Decreased per-credit distribution amounts through the higher education funding formula.		(\$1,216,370)		(\$1,216,370)
Adjusted funding distributed through the higher education funding formula to reflect changes in completed student credit-hours.		671,607		671,607
Added funding for an inflationary adjustment to provide funding for employee health insurance premium rate increases.		93,251	\$121,689	214,940
Provided one-time funding for campus operations.		29,594		29,594

Appropriated special funds pursuant to the special fund appropriation reporting change.			9,507,484	9,507,484
Adjusted FTE positions, including the authorization of positions supported by special funds.	37.34			
Total	<u>37.34</u>	<u>(\$421,918)</u>	<u>\$9,629,173</u>	<u>\$9,207,255</u>

FTE Positions and Special Funds Appropriations Reporting Change

The 2017-19 biennium legislative appropriations include authorization of all FTE positions for institutions and entities under the control of the State Board of Higher Education, including positions supported by special funds. Previously, only FTE positions supported by the general fund were authorized. The 2017-19 biennium legislative appropriations also include appropriation authority of all special funds received by the University System office and institutions. Previously, special funds appropriations for the University System office and institutions were provided only for certain items, such as capital projects.

FTE Changes

The Legislative Assembly authorized 84.30 FTE positions for Dakota College at Bottineau for the 2017-19 biennium, an increase of 37.34 FTE positions from the number authorized by the 2015 Legislative Assembly. The adjustment for FTE positions reflects the authorization of positions supported by special funds and adjustments made by institutions to positions supported by the general fund.

One-Time Funding

The Legislative Assembly appropriated \$29,594 of one-time funding to Dakota College at Bottineau for the 2017-19 biennium for campus operations.

Other Sections in Senate Bill No. 2003

Health insurance increase - Section 2 identifies the amount of funding included in the bill for employee health insurance premium increases.

Education challenge grants - Sections 4 and 5 continue the education challenge grant program statutory language and provide for the distribution of \$2 million of funds to eligible institutions.

Capital projects - Section 6 requires University System capital projects to conform to campus master plan and space utilization studies and requires a maintenance reserve account for projects over \$5 million. **(The Governor vetoed this section.)**

Audits of institution foundations - Section 10 limits the types of donor information that can be accessed during an audit of an institution foundation.

Carryover authority - Section 12 continues the authorization through July 31, 2019, for institutions under the control of the State Board of Higher Education to carry over unexpended appropriations at the end of a biennium.

Additional income - Section 14 appropriates any additional special funds received by entities under the control of the State Board of Higher Education to the respective entities.

Project management oversight - Section 15 requires capital projects authorized by the State Board of Higher Education to have adequate project oversight by an institution official or representative of an external entity.

Transfer authority - Section 20 authorizes the State Board of Higher Education to transfer funds from an institution's operations to the institution's capital assets line item.

FTE positions - Section 21 authorizes the State Board of Higher Education to adjust FTE positions as needed, subject to the availability of funds, for institutions and entities under its control.

Tuition rate increase limit - Section 27 limits resident undergraduate tuition rate increases to 4 percent per year during the 2017-19 biennium. There is no limit for graduate programs or for nonresident tuition rates.

Extraordinary repairs matching funds - Section 28 requires institutions to match state extraordinary repairs funding on a \$2 to \$1 basis using operations or other funding.

Reorganization of 2-year institutions study - Section 35 directs the State Board of Higher Education to study the reorganization of 2-year institutions under its control into a community and technology college system that addresses workforce and education needs of the state.

Employee reductions - Section 38 provides legislative intent that if an institution reduces FTE positions, any reductions are to be applied among all classifications of employees with emphasis on senior administrator positions. The section also requires reports to the Legislative Management regarding employee reductions, including whether any employees in an administrative position have been transferred to a different position at an institution.

Related Legislation

House Bill No. 1030 - Legislative approval of campus improvements - Increases the minimum cost of higher education campus improvements that require the consent of the Legislative Assembly or the Budget Section from \$385,000 to \$700,000 and removes the authority of the Budget Section to approve the construction of any new building or any addition to a building under the control of the State Board of Higher Education.

Senate Bill No. 2193 - Jurisdiction of University System campus law enforcement officers - Clarifies the areas of jurisdiction for campus police officers at institutions that have a campus police department.

Senate Bill No. 2295 - Open records exemption for research and federal Title IX records - Provides an exemption from state open records laws for certain research information and federal Title IX records at University System institutions.
