### Other Sections in House Bill No. 1003

**Additional funds appropriation authority** - Section 3 appropriates any additional other funds received by entities under the control of the State Board of Higher Education to the respective entities, including funding for capital projects.

**Extraordinary repairs matching funds** - Section 4 requires institutions to match state extraordinary repairs funding on a \$1 to \$1 basis using operations or other funding, except for UND and North Dakota State University (NDSU), which must match \$2 to \$1.

**Strategic investment and improvements fund** - Section 5 identifies \$209,976,971 for various institution capital projects from SIIF. Section 48 declares Section 5 to be an emergency measure.

**Economic diversification research fund** - Section 10 provides for a transfer of \$5.5 million from SIIF to the economic diversification research fund, which is established in Section 16.

**Capital building fund program** - Sections 11 and 12 provide for the continuation of the capital building fund program, including a transfer of \$24 million from SIIF to the University System capital building fund and the authorization to use money in the fund for new capital projects. Section 33 restricts the use of capital building fund money for deferred maintenance and extraordinary repairs projects to academic and student housing facilities. Section 40 provides an exemption to allow

certain campuses to use money in their capital building fund allocation for capital projects without providing matching funds. Section 48 declares Sections 11, 12, and 40 to be an emergency measure.

**Capital project requests** - Section 14 restricts an institution from spending funding appropriated from SIIF for capital projects until local matching funds are pledged. Section 14 also provides legislative intent that any inflationary or other costs associated with previously approved projects be paid from local funds. Section 29 requires institutions to identify matching funds for future capital project requests for state funds. Section 48 declares Section 14 to be an emergency measure.

**Project management oversight** - Section 15 requires capital projects authorized by the State Board of Higher Education to have adequate project oversight by an institution official or representative of an external entity.

**Campus policies and procedures** - Section 19 authorizes the president of an institution to adopt policies, procedures, and directives for the institution without the approval of faculty and others through shared governance.

**Higher education challenge grants** - Sections 24 through 27 adjust the higher education challenge grant statutory language, provide for the distribution of up to \$20 million of grant funds to eligible institutions, and add the NDSU Agricultural Experiment Station as eligible for funding under the higher education challenge grant program. Section 37 eliminates the allocation of higher education challenge grant funds for the UND School of Law; however, funding would still be made available under the UND allocation.

**Higher education funding formula** - Section 30 provides for all career and technical education (CTE) credits to receive a weighting factor of five in the higher education funding formula. Section 31 adjusts the base credit-hour funding rates of the higher education funding formula. Section 32 restores the 96 percent minimum amount payable provision in the higher education funding formula. Section 46 provides legislative intent that dental hygienist and dental assistant program courses be transferred to the CTE instructional program classification factor in the higher education funding formula.

**Carryover authority** - Section 36 continues the authorization through July 31, 2025, for institutions under the control of the State Board of Higher Education to continue unexpended appropriations at the end of a biennium. Sections 41 and 42 provide exemptions for institutions to continue appropriation authority for various projects and programs.

**Transfer authority** - Section 38 provides that the State Board of Higher Education may transfer funds from an institution's operations line item to the institution's capital assets line item if the board determines that additional funds are needed for capital assets.

**FTE positions** - Section 39 authorizes the State Board of Higher Education to adjust FTE positions as needed, subject to the availability of funds, for institutions and entities under its control.

**Tuition rate increase limitation** - Section 45 provides for a tuition freeze, excluding certain high-cost programs which are limited to a tuition rate increase of 1 percent per year.

**Legislative intent - Future capital projects** - Section 47 provides legislative intent for the 69<sup>th</sup> Legislative Assembly to appropriate \$98,696,814 from state funds or appropriation bond proceeds for capital projects at Mayville State University, Minot State University, and UND. The amounts identified for each project reflect the institution's request plus a 7 percent inflationary factor and are in addition to any local matching funds.
