71-02-05-06. Determination of disability - Procedures.

1. Application.

- a. If the member is unable or unwilling to file a public employees retirement system application for disability retirement, the member's legal representative may file the member's disability application.
- b. For the main system and the national guard and law enforcement system, the application must explain the cause of the disability, the limitations caused by the disability, the treatment being followed, and the effect of the disability on the individual's ability to be engaged in any gainful occupation for which the person is, or could become, reasonably fitted by education, training, or experience. For the judges' retirement plan, the application must explain the cause of the disability, the limitations caused by the disability, the treatment being followed, and the effect of the disability on the individual's ability to mentally or physically fulfill the duties and responsibilities of being a judge. A judge who is determined to be disabled pursuant to subdivision a of subsection 3 of North Dakota Century Code section 27-23-03 shall file an application documenting this determination and the effective date of the disability.
- c. The application must be filed with the public employees retirement system and may not be filed earlier than one hundred twenty days before the expected termination date.

2. Medical consultant.

- a. The board may retain a medical consultant to evaluate and make recommendations on disability retirement applications.
- b. The medical consultant shall review all medical information provided by the applicant.
- c. The medical consultant is responsible to determine eligibility for disability benefits for applicants not approved for social security disability benefits or for judges not approved pursuant to subsection 3 of North Dakota Century Code section 27-23-03 and shall advise the executive director of the decision in writing. Applicants who become eligible for disability benefits under the Social Security Act and who meet the requirements of subdivision h of subsection 3 of North Dakota Century Code section 54-52-17 are eligible for benefits under subdivision e of subsection 4 of North Dakota Century Code section 54-52-17 without submitting further medical information to the medical adviser, but are subject to recertification requirements specified in this chapter. The social security disability award must provide proof that the member's disability was determined during the member's period of eligible employment. In determining eligibility for judges not approved pursuant to the above, the medical director shall work with a review committee composed of one supreme court judge and a district court judge to review the proposed application. In order for the application to be approved, it must have the concurrence of the medical director and at least one judge. The executive director shall appoint two judges to serve on the review committee.

3. Medical examination.

- a. The applicant for disability retirement shall provide the medical examination reports as requested by the medical consultant.
- b. The member is liable for any costs incurred by the member in undergoing medical examinations and completing and submitting the necessary medical examination reports, medical reports, and hospital reports necessary for initial determination of eligibility for benefits.

- c. If determined to be eligible for disability benefits, the member must be reimbursed for the cost of medical examinations specifically requested by the medical adviser and the executive director.
4. **Appeal.**
- a. If the applicant has terminated employment, the public employees retirement system shall notify the applicant in writing of the decision. If the applicant is determined not to be eligible for disability benefits, the public employees retirement system shall advise the applicant of the appeal procedure. If the applicant is determined eligible for disability benefits, benefits must be paid pursuant to subsection 5.
 - b. If the applicant has not terminated employment, the applicant must be provided with a preliminary notification of the decision in writing. The preliminary notification remains in effect for a period not to exceed two hundred seventy days. If an applicant does not terminate employment within two hundred seventy days of the date of termination provided on the disability application, the application must be considered to be vacated but the applicant may reapply as provided in subsection 1.
 - c. The applicant may appeal an adverse determination to the board by providing a written notice of appeal within thirty days of the date that the public employees retirement system mailed the decision.
 - d. The board shall consider all appeals at regularly scheduled board meetings. The applicant must be notified of the time and date of the meeting and may attend and be represented by legal counsel. The executive director shall provide to the board for its consideration a case history brief that includes membership history, medical examination summary, and the plan administrator's conclusions and recommendations. The board shall make the determination for eligibility at the meeting unless additional evidence or information is needed. The discussion concerning disability applications must be confidential and closed to the general public.
 - e. If the initial board decision is adverse to the applicant after exhausting the administrative procedure under subdivisions a and b, the applicant may file a request for a formal hearing to be conducted under North Dakota Century Code chapter 28-32. The request for a formal hearing must be filed within thirty days after notice of the initial decision has been mailed or delivered. If an appeal is not filed within the thirty-day period, the initial decision of the board is final. If a request for a formal hearing is timely filed, notice of the hearing must be served at least thirty days prior to the date set for the hearing. The board shall request appointment of an administrative law judge from the office of administrative hearings to conduct the hearing and make recommended findings of fact, conclusions of law, and order. The board shall either accept the administrative law judge's recommended findings of fact, conclusions of law, and order or adopt its own findings of fact, conclusions of law, and order. The applicant may under North Dakota Century Code section 28-32-15 appeal the final decision resulting from this procedure to the district court.
5. **Payment of annuity.** If awarded, the disability annuity is payable on, or retroactive to, the first day of the month following the member's termination from covered employment minus any early retirement benefits that have been paid.
6. **Redetermination and recertification.**
- a. A disabled annuitant's eligibility must be recertified eighteen months after the date the first check is issued and thereafter as specified by the medical consultant unless proof of receipt of ongoing social security disability benefits is received. The executive director

may waive the necessity for a recertification, based on the recommendation of the medical consultant or upon proof of receipt of ongoing social security disability benefits.

- b. The public employees retirement system will send a recertification application and request for a statement of annual earnings by certified mail with return receipt to the disabled annuitant to be completed and sent back to the office. If completed recertification application has not been received by the recertification date set in the recertification request, benefits will be suspended effective the first of the month following that date. If the recertification application is not received within six months of the recertification date set in the recertification request unless an alternative date has been approved by the executive director, the member will no longer be eligible to receive disability benefits. Benefits suspended within six months of the recertification date set in the recertification request will be reinstated the first of the month following recertification by the medical consultant, or upon proof of receipt of ongoing social security disability benefits, unless an alternative date has been approved by the executive director. The regular accrued disability benefits will commence with a lump sum equal to the amount of missed payments, without interest, retroactive to the first day of the month benefits were suspended, unless otherwise approved by the board.
- c. The medical consultant may require the disabled annuitant to be reexamined by a doctor. The submission of medical reports by the annuitant, and the review of those reports by the board's medical consultant, may satisfy the reexamination requirement. Upon recertification, the disabled annuitant must be reimbursed for the cost of the required reexamination if deemed necessary by the medical consultant and the executive director.
- d. When the member has not provided proof of receipt of ongoing social security disability benefits, the medical consultant will make the recertification decision. The executive director may require additional recertifications, if the facts warrant this action. The decision may be appealed to the board within ninety days of receiving the written recertification decision.
- e. Benefit payments must be suspended immediately upon notice received from the medical consultant that the annuitant does not meet recertification requirements. The executive director shall notify the annuitant of the suspension of benefits by certified mail and shall reinstate benefits back to date of suspension if the annuitant is subsequently found to meet recertification requirements.
- f. If it is determined that the disability annuitant was not eligible for benefits during any time period when benefits were provided, the executive director may do all things necessary to recover the erroneously paid benefits.
