# GUIDE TO "MEASURES BEFORE THE VOTERS"

To assist the reader in understanding the following pages regarding constitutional, initiated, and referred measures, explanations are provided for each of the headings.

## **Type of Election**

Type of election held when the issue(s) appeared on the ballot.

## **Election Date**

Year/month/day

## **Type of Action**

Constitutional amendment (legislature)

Constitutional amendment (petition)

Referendum

Initiative

Others include:

- North Dakotans voted on two constitutions--October 1, 1889 (adopted), and on April 28, 1972 (rejected).
- Prohibition was a separate constitutional issue on October 1, 1889.
- Legislative referral was the initial attempt to expand the franchise to women on November 3, 1914.
- Alternative propositions came from the 1972 Constitutional Convention and were voted on at the April 28, 1972, election.

## **Subject Content and Session Laws Citation**

Describes each measure briefly and indicates where the text of a measure can be located in the Session Laws by providing citations. When applicable, the legislative measure is identified by bill or resolution number.

Several defeated measures have no citation because they are not found in the Session Laws. These include:

- Three initiatives on March 16, 1920.
- One constitutional amendment and six initiatives on October 28, 1921.
- One initiative on March 18, 1924.
- One initiative on November 4, 1924.

## **Votes**

Includes totals "for" and "against" each measure. The "totals" include the number of people voting in each election. The totals that have an asterisk (\*) beside them are estimates. Estimates were derived by adding 5 percent to the candidate position or issue receiving the highest vote total which was then rounded off to the nearest 1,000 votes.

## **Action**

Indicates whether the measure was "A" approved or "R" rejected by the voters.
