Fees are not returned, except by action of the board. If the license is granted, the technician shall pay a fifteen dollar annual renewal registration fee by December thirty-first. The renewal registration fee shall be paid by all licensed technicians. The license will expire if the renewal registration fee is not paid by December thirty-first. Renewals not received by the due date will be assessed a late fee of fifty percent of the registration fee. A license may be renewed for two years after it expires by payment of all past-due renewal registration fees and late fees. After two years after expiration, a new application for licensure must be made.
