Section 1.03 of the above-referenced solicitation established a deadline for receipt of questions. The responses to questions timely received are provided as addenda to the solicitation. The following question was received in a timely manner and does not require an amendment of the solicitation.

1. Q: Can you send me PDFs or the links to the documents resulting from the similar studies done for the 2003-04 and 2005-06 interim committees?

A: The 2003-04 interim Economic Development Committee performed a business climate study under Section 1 of House Bill No. 1504. The agendas, minutes, memorandums, bill drafts, and final Legislative Council report for the 2003-04 interim are available online at www.legis.nd.gov/council/interim/2003-2004.html.

The 2005-06 interim Economic Development Committee performed a business climate study under Section 17 of Senate Bill No. 2032. The agendas, minutes, memorandums, bill drafts, and final Legislative Council report for the 2005-06 interim are available online at www.legis.nd.gov/council/interim/2005-2006.html.

In some instances, committee minutes may reference a document as an appendix or as material on file in the Legislative Council office and the minutes do not provide a link to this document. In the case of a referenced document that is not available online, please contact the Legislative Council to request a copy of that specifically identified document. The contact information for the Legislative Council is available at www.legis.nd.gov/information/general/contact.html.
