The applicable fee must be submitted with the application. Applicants performing multiple duties must be licensed for each duty, but are not responsible for payment of more than one license fee. The license fee required of those holding more than one license is the highest of the applicable license fees.

 - (1) The applicant must be at least eighteen years of age;
 - (2) The applicant must submit verifications, from qualified persons, of the licensee's proficiency, if requested by the commissioner;
 - (3) The applicant must agree that training requirements may be established by the commissioner;
 - (4) Financial responsibility, experience, character, and general fitness of an applicant, including in the case of corporations, its officers and stockholders, are such that the participation of such applicant will be consistent with the public interest, convenience, or necessity and the safety of participants and with the best interests of mixed fighting styles generally; and
 - (5) For the first infraction of any of the provisions of this subsection, the commissioner may issue a verbal warning. Following a second infraction, a written warning may be issued. Following a third infraction, the license may be suspended up to a six-month period. However, the commissioner may suspend a license for any serious violation without warning.

- b. Every license issued to a mixed fighting style participant is subject to the following:

A list of approved physicians who are qualified to perform the physical will be provided and the participant must choose one to conduct the physical. Upon completion of the physical the physician chosen shall submit a report of the results directly to the commissioner. The participant shall also receive a report. The report must affirmatively state the physician's opinion as to the advisability of the participant fighting.

- (b) The physical performed must address the question raised about the participant's health and include such testing as a prudent physician would perform to determine the health and fitness of an individual to engage in the sport of mixed fighting style. The results of all required examinations must be made a part of the participant's permanent medical record as maintained by the commissioner. The costs of all examinations required by this section shall not be paid by the commissioner;
- (9) Participants, under any circumstances, may not compete or appear in a contest or exhibition for up to ninety days after not being able to defend themselves;

- (14) For the first infraction under this subsection, the commissioner may issue a verbal warning. Following a second infraction a written warning may be issued. Following a third infraction the license may be suspended up to a six-month period. However, the commissioner may suspend a license for any serious violation without warning; and

- (15) A participant may request in writing an informal hearing before the commissioner to review or revoke a suspension imposed for a recent knockout, injury, or other medical reason upon the participant furnishing further proof of a sufficiently improved physical condition. A participant may also request an informal hearing before the commissioner to review or revoke a suspension imposed for failure of a drug test or for the use of a false alias, or for falsifying, or attempting to falsify, an official identification card or document, upon the participant's furnishing proof that the suspension was not, or is no longer merited by the facts.

4. Before starting a contest the referee shall ascertain from each participant the name of the participant's chief second, and shall gather them together for final instructions. Such chief second will be responsible for the conduct of assistant corners during the contest.
5. At the beginning of each match the scorecards will be handed out to each of the three judges.
6. Pursuant to these rules, the referee may stop the fight and make a decision during any stage in the fight, if the referee determines that the matches have become partial, or if a participant is in such condition that

if such participant continues fighting, the participant is liable to suffer a serious injury.

7. If a participant suffers a cut or a wound that is considered dangerous, the referee has the authority to stop the fight. In these cases, the referee shall consult the head ringside physician appointed to attend the fight on the necessity of stopping the fight.

The referee will exercise full authority, to avoid a participant ejecting the mouthpiece intentionally, and can deduct a point as a result of this behavior or disqualify the participant.
10. At the end of each round, the scorecards will be collected from the three judges, and given to the commissioner at ringside for computation.
11. The use of alcoholic beverages is prohibited from twelve hours prior to the fight until after the assigned duties have been completed.
12. If a referee becomes incapacitated and is unable to complete the entire match, a timeout shall be called by the commissioner, and an alternate licensed referee shall immediately be assigned to referee.

all times. There should be no discussion with anyone except with the commission members or the commissioner.

4. A decision that is rendered at the termination of a match may not be changed without a hearing before the commissioner, unless it is determined that the computation of the scorecards shows a clerical or mathematical error giving the decision to the wrong participant, in which case such clerical or mathematical error may be corrected by the judges.

72-02.2-02-13. Gross revenue fee. There is hereby imposed a fee upon each promoter, or other principal, operating in this state who conducts any professional mixed fighting style contest or exhibition held within this state for each such event. The fee must be equal to the product of the gross revenues of each such mixed fighting style multiplied by one percent or such other amount as may

be allowed by law. For purposes of this section, gross revenues means any and all revenues, from whatever source derived, received by any promoter, or other principal, on account of any particular contest or exhibition, including any revenues received from any advance ticket sales, gate receipts, promotional or advertising consideration, and from any cable television and pay-per-view telecasts of such contest or exhibition, exclusive of any federal tax thereon. All cable television and pay-per-view telecasts are subject to a fee of the gross revenue received from such cable television and pay-per-view telecasts multiplied by one percent or such other amount as may be allowed by law exclusive of any federal tax thereon.

Each promoter, or other principal, liable for such gross revenue fee shall provide an accounting to the commissioner on a form provided by the commissioner not later than ten days from the date of the contest or exhibition, prepared by the promoter or by a certified public accountant, on behalf of the promoter, using generally accepted accounting principles, which details the source and amount of each component of gross revenues and contains a calculation showing the fee owed to the commissioner. Any person, including any corporation and the officers thereof, any physician, referee, judge, timekeeper, participant, manager, trainer, or second, who promotes, conducts, gives, or participates in any sham or collusive mixed fighting style match, shall be deprived of the person's license. A licensed promoter or matchmaker may not knowingly engage in a course of conduct in which one participant's skills or abilities is significantly in excess of the other participant so that a mismatch results with the potential of physical harm to the participant. If such action occurs, the commissioner may exercise the commissioner's powers to discipline.

Without otherwise limiting the discretion of the commissioner as provided in these rules, the commissioner may suspend or revoke a license or refuse to renew or issue a license, if the commissioner finds that the applicant, or any person who is a partner, agent, employee, stockholder, or associate of the applicant, has been convicted of a crime in any jurisdiction, or is associating or consorting with
