming insurers to which cessions must be granted credit in accordance with this subsection. The commissioner may accept financial documentation filed with another national association of insurance commissioners accredited jurisdiction or with the national association of insurance commissioners in satisfaction of the requirements of subsection 3.
 - b. When requesting that the commissioner defer to another national association of insurance commissioners accredited jurisdiction's determination, an assuming insurer shall submit a properly executed Form RJ-1 and additional information as the commissioner may require. A state that has received such a request will notify other states through the national association of insurance commissioners committee process and provide relevant information with respect to the determination of eligibility.
6. If the commissioner determines that an assuming insurer no longer meets one or more of the requirements under this subsection, the commissioner may revoke or suspend the eligibility of the assuming insurer for recognition under this subsection.
 - a. While an assuming insurer's eligibility is suspended, no reinsurance agreement issued, amended, or renewed after the effective date of the suspension qualifies for credit except to the extent that the assuming insurer's obligations under the contract are secured in accordance with section 45-03-07.1-06.
 - b. If an assuming insurer's eligibility is revoked, no credit for reinsurance may be granted after the effective date of the revocation with respect to any reinsurance agreements entered into by the assuming insurer, including reinsurance agreements entered into before the date of revocation, except to the extent that the assuming insurer's obligations under the contract are secured in a form acceptable to the commissioner and consistent with the provisions of section 45-03-07.1-06.

7. Before denying statement credit or imposing a requirement to post security under subsection 6 or adopting any similar requirement that will have substantially the same regulatory impact as security, the commissioner shall:
 - a. Communicate with the ceding insurer, the assuming insurer, and the assuming insurer's supervisory authority that the assuming insurer no longer satisfies one of the conditions listed in subsection 3;
 - b. Provide the assuming insurer with thirty days from the initial communication to submit a plan to remedy the defect, and ninety days from the initial communication to remedy the defect, except in exceptional circumstances in which a shorter period is necessary for policyholder and other consumer protection;
 - c. After the expiration of ninety days or less, as set out in subdivision b if the commissioner determines that no or insufficient action was taken by the assuming insurer, the commissioner may impose any of the requirements as set out in this subsection; and
 - d. Provide a written explanation to the assuming insurer of any of the requirements set out in this subsection.
8. If subject to a legal process of rehabilitation, liquidation or conservation, as applicable, the ceding insurer, or its representative, may seek and, if determined appropriate by the court in which the proceedings are pending, may obtain an order requiring that the assuming insurer post security for all outstanding liabilities.

45-03-07.1-06. Asset or reduction from liability for reinsurance ceded to an unauthorized assuming insurer not meeting the requirements of sections 45-03-07.1-01 through 45-03-07.1-05.

1. Pursuant to North Dakota Century Code section 26.1-31.2-02, the commissioner shall allow a reduction from liability for reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of North Dakota Century Code section 26.1-31.2-01 in an amount not exceeding the liabilities carried by the ceding insurer. The reduction must be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the exclusive benefit of the ceding insurer, under a reinsurance contract with the assuming insurer as security for the payment of obligations under the reinsurance contract. The security must be held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer or, in the case of a trust, held in a qualified United States financial institution as defined in subsection 2 of North Dakota Century Code section 26.1-31.2-03. This security may be in the form of any of the following:

- a. Cash;
 - b. Securities listed by the securities valuation office of the national association of insurance commissioners, including those deemed exempt from filing as defined by the purposes and procedures manual of the securities valuation office, and qualifying as admitted assets;
 - c. Clean, irrevocable, unconditional, and "evergreen" letters of credit issued or confirmed by a qualified United States institution, as defined in subsection 1 of North Dakota Century Code section 26.1-31.2-03, effective no later than December thirty-first of the year for which filing is being made, and in the possession of, or in trust for, the ceding insurer on or before the filing date of its annual statement. Letters of credit meeting applicable standards of issuer acceptability as of the dates of their issuance or confirmation, shall, notwithstanding the issuing or confirming institution's subsequent failure to meet applicable standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification, or amendment, whichever occurs first; or
 - d. Any other form of security acceptable to the commissioner.
2. An admitted asset or a reduction from liability for reinsurance ceded to an unauthorized assuming insurer pursuant to this section shall be allowed only when the requirements of section 45-03-07.1-10 and the applicable portions of sections 45-03-07.1-07, 45-03-07.1-08, or 45-03-07.1-09 have been satisfied.

45-03-07.1-07. Trust agreements qualified under section 45-03-07.1-06.

1. As used in this section:
 - a. "Beneficiary" means the entity for whose sole benefit the trust has been established and any successor of the beneficiary by operation of law. If a court of law appoints a successor in interest to the named beneficiary, then the named beneficiary includes and is limited to the court-appointed domiciliary receiver, conservator, rehabilitator, or liquidator.
 - b. "Grantor" means the entity that has established a trust for the sole benefit of the beneficiary. When established in conjunction with a reinsurance agreement, the grantor is the unlicensed, unaccredited assuming insurer.
 - c. "Obligations", as used in subdivision k of subsection 2 means:
 - (1) Reinsured losses and allocated loss expenses paid by the ceding company, but not recovered from the assuming insurer;
 - (2) Reserves for reinsured losses reported and outstanding;
 - (3) Reserves for reinsured losses incurred but not reported; and
 - (4) Reserves for allocated reinsured loss expenses and unearned premiums.
2. Required conditions:

- a. The trust agreement must be entered into between the beneficiary, the grantor, and a trustee which shall be a qualified United States financial institution as defined in subsection 2 of North Dakota Century Code section 26.1-31.2-03.
- b. The trust agreement must create a trust account into which assets must be deposited.
- c. All assets in the trust account must be held by the trustee at the trustee's office in the United States.
- d. The trust agreement must provide that:
 - (1) The beneficiary shall have the right to withdraw assets from the trust account at any time, without notice to the grantor, subject only to written notice from the beneficiary to the trustee;
 - (2) No other statement or document is required to be presented in order to withdraw assets, except that the beneficiary may be required to acknowledge receipt of withdrawn assets;
 - (3) It is not subject to any conditions or qualifications outside of the trust agreement; and
 - (4) It shall not contain references to any other agreements or documents except as provided for in subdivisions k and l.
- e. The trust agreement must be established for the sole benefit of the beneficiary.
- f. The trust agreement must require the trustee to:
 - (1) Receive assets and hold all assets in a safe place;
 - (2) Determine that all assets are in a form that the beneficiary, or the trustee upon direction by the beneficiary, may whenever necessary negotiate any assets, without consent or signature from the grantor or any other person or entity;
 - (3) Furnish to the grantor and the beneficiary a statement of all assets in the trust account upon its inception and at intervals no less frequent than the end of each calendar quarter;
 - (4) Notify the grantor and the beneficiary within ten days of any deposits to or withdrawals from the trust account;
 - (5) Upon written demand of the beneficiary, immediately take any and all steps necessary to transfer absolutely and unequivocally all right, title, and interest in the assets held in the trust account to the beneficiary and deliver physical custody of the assets to the beneficiary; and
 - (6) Allow no substitutions or withdrawals of assets from the trust account, except on written instructions from the beneficiary, except that the trustee may, without the consent of but with notice to the beneficiary, upon call or maturity of any trust asset, withdraw the asset upon condition that the proceeds are paid into the trust account.
- g. The trust agreement must provide that at least thirty days, but not more than forty-five days, prior to termination of the trust account, written notification of termination must be delivered by the trustee to the beneficiary.
- h. The trust agreement must be made subject to and governed by the laws of the state in which the trust is domiciled.

- i. The trust agreement must prohibit invasion of the trust corpus for the purpose of paying compensation to, or reimbursing the expenses of, the trustee. In order for a letter of credit to qualify as an asset of the trust, the trustee shall have the right and the obligation pursuant to the deed of trust or some other binding agreement, as duly approved by the commissioner, to immediately draw down the full amount of the letter of credit and hold the proceeds in trust for the beneficiaries of the trust if the letter of credit will otherwise expire without being renewed or replaced.
- j. The trust agreement must provide that the trustee is liable for its own negligence, willful misconduct, or lack of good faith. The failure of the trustee to draw against the letter of credit in circumstances in which the draw would be required shall be deemed to be negligence or willful misconduct.
- k. Notwithstanding other provisions of this chapter, when a trust agreement is established in conjunction with a reinsurance agreement covering risks other than life, annuities, and accident and health, when it is customary practice to provide a trust agreement for a specific purpose, the trust agreement may provide that the ceding insurer shall undertake to use and apply amounts drawn upon the trust account, without diminution because of the insolvency of the ceding insurer or the assuming insurer, only for the following purposes:
 - (1) To pay or reimburse the ceding insurer for the assuming insurer's share under the specific reinsurance agreement regarding any losses and allocated loss expenses paid by the ceding insurer, but not recovered from the assuming insurer, or for unearned premiums due to the ceding insurer if not otherwise paid by the assuming insurer;
 - (2) To make payment to the assuming insurer of any amounts held in the trust account that exceed one hundred two percent of the actual amount required to fund the assuming insurer's obligations under the specific reinsurance agreement; or
 - (3) If the ceding insurer has received notification of termination of the trust account and if the assuming insurer's entire obligations under the specific reinsurance agreement remain unliquidated and undischarged ten days prior to the termination date, to withdraw amounts equal to the obligations and deposit those amounts in a separate account, in the name of the ceding insurer in any qualified United States financial institution as defined in subsection 2 of North Dakota Century Code section 26.1-31.2-03 apart from its general assets, in trust for the uses and purposes specified in paragraphs 1 and 2 as may remain executory after the withdrawal and for any period after the termination date.
- l. Notwithstanding other provisions of this chapter, when a trust agreement is established to meet the requirements of section 45-03-07.1-06 in conjunction with a reinsurance agreement covering life, annuities, or accident and health risks, if it is customary practice to provide a trust agreement for a specific purpose, the trust agreement may provide that the ceding insurer shall undertake to use and apply amounts drawn upon the trust account, without diminution because of the insolvency of the ceding insurer or the assuming insurer, only for the following purposes:
 - (1) To pay or reimburse the ceding insurer for:
 - (a) The assuming insurer's share under the specific reinsurance agreement of premiums returned, but not yet recovered from the assuming insurer, to the owners of policies reinsured under the reinsurance agreement on account of cancellations of the policies; and

- (b) The assuming insurer's share under the specific reinsurance agreement of surrenders and benefits or losses paid by the ceding insurer, but not yet recovered from the assuming insurer, under the terms and provisions of the policies reinsured under the reinsurance agreement;
 - (2) To pay to the assuming insurer amounts held in the trust account in excess of the amount necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer; or
 - (3) If the ceding insurer has received notification of termination of the trust and the assuming insurer's entire obligations under the specific reinsurance agreement remain unliquidated and undischarged ten days prior to the termination date, to withdraw amounts equal to the assuming insurer's share of liabilities, to the extent that the liabilities have not yet been funded by the assuming insurer, and deposit those amounts in a separate account, in the name of the ceding insurer in any qualified United States financial institution apart from its general assets, in trust for the uses and purposes specified in paragraphs 1 and 2 as may remain executory after withdrawal and for any period after the termination date.
- m. Either the reinsurance agreement or the trust agreement must stipulate that assets deposited in the trust account shall be valued according to their current fair market value and shall consist only of cash in United States dollars, certificates of deposit issued by a United States bank and payable in United States dollars, and investments permitted by the insurance code or any combination of the above, provided investments in or issued by an entity controlling, controlled by or under common control with either the grantor or the beneficiary of the trust shall not exceed five percent of total investments. The agreement may further specify the types of investments to be deposited. If the reinsurance agreement covers life, annuities, or accident and health risks, then the provisions required by this subdivision must be included in the reinsurance agreement.

3. Permitted conditions:

- a. The trust agreement may provide that the trustee may resign upon delivery of a written notice of resignation, effective not less than ninety days after the beneficiary and grantor receive the notice and that the trustee may be removed by the grantor by delivery to the trustee and the beneficiary of a written notice of removal, effective not less than ninety days after the trustee and the beneficiary receive the notice, provided that no such resignation or removal shall be effective until a successor trustee has been duly appointed and approved by the beneficiary and the grantor and all assets in the trust have been duly transferred to the new trustee.
- b. The grantor may have the full and unqualified right to vote any shares of stock in the trust account and to receive from time to time payments of any dividends or interest upon any shares of stock or obligations included in the trust account. Any interest or dividends must be either forwarded promptly upon receipt to the grantor or deposited in a separate account established in the grantor's name.
- c. The trustee may be given authority to invest, and accept substitutions of, any funds in the account, provided that no investment or substitution may be made without prior approval of the beneficiary, unless the trust agreement specifies categories of investments acceptable to the beneficiary and authorizes the trustee to invest funds and to accept substitutions which the trustee determines are at least equal in current fair market value to the assets withdrawn and that are consistent with the restrictions in paragraph 2 of subdivision a of subsection 4.

- d. The trust agreement may provide that the beneficiary may at any time designate a party to which all or part of the trust assets are to be transferred. The transfer may be conditioned upon the trustee receiving, prior to or simultaneously, other specified assets.
 - e. The trust agreement may provide that, upon termination of the trust account, all assets not previously withdrawn by the beneficiary, with written approval by the beneficiary, must be delivered over to the grantor.
4. Additional conditions applicable to reinsurance agreements:
- a. A reinsurance agreement may contain provisions that:
 - (1) Require the assuming insurer to enter into a trust agreement and to establish a trust account for the benefit of the ceding insurer, and specifying what the agreement is to cover;
 - (2) Require the assuming insurer, prior to depositing assets with the trustee, to execute assignments or endorsements in blank, or to transfer legal title to the trustee of all shares, obligations or any other assets requiring assignments, in order that the ceding insurer, or the trustee upon the direction of the ceding insurer, may whenever necessary negotiate these assets without consent or a signature from the assuming insurer or any other entity;
 - (3) Require that all settlements of account between the ceding insurer and the assuming insurer be made in cash or its equivalent; and
 - (4) Stipulate that the assuming insurer and the ceding insurer agree that the assets in the trust account, established pursuant to the provisions of the reinsurance agreement, may be withdrawn by the ceding insurer at any time, notwithstanding any other provisions in the reinsurance agreement, and shall be utilized and applied by the ceding insurer or its successors in interest by operation of law, including without limitation any liquidator, rehabilitator, receiver, or conservator of the company, without diminution because of insolvency on the part of the ceding insurer or the assuming insurer, only for the following purposes:
 - (a) To pay or reimburse the ceding insurer for:
 - [1] The assuming insurer's share under the specific reinsurance agreement of premiums returned, but not yet recovered from the assuming insurer, to the owners of policies reinsured under the reinsurance agreement because of cancellations of the policies;
 - [2] The assuming insurer's share of surrenders and benefits or losses paid by the ceding insurer pursuant to the provisions of the policies reinsured under the reinsurance agreement; and
 - [3] Any other amounts necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer.
 - (b) To make payment to the assuming insurer of amounts held in the trust account in excess of the amount necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer.
 - b. The reinsurance agreement may also contain provisions that:
 - (1) Give the assuming insurer the right to seek approval from the ceding insurer, which shall not be unreasonably or arbitrarily withheld, to withdraw from the trust account

all or any part of the trust assets and transfer those assets to the assuming insurer, provided:

- (a) At the time of withdrawal, the assuming insurer shall replace the withdrawn assets with other qualified assets having a current fair market value equal to the market value of the assets withdrawn so as to maintain at all times the deposit in the required amount; or
 - (b) After withdrawal and transfer, the current fair market value of the trust account is no less than one hundred two percent of the required amount.
- (2) Provide for the return of any amount withdrawn in excess of the actual amounts required for paragraph 5 of subdivision a and interest payments, at a rate not in excess of the prime rate of interest, on those amounts.
 - (3) Permit the award by any arbitration panel or court of competent jurisdiction of:
 - (a) Interest at a rate different from that provided in paragraph 2;
 - (b) Court or arbitration costs;
 - (c) Attorney's fees; and
 - (d) Any other reasonable expenses.
- c. Financial reporting. A trust agreement may be used to reduce any liability for reinsurance ceded to an unauthorized assuming insurer in financial statements required to be filed with the department in compliance with this chapter when established on or before the date of filing of the financial statement of the ceding insurer. Further, the reduction for the existence of an acceptable trust account may be up to the current fair market value of acceptable assets available to be withdrawn from the trust account at that time, but the reduction must be no greater than the specific obligations under the reinsurance agreement that the trust account was established to secure.
 - d. Existing agreements. Any trust agreement or underlying reinsurance agreement in existence prior to October 1, 1995, will continue to be acceptable until January 1, 1996, at which time the agreements will have to fully comply with this chapter for the trust agreement to be acceptable.
 - e. The failure of any trust agreement to specifically identify the beneficiary as defined in subsection 1 may not be construed to affect any actions or rights which the commissioner may take or possess pursuant to the provisions of the laws of this state.

45-03-07.1-08. Letters of credit qualified under section 45-03-07.1-06.

1. The letter of credit must be clean, irrevocable, unconditional, and issued or confirmed by a qualified United States financial institution as defined in subsection 1 of North Dakota Century Code section 26.1-31.2-03. The letter of credit must contain an issue date and expiration date and stipulate that the beneficiary need only draw a sight draft under the letter of credit and present it to obtain funds and that no other document need be presented. The letter of credit must also indicate that it is not subject to any condition or qualifications outside of the letter of credit. In addition, the letter of credit itself may not contain reference to any other agreements,

documents, or entities, except as provided in subdivision a of subsection 9. As used in this section, "beneficiary" means the domestic insurer for whose benefit the letter of credit has been established and any successor of the beneficiary by operation of law. If a court of law appoints a successor in interest to the named beneficiary, then the named beneficiary includes and is limited to the court-appointed domiciliary receiver, including conservator, rehabilitator, or liquidator.

2. The heading of the letter of credit may include a boxed section containing the name of the applicant and other appropriate notations to provide a reference for the letter of credit. The boxed section must be clearly marked to indicate that the information is for internal identification purposes only.
3. The letter of credit must contain a statement to the effect that the obligation of the qualified United States financial institution under the letter of credit is in no way contingent upon reimbursement with respect thereto.
4. The term of the letter of credit must be for at least one year and must contain an "evergreen clause" that prevents the expiration of the letter of credit without due notice from the issuer. The "evergreen clause" must provide for a period of no less than thirty days' notice prior to the expiration date or nonrenewal.
5. The letter of credit must state whether it is subject to and governed by the laws of this state or the uniform customs and practice for documentary credits of the international chamber of commerce, publication 600 (UCP 600) or international standby practices of the international chamber of commerce publication 590 (ISP98), and all drafts drawn thereunder must be presentable at an office in the United States of a qualified United States financial institution.
6. If the letter of credit is made subject to the uniform customs and practice for documentary credits of the international chamber of commerce, publication 600 (UCP 600) or international standby practices of the international chamber of commerce publication 590 (ISP98), or any successor publication, then the letter of credit shall specifically address and provide for an extension of time to draw against the letter of credit in the event that one or more of the occurrences specified in article 36 of publication 600 or any other successor publication occur.
7. If the letter of credit is issued by a financial institution authorized to issue letters of credit, other than a qualified United States financial institution as described in subsection 1, then the following additional requirements must be met:
 - a. The issuing financial institution shall formally designate the confirming qualified United States financial institution as its agent for the receipt and payment of the drafts; and
 - b. The "evergreen clause" must provide for thirty days' notice prior to the expiration date for nonrenewal.
8. Reinsurance agreement provisions.
 - a. The reinsurance agreement in conjunction with which the letter of credit is obtained may contain provisions that:
 - (1) Require the assuming insurer to provide letters of credit to the ceding insurer and specify what they are to cover.
 - (2) Stipulate that the assuming insurer and ceding insurer agree that the letter of credit provided by the assuming insurer pursuant to the provisions of the reinsurance agreement may be drawn upon at any time, notwithstanding any other provisions in the agreement, and shall be utilized by the ceding insurer or its successors in interest only for one or more of the following reasons:

- (a) To pay or reimburse the ceding insurer for:
 - [1] The assuming insurer's share under the specific reinsurance agreement of premiums returned, but not yet recovered from the assuming insurers, to the owners of policies reinsured under the reinsurance agreement on account of cancellations of the policies;
 - [2] The assuming insurer's share, under the specific reinsurance agreement, of surrenders and benefits or losses paid by the ceding insurer, but not yet recovered from the assuming insurers, under the terms and provisions of the policies reinsured under the reinsurance agreement; and
 - [3] Any other amounts necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer.
 - (b) If the letter of credit will expire without renewal or be reduced or replaced by a letter of credit for a reduced amount and if the assuming insurer's entire obligations under the specific reinsurance agreement remain unliquidated and undischarged ten days prior to the termination date, to withdraw amounts equal to the assuming insurer's share of the liabilities, to the extent that the liabilities have not yet been funded by the assuming insurer and exceed the amount of any reduced or replacement letter of credit, and deposit those amounts in a separate account in the name of the ceding insurer in a qualified United States financial institution apart from its general assets, in trust for the uses and purposes specified in paragraph 2 of subdivision a as may remain after withdrawal and for any period after the termination date.
- (3) All of the provisions of this subdivision must be applied without diminution because of insolvency on the part of the ceding insurer or assuming insurer.
- b. Nothing contained in subdivision a precludes the ceding insurer and assuming insurer from providing for:
- (1) An interest payment, at a rate not in excess of the prime rate of interest, on the amounts held pursuant to paragraph 2 of subdivision a; or
 - (2) The return of any amounts drawn down on the letters of credit in excess of the actual amounts required for the above or any amounts that are subsequently determined not to be due.

(name of officer) (title of officer)

_____, the assuming insurer under a reinsurance
(name of assuming insurer)

agreement with one or more insurers domiciled in _____, be considered for
(name of state)

approval in this state, hereby certify that _____ ("Assuming Insurer"):
(name of assuming insurer)

1. Submits to the jurisdiction of any court of competent jurisdiction in North Dakota for the adjudication of any issues arising out of the reinsurance agreement, agrees to comply with all requirements necessary to give such court jurisdiction, and will abide by the final decision of such court or any appellate court in the event of an appeal. The assuming insurer agrees that it will include such consent in each reinsurance agreement, if requested by the commissioner. Nothing in this paragraph constitutes or should be understood to constitute a waiver of assuming insurer's rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another court as permitted by the laws of the United States or of any state in the United States. This paragraph is not intended to conflict with or override the obligation of the parties to the reinsurance agreement to arbitrate their disputes if such an obligation is created in the agreement, except to the extent such agreements are unenforceable under applicable insolvency or delinquency laws.
2. Designates the Insurance Commissioner of North Dakota as its lawful attorney in and for upon whom may be served any lawful process in any action, suit or proceeding in this state arising out of the reinsurance agreement instituted by or on behalf of the ceding insurer.
3. Agrees to pay all final judgments, wherever enforcement is sought, obtained by a ceding insurer, that have been declared enforceable in the territory where the judgment was obtained.
4. Agrees to provide prompt written notice and explanation if it falls below the minimum capital and surplus or capital or surplus ratio, or if any regulatory action is taken against it for serious noncompliance with applicable law.
5. Confirms that it is not presently participating in any solvent scheme of arrangement, which involves insurers domiciled in [Name of State]. If the assuming insurer enters into such an arrangement, the assuming insurer agrees to notify the ceding insurer and the commissioner, and to provide 100% security to the ceding insurer consistent with the terms of the scheme.
6. Agrees that in each reinsurance agreement it will provide security in an amount equal to 100% of the assuming insurer's liabilities attributable to reinsurance ceded pursuant to that agreement if the assuming insurer resists enforcement of a final U.S. judgment, that is enforceable under the law of the territory in which it was obtained, or a properly enforceable arbitration award whether obtained by the ceding insurer or by its resolution estate, if applicable.
7. Agrees to provide the documentation in accordance with subdivision e of subsection 3 of North Dakota Administrative Code section 45-03-07.1-04.2 if requested by the commissioner.
