SENATE CONCURRENT RESOLUTION NO. 4052
(Senators Andrist, Naaden, Solberg)
(Representatives Huether, Kempenich)

A concurrent resolution directing the Legislative Council to study occupational and professional licensing entities with an emphasis on methods to privatize licensing entities.

WHEREAS, during the 1995-96 interim, the Legislative Council conducted a comprehensive study of all boards, committees, commissions, and councils of state government; and

WHEREAS, there are approximately 40 occupational and professional licensing entities for which the Legislative Assembly has oversight and legal responsibility; and

WHEREAS, other states are attempting to address the problem of the growing number of state licensing entities through privatization of those entities; and

WHEREAS, a number of occupational and professional licensing entities in this state have demonstrated an interest in working with establishing models of privatization of licensing functions;

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF NORTH DAKOTA, THE HOUSE OF REPRESENTATIVES CONCURRING THEREIN:

That the Legislative Council study occupational and professional licensing entities with an emphasis on methods to privatize licensing entities; and

BE IT FURTHER RESOLVED, that the Legislative Council report its findings and recommendations, together with any legislation required to implement the recommendations, to the Fifty-sixth Legislative Assembly.
