

**SENATE BILL NO. 2083**

Introduced by

Senators Tomac, G. Nelson

Representatives Aarsvold, Nicholas

(At the request of the Commissioner of Agriculture)

1 A BILL for an Act to provide for the continuation of an agricultural pesticide and pesticide  
2 container disposal program; and to provide an expiration date.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1. Pesticide and pesticide container disposal program - Pesticide**  
5 **container management - Compensation.**

- 6 1. The definitions contained in section 4-35-05 apply to this section.
- 7 2. In consultation with an advisory board consisting of the state health officer, state  
8 engineer, state geologist, director of the North Dakota state university extension  
9 service, administrative officer of the state soil conservation committee, two  
10 individuals representing agribusiness organizations, two individuals representing  
11 farm organizations, and one member of the legislative assembly, all of whom must  
12 be selected by the commissioner of agriculture, the commissioner of agriculture  
13 shall continue to implement the project authorized by section 1 of chapter 72 of the  
14 1995 Session Laws, which is known as project safe send. The purpose of the  
15 project is to:
- 16 a. Collect and either recycle or dispose of unusable pesticides and empty  
17 pesticide containers. The commissioner shall provide for the establishment  
18 and operation of temporary collection sites for the containers and pesticides.  
19 The commissioner may limit the type and quantity of containers and  
20 pesticides acceptable for collection.
- 21 b. Promote proper pesticide container management. In consultation with the  
22 director of the North Dakota state university extension service, the  
23 commissioner shall promote proper methods of pesticide container

1 management, including information on the variety of pesticide containers  
2 available.

3 c. Evaluate recycling options and investigate markets and business  
4 opportunities to encourage recycling of containers for resource recovery.

5 3. Any entity collecting pesticide containers or unusable pesticides shall manage and  
6 dispose of the containers and pesticides in compliance with applicable federal and  
7 state requirements. When called upon, any state agency shall assist the  
8 commissioner in implementing the project.

9 4. For services rendered in connection with the design and implementation of this  
10 project, the member of the legislative assembly who is a member of the advisory  
11 board is entitled to compensation and expense reimbursement in the amounts  
12 provided for in section 54-35-10 and the other members selected by the  
13 commissioner of agriculture are entitled to reimbursement for mileage and travel  
14 expenses in the same manner and for the same amounts provided for state  
15 employees and officials. Compensation and expense reimbursement must be paid  
16 from the environment and rangeland protection fund.

17 **SECTION 2. Project scope and evaluation - Proposed legislation.** The project  
18 described in section 1 of this Act must occur in areas to be determined by the commissioner of  
19 agriculture in consultation with the advisory board under subsection 2 of section 1 of this Act.  
20 Before December 12, 1998, the commissioner of agriculture shall determine whether the project  
21 implemented and continued under section 1 of this Act should be continued. If the  
22 commissioner determines that the project should be continued or expanded, the commissioner  
23 shall introduce appropriate legislation in the fifty-sixth legislative assembly.

24 **SECTION 3. EXPIRATION DATE.** This Act is effective through July 31, 1999, and  
25 after that date is ineffective.
