FTE Positions and Special Funds Appropriations Reporting Change

The 2017-19 biennium legislative appropriations include authorization of all FTE positions for institutions and entities under the control of the State Board of Higher Education, including positions supported by special funds. Previously, only FTE positions supported by the general fund were authorized. The 2017-19 biennium legislative appropriations also include appropriation authority of all special funds received by the University System office and institutions. Previously, special funds appropriations for the University System office and institutions were provided only for certain items, such as capital projects.

FTE Changes

The Legislative Assembly authorized 2,218.07 FTE positions for the University of North Dakota (UND) for the 2017-19 biennium, an increase of 1,587.87 FTE positions from the number authorized by the 2015 Legislative Assembly. The adjustment for FTE positions reflects the authorization of positions supported by special funds and adjustments made by institutions to positions supported by the general fund.
