50-02-07.1-02. Late fees. A physician seeking to renew the annual registration who has failed to complete the annual registration process within the time specified by the state board of medical examiners must be assessed a fee equal to three times the normal annual registration fee, in addition to such other penalties as are authorized by law, if that physician is found to have been practicing medicine in this state after the physician's license expired.

50-02-07.1-03. Administrative sanction. An administrative sanction shall be imposed in the amount of three times the normal annual registration fee for any applicant or licensed physician who provides false or deceptive information with regard to any material fact concerning eligibility for initial licensure or renewal after verifying or certifying that the information provided is true. This includes all material information provided in an initial license application, an annual registration renewal, or a report of compliance with mandatory continuing education requirements.

The imposition of an administrative sanction under this section is not a disciplinary action of the board; however, it does not preclude the board from also imposing disciplinary action, or other penalties provided by law, for the same conduct in appropriate cases.

An applicant or licensed physician may challenge the imposition of an administrative sanction under this section in a hearing under North Dakota Century Code chapter 28-32 before an administrative law judge.
